Siren And Selected Writings:

The Siren and Selected Writings Giuseppe Tomasi di Lampedusa, 1995 Although best known as author of a singular masterpiece *The Leopard* the Prince of Lampedusa left a rich and varied oeuvre that repays a careful reading The best and most representative of it is collected in this volume *Places of My Infancy* a childhood memory of the Lampedusa palace in Palermo at the turn of the century and of the great family mansion inland at Santa Margherita provides a fascinating background to the princely setting of *The Leopard* The text hitherto published had been edited and pruned by the author's widow and resulted in a somewhat impoverished version Here the author's original text with many characters and incidents earlier suppressed has been fully restored The story of *The Professor* and the *Siren* a delicious example of Lampedusa's fantasy and *The Blind Kittens* the first chapter of an unfinished novel of bourgeois Sicily that would have formed a pendant to *The Leopard* both featured as appendices to Harvill's earlier edition of the great novel They are included here together with a charming comic bitter sweet story *Joy and the Law* Giuseppe di Lampedusa's knowledge of English literature which derived from a lifetime's reading as well as from a number of extended visits to Britain as a young man bore fruit in a series of informal seminars he gave in his later years at Palermo The plan was to introduce his listeners to English writers from Bede to Aldous Huxley pausing along the way not only at the great classics but also among the lesser known Restoration poets and Victorian novelists To this as also in his shrewd and dynamic appraisal of the French novelist Stendhal he brought the lucid intellect and warmth of feeling that informs his own deeply Sicilian creative genius

The Professor and the Siren Giuseppe Tomasi Di Lampedusa, 2014-06-17 An NYRB Classics Original In the last two years of his life the Sicilian aristocrat Giuseppe Tomasi di Lampedusa wrote not only the internationally celebrated novel *The Leopard* but also three shorter pieces of fiction brought together here in a new translation *The Professor* and the *Siren* like *The Leopard* meditates on the past and the passage of time and also on the relationship between erotic love and learning Professor La Ciura is one of the world's most distinguished Hellenists his knowledge however came at the cost of a loss that has haunted him for his entire life This Lampedusa's final masterpiece is accompanied here by the parable *Joy and the Law* and *The Blind Kittens* a story originally conceived as the first chapter of a followup to *The Leopard*

Da Capo: Selected Writings 1967-2004 Tom Bissinger, 2008-04-03 *Da Capo* is a collection of stories plays poems and journals in which Tom Bissinger takes on his world whether reading Shakespeare to a blind bag lady observing three playwrights comically vying to destroy each other's career amidst the bustle of a Korean deli or meditating on his father in a Sao Paulo swimming pool Part autobiography part story telling part poetic explorations of dream world and part social satire Bissinger conveys the theatricality of so called ordinary existence by pulling his life towards him hungering for the nuggets of mirth and meaning ultimately owning it in original daring prose He takes on the challenge of staying awake in a troubled violent world while addressing his yearning for reverie and revelation

Judith Sargent Murray Judith Sargent Murray, 1995 Includes selections from *The Gleaner* her major work and other publications As a novelist essayist dramatist and poet Judith Sargent Murray candidly and often humorously asserted her opinions about the social and political conditions of women in late eighteenth century America As a committed feminist she urged American women to enter a new era in female history yet published her own writings under a man's name in the hopes of more widely disseminating her ideas Selected Writings Ruben Dario, 2005-12-06 Born in Nicaragua Ruben Dario is known as the consummate leader of the Modernista movement an esthetic trend that swept the Americas from Mexico to Argentina at the end of the nineteenth century Seeking a language and a style that would distinguish the newly emergent nations from the old imperial power of Spain Dario's writing offered a refreshingly new vision of the world an artistic sensibility at once cosmopolitan and connected to the rhythms of nature The first part of this collection presents Dario's most significant poems in a bilingual format and organized thematically in the way Dario himself envisioned them The second part is devoted to Dario's prose including short stories fables profiles travel writing reportage opinion pieces and letters A sweeping biographical introduction by distinguished critic Ilan Stavans places Dario in historical and artistic context not only in Latin America but in world literature For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators *Selected Writings of Elbert Hubbard* Elbert Hubbard, 1922 Lastingness Nicholas Delbanco, 2011-01-24 America grows older yet stays focused on its young Whatever hill we try to climb we're over it by fifty and should that hill involve entertainment or athletics we're finished long before But if younger is better it doesn't appear that youngest is best we want our teachers doctors generals and presidents to have reached a certain age In context after context and contest after contest we're more than a little conflicted about elders of the tribe when is it right to honor them and when to say step aside In *Lastingness* Nicholas Delbanco one of America's most celebrated men of letters profiles great geniuses in the fields of visual art literature and music Monet Verdi O'Keefe Yeats among others searching for the answers to why some artists work diminishes with age while others reaches its peak Both an intellectual inquiry into the essence of aging and creativity and a personal journey of discovery this is a brilliant exploration of what determines what one needs to do to keep the habits of creation and achievement alive **Italian Literature since 1900 in English Translation** Robin Healey, 2019-03-14 Providing the most complete record possible of texts by Italian writers active after 1900 this annotated bibliography covers over 4 800 distinct editions of writings by some 1 700 Italian authors Many entries are accompanied by useful notes that provide information on the authors works translators and the reception of the translations This book includes the works of Pirandello Calvino Eco and more recently Andrea Camilleri and Valerio Manfredi Together with Robin
