Sloppy Seconds:

Spy, 1996-12 Smart Funny Fearless It's pretty safe to say that *Spy* was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written, and perfectly designed and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented. Dave Eggers: It's a piece of garbage. Donald Trump

Sexual Shame in Women and How to Experience Freedom Joy Skarka, 2022-04-29 Sexual shame causes women to feel far from God, live a secret life of sexual sin, doubt that God loves them, and even question their salvation. *Sexual Shame in Women and How to Experience Freedom* will help readers understand sexual shame as one of the root issues among women's sexual struggles while focusing specifically on the issues of pornography and sexual abuse. Ministry leaders must help women find freedom from sexual shame to help them walk in sexual integrity, wholeness, and healing. The freedom journey begins through understanding the character of God, being known in biblical community, and understanding God's design for sexuality. This research project is a dissertation from Dallas Theological Seminary's DMin program. *Spy*, 1996-12 Smart Funny Fearless It's pretty safe to say that *Spy* was the most influential magazine of the 1980s. Beep Beep: On being a john Henri Molineaux,2021-07-30 The author examines the controversial subject of the relationship between prostitutes and their customers from a different perspective from that of the john This book tells of how and why explorations lead to adventures that lead to drastic changes The telling is raw and vivid as the women conduct their business and the man ventures into their anomie world of sex drugs violence and homelessness As we dip into the lives of the women he dates the narrator s own troubled mind and history are revealed The buyer of the sex for hire service repeatedly follows his nature as he seeks to find love and romance there instead The otherwise intelligent and resilient man recognizes the folly in that and comes to think of these encounters as fantasy adventures separate and apart from the reality of his everyday life But he finds it increasingly difficult to keep fantasy separate from reality while the torment that ever permeates his being remains and travels with him as he ventures from one realm to the other The reader must always read between the lines to understand things that the narrator does not yet realize
