May,1989 **Women's Writing and the Circulation of Ideas** George Justice,Nathan Tinker,2002-03-07 It was widely believed that women in Renaissance and early modern England either did not write or did not publish their work It has become clear that instead of using the emerging technology of print many women writers circulated their works by hand with friends copying and recopying poems plays and novels from each other or with the help of professional scribes Through manuscript publication women's writing reached wide audiences and was collected and admired by both men and women Women's Writing and the Circulation of Ideas contributes to the discovery and re evaluation of women writers by examining the writing and manuscript publication of key

authors from 1550 to 1800 The collection s analysis of the range and meaning of women s writing and manuscript publication during the rise of the print industry alters our understanding of the history of the book and early modern British literature alike

Literary and visual Raleigh Christopher Armitage,2016-05-16 This collection of essays by scholars from Great Britain the United States Canada and Taiwan covers a wide range of topics about Raleigh s diversified career and achievements Some of the essays shed light on less familiar facets such as Raleigh as a father and as he is represented in paintings statues and in movies others re examine him as poet historian as a controversial figure in Ireland during Elizabeth s reign and look at his complex relationship with and patronage of Edmund Spenser A recurrent topic is the Hatfield Manuscript in Raleigh s handwriting which contains his long unfinished poem The Ocean to Cynthia usually considered a lament about his rejection by Queen Elizabeth after she learned of his secret marriage to one of her ladies in waiting The book is appropriate for students of Elizabethan Jacobean history and literature Among the contributors are well known scholars of Raleigh and his era including James Nohrenberg Anna Beer Thomas Herron Alden Vaughan and Andrew Hiscock
