Six Days To Sunday:

Six Days Till Sunday Fred Gaertner, 2009-11-03 AARON THE WAYSHOWER is the author's spokesman who appears in each of a series of novels to combat some form of subhuman behavior. The first novel SIX DAYS TILL SUNDAY centers upon the enslavement of one racial group by another racial group and brings Aaron for a visit to America's antebellum South 1855-1857 to oppose the institution of human bondage. In the Kingdom of Verde on Earth's sister planet of Aumni, sixty million blacks enslave twenty million whites, creating an economic imbalance between Verde and the other seven kingdoms, the Allies, who have NO slave labor to bolster THEIR economies. Verde has built up an enormous military power to protect its way of life, the institution of slavery within its borders. At great cost to their economies, the Allies have countered by building an equivalent military force to protect the freedom of whites living within THEIR borders. Both sides are fully armed with nuclear weapons, and no one doubts that an all-out war would terminate human life on this beautiful two-mooned planet of Aumni. Aaron seeks to convert Prince Vada soon to be King of Verde from pro-slave to abolitionist. To achieve this crucial goal, he convinces Vada to translate to Earth and experience life as a bondsman in America's Southland of 1855. What will be the outcome? Most readers should easily become interested in what Aaron says and does. He's not just another great teacher: Moses, Jesus, Buddha, Muhammad. He is the procreator of a Life Stream which includes Earthlings as a tiny fraction of his total Progeny. Even more important, the TOTALITY of his responsibilities is similar in scope to that which each of US must one day assume. ULTIMATE QUESTION: LIFE AFTER DEATH. ANSWER: www.beyondanydoubt.com. OTHER BIG QUESTIONS: Why are we here? What's it all about? Where are we going? Why? How long will it take? What happens when we get there? Many other questions of similar scope. ASSUMPTIONS MADE: A well-ordered infinite universe. A meaningful placement of mankind within it. THE ANSWERS: ANSWERS to these BIG QUESTIONS are found in a series of novels written by Fred Gaertner, Writer, Philosopher, Metaphysician, Etc., and in the related music composed by Marie and Fred Gaertner. PURPOSE OF THIS WEB SITE: The purpose of this site is to provide a summary of Gaertnerian novels and their related music, musicals, and screen dramas currently available for ordering through Xlibris. In each story, the principal characters seek ANSWERS to some of our BIG QUESTIONS. When the author supplies ANSWERS for these characters, he is, of course, supplying them for his readers as well.
