ARCHAEOLOGY & SCIENCE

The background of the cover is a photograph of ancient rock art. It features several large, irregularly shaped rock fragments or panels. These panels are decorated with various pigments, including a prominent reddish-brown ochre and a greenish-grey pigment. The art appears to be in the form of abstract shapes, possibly representing animals or human figures, though the details are somewhat obscured by the texture of the rock and the way the pigments have been applied. The overall tone of the image is earthy and historical.
