Middlebrow Literary Cultures E. Brown,M. Grover,2011-11-30 The literary middle ground once dismissed by academia as insignificant is the site of powerful anxieties about cultural authority that continue to this day In short the middlebrow matters These essays examine the prejudices and aspirations at work in the battle of the brows and show that cultural value is always relative and situational

Magazines and Modern Identities Tim Satterthwaite,Andrew Thacker,2023-09-21 In the late nineteenth and early twentieth century ideals of technological progress and mass consumerism shaped the print cultures of countries across the globe Magazines in Europe the USA Latin America and Asia inflected a shared internationalism and technological optimism But there were equally powerful countervailing influences of patriotic or insurgent nationalism and of traditionalism that promoted cultural differentiation In their editorials images and advertisements magazines embodied the tensions between these domestic imperatives and the forces of global modernity Magazines and Modern Identities explores how these tensions

played out in the magazine cultures of ten different countries describing how publications drew on resisted and informed the ideals and visual forms of global modernism Chapters take in the magazines of Australia Europe and North America as well as China The Soviet Turkic states and Mexico With contributions from leading international scholars the book considers the pioneering developments in European and North American periodicals in the modernist period whilst expanding the field of enquiry to take in the vibrant magazine cultures of east Asia and Latin America The construction of these magazines modern ideals was a complex dialectical process in dialogue with international modernism but equally responsive to their local cultures and the beliefs and expectations of their readers Magazines and Modern Identities captures the diversity of these ideals in periodicals that both embraced and criticised the globalised culture of the technological era History of Illustration Susan Doyle, Jaleen Grove, Whitney Sherman, 2018-02-22 Written by an international team of illustration historians practitioners and educators History of Illustration covers image making and print history from around the world spanning from the prehistoric to the contemporary With hundreds of color image this book to contextualize the many types of illustrations within social cultural and technical parameters presenting information in a flowing chronology This essential guide is the first comprehensive history of illustration as its own discipline Readers will gain an ability to critically analyze images from technical cultural and ideological standpoints in order to arrive at an appreciation of art form of both past and present illustration
