**Commentary on the Gospel According to John, Books 13-32** Origen, 1993 This volume contains what remains of Books 13-32 of Origen's Commentary on the Gospel according to John and thus completes the publication of the first full English translation of this work that stands as the beginning of Christian scriptural exegesis Ronald Heine introduces his translation with a discussion of the times and circumstances within which the commentary was composed He also provides a survey of the major theological questions with which the commentary is concerned These include Origen's thought on the nature of God the person and work of Christ his relation to the Father and to the created order his teaching on the Holy Spirit the Resurrection and eschatology and his ideas on the devil Beginning with the conversation between Christ and the Samaritan woman at the well and ending with Christ's discourse to his disciples at the Last Supper the commentary displays Origen's attention to the literal meaning of the passages but moves beyond them to try to grasp their spiritual significance providing us with the opportunity to examine Origen's mystical thought Origen also refutes the Gnostic reading of the Gospel presented by Heracleon but this polemic is subordinate to his own investigation of the theological philosophical historical and etymological questions raised by the Gospel Because it treats many of the same passages of the Gospel of St John for which St Augustine provides a commentary in *The Fathers of the Church* volume 88 this volume provides a worthy companion to it and invites a comparison of the thoughts of these two great exegetes upon what both regarded as the greatest of the Gospels

O'Malley, 2019-05-23 In North America over the last three decades no one has thought as long and hard about the nature of the Catholic university has been so passionate in its avowal so visionary in its conception and so persistent in reminding all who would listen that the university is a specifically Catholic achievement and the Catholic university an enduring legacy as John Cavadini As the long time chair of the Department of Theology at the University of Notre Dame and the even longer serving McGrath Cavadini Director of the McGrath Institute for Church Life John C Cavadini has provided a vision for leadership in Catholic higher education and especially the Catholic university's call to serve the Church with unparalleled creativity industriousness and hope The breadth and wisdom of Cavadini's distinctive leadership is a model for guiding the Catholic university along its unique mission both within higher education and for the life of the Church This vision is captured in Cavadini's person and by extension in the initiatives projects and institutional activities that he has designed and executed The vision is difficult to see all at once because of its comprehensiveness but once glimpsed it shines as a standard by which leadership in Catholic higher education may be measured This leadership has never been more necessary for the life of the Catholic university and its service to the Church The Commentary of Origen on S. apply the gospel text to their respective communities DeCock demonstrates that the Antiochenes find primarily literal moral examples and doctrinal teachings in John's Gospel whereas the Alexandrians find both these and nonliteral teachings concerning the immediate situation of the church and of its individual members Features An examination of each author's interpretations of a selection of texts Focused explorations of John 2:4 and 9:11 in early Christian exegesis A study of early literal non literal interpretations of John's Gospel Origen 'Commentary on the Gospel of John' Apostle Horn, 2019-02-24 of Alexandria a c 184 c 253 3 also known as Origen Adamantius was an early Christian scholar ascetic and theologian who was born and spent the first half of his career in Alexandria

## **The Commentary Of Origen On St Johns Gospel Introduction**

In today's digital age, the availability of The Commentary Of Origen On St Johns Gospel books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Commentary Of Origen On St Johns Gospel books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Commentary Of Origen On St Johns Gospel books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Commentary Of Origen On St Johns Gospel versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Commentary Of Origen On St Johns Gospel books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Commentary Of Origen On St Johns Gospel books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Commentary Of Origen On St Johns Gospel books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open

Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Commentary Of Origen On St Johns Gospel books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Commentary Of Origen On St Johns Gospel books and manuals for download and embark on your journey of knowledge?
