Sly Old Wardrobe:

Sly Old Wardrobe Ivan Southall, 1974 No one wanted the dark old wardrobe except Tom but when he got it home his parents weren't pleased and it looked as if it would have to go back to the opportunity shop until Grandma arrived at a solution

Sly Old Wardrobe Ivan Southall, 1974 **Sly Old Wardrobe** Ivan Southall, 1969 *Hills End* Ivan Southall, 2013-05-22 First published in 1962 *Hills End* is regarded as a turning point in Australian children's literature paving the way for much subsequent Australian adventure fiction On a fateful day in Hills End a timber milling town in the mountains of Victoria seven children and their teacher set off to explore caves in the nearby mountains said to contain ancient Aboriginal rock art While they are deep inside the mountain caves a storm of tremendous violence all but sweeps the town away and threatens to leave them stranded on the mountain Tackling flooded creeks and washed out paths and fallen trees the children make their way back to Hills End injured and exhausted only to face a new battle to survive in the denuded town Ivan Southall was the first Australian author to receive the Carnegie Medal and was awarded the Australian Children's Books Council Book of the Year on three occasions He wrote over 60 books in his lifetime and has been published in 23 different countries He died in 2008 textclassics.com.au The author has the power to get inside his characters and through them express his faith in human nature in the goodness of man a solid work strong in action mood and discipline New York Times A book that has haunted me for years Ramona Koval By the Book I would highly recommend this novel for both children and adults as the vivid imagery which Southall creates is something which is not as prominent in today's literature I believe that it is important for young people to read books like this as they encourage a love for the written word something which is often neglected these days ReadPlus review blog

Turdhead Dale W Forsythe, 2012-02-24 *Turdhead* The Fourth Notch is most definitely a spy novel Dr Bill William's challenging childhood is a link connecting Bill to a twisted journey that eventually joins the clandestine path of espionage Bill learned very early to duck and cover in avoiding the swinging arms of his angry father but Bill remains resistant to describe himself as an abused child Bill maintains that his dad was a good provider didn't drink excessively and was very much the same as his buddies dad's oil field roughnecks and rodeos Both of Bill's parents died one month apart when Bill was ten years old Cancer swiftly took both and Bill's dad sucked on his Old Gold cigarettes to his last wet rasping breath At ten years old as Bill became a planner and observer He knew his life was over in the small town of Duncan Oklahoma but his ten year old logic had a plan hide out as long as he could and when discovered hitch hike to California and live with Roy Rogers and Dale Evans This was a beginning and Bill observed and planned his path through his teenage years military and college Bill threw his plan book out the window when surviving the courtship of his soon to be wife Alex Very soon unplanned teaching opportunities for couples in Saudi Arabia were considered and accepted This inadvertently led to some dabbling in covert assignments and eventually a major mishap resulting in Bill's arrest in Saudi Arabia as an Israeli spy Seven months later Bill activated his plan to escape Saudi Arabia in an Arab dhow After three

weeks of sailing on the Red Sea Bill approached the Sinai peninsula was rescued by the Israeli coast guard and eventually delivered to the Mossad Director Thus began a series of events resulting in Bill being thrust into CIA field agent training and his first assignment back to Israel as a liaison officer at the American embassy in Tel Aviv Bill's adventures continued in assignment to Beirut and eventually Afghanistan

Ash Road Ivan Southall, 2013-09-25 The best selling Ash Road is an action packed adventure story so evocative of rural Australia you can taste the Eucalyptus It's hot dry and sweaty on Ash Road where Graham Harry and Wallace are getting their first taste of independence camping just the three of them When they accidentally light a bushfire no one would have guessed how far it would go All along Ash Road fathers go off to fight the fires and mothers help in the first aid centres The children of Prescott are left alone presumed safe until it's the fire itself that reaches them These children are forced to face a major crisis with only each other and the two old men left in their care Ivan Southall was the first Australian author to receive the Carnegie Medal and was awarded the Australian Children's Book Council Book of the Year on three occasions An icon of Australian children's literature he wrote over sixty books in his lifetime and has been published in twenty three different countries He died in 2008

To the Wild Sky Ivan Southall, 2014-04-23 Winner Australian Children's Book of the Year 1967 No one had talked about fuel what was the use of talking anyway But they all knew that engines which run on fuel have to run out of fuel sometime and that the Egret just couldn't keep on going for ever They seemed to have been sitting in this plane imprisoned for days waiting to die Gerald just flew on and on as though he wanted to fly away to another world almost as though he didn't want to go down almost as though he didn't know how to go down When the Egret's pilot dies suddenly mid flight six teenagers the only passengers on board face a terrifying situation Gerald has had some flying lessons but he has never flown alone and he has never landed a plane Lost and afraid they fly on as the fuel gauge drops and night closes in Will they find a clear landing place Could they land in the sea If they do somehow land safely how will they find their way back to civilisation Ivan Southall's To the Wild Sky is a breathtaking adventure real kids facing a very real danger with no one but themselves to rely on Ivan Southall was the first Australian author to receive the Carnegie Medal and was awarded the Australian Children's Book Council Book of the Year on three occasions An icon of Australian children's literature he wrote over sixty books in his lifetime and has been published in twenty three different countries He died in 2008 The book that shines brightest is Ivan Southall's To the Wild Sky This was a proudly Australian story and the first novel to utterly confound me by denying the usual happy ever after That was the moment I first understood the magic an author has in their hands Tim Pegler author of Five Parts Dead

National Union Catalog, 1973 **Who's who in Australia**, 2004 *The Oxford Companion to Children's Literature* Daniel Hahn, 2015-03-26 The last thirty years have witnessed one of the most fertile periods in the history of children's books the flowering of imaginative illustration and writing the Harry Potter phenomenon the rise of young adult and crossover fiction and books that tackle extraordinarily difficult subjects The Oxford Companion to Children's Literature provides an

indispensable and fascinating reference guide to the world of children's literature. Its 3,500 entries cover every genre from fairy tales to chapbooks, school stories to science fiction, comics to children's hymns. Originally published in 1983, the Companion has been comprehensively revised and updated by Daniel Hahn. Over 900 new entries bring the book right up to date. A whole generation of new authors and illustrators are showcased with books like *Dogger*, *The Hunger Games* and *Twilight* making their first appearance. There are articles on developments such as manga, fan fiction and non-print publishing, and there is additional information on prizes and prizewinners. This accessible A to Z is the first place to look for information about the authors, illustrators, printers, publishers, educationalists and others who have influenced the development of children's literature as well as the stories and characters at their centre. Written both to entertain and to instruct, the highly acclaimed Oxford Companion to Children's Literature is a reference work that no one interested in the world of children's books should be without.

Growing Point, 1968. **Australian Book Review**, 1978. **Children's Book Prizes** Ruth Allen, 2019-01-22. First published in 1998, this book is the first comprehensive survey of the awards made to children's books in the English-speaking world. The Volume covers nearly forty different prizes including well-known and established ones such as the Newbery Award, prizes instigated by the commercial sector such as the Smarties Prize, as well as nationally sponsored awards and prizes for illustrators. Detailed lists are provided of the winning titles and where appropriate the runners-up in each year that the award has been given. Ruth Allen also presents some fascinating and often entertaining insights into the motivations behind awards and how they are viewed by authors, illustrators, publishers, librarians, booksellers and potential purchasers. The various criteria applied by judges of these awards are also examined with an assessment of whether they have always achieved the right result. This Volume is both a useful guide for adults wishing to buy good books for children and an important tool for those researching the history of the children's book industry.

Sly Old Wardrobe Introduction

In today's digital age, the availability of Sly Old Wardrobe books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sly Old Wardrobe books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sly Old Wardrobe books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sly Old Wardrobe versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sly Old Wardrobe books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sly Old Wardrobe books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sly Old Wardrobe books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sly Old Wardrobe books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sly Old Wardrobe books and manuals for download and embark on your journey of knowledge?
