Six Parts Love:

Count God In Loren F. Bliese, 2018-03-09 This study of Song of Songs uncovers many patterns related to the numerical value twenty six and related numbers for the divine name YHWH Patterns are so unique that they clearly show authorial intent They involve the numerical value of root forms of words their sequences and their totals in the book The beloved man is highlighted by special patterns which indicate that a typology for God is intended Deer names in the refrain have number patterns that confirm intention for being circumlocutions for divine names The disputed presence of the divine name YH in 8 6 is confirmed by the value of its full word One of the most striking patterns found with the help of a computer is that the totals of root words are all arranged to point to theological numbers in a beautiful intricacy Besides describing these patterns this study discusses numerical competence within a proposed Hebrew literary circle and what steps they might have gone through to create these amazing phenomena These theological numbers confirm intentionality for allusions to the Hebrew Bible and support a hermeneutic of spiritual applications A literary analysis of each poem focuses on the use of numbers among other features of prominence
