John Fetterman

Stinking Creek:

The Geology and Coals of Stinking Creek (Knox County, Ky.) Willard Rouse Jillson, 1919 **Stinking Creek** John Fetterman, 1967 **Rebel Gold** Warren Getler, Bob Brewer, 2008-06-18 As a boy growing up in rural Arkansas Bob Brewer often heard from his uncle and his great uncle about a particular tree in the woods the Bible Tree filled with strange carvings Years later he would learn that this tree was carved with symbols associated with the Knights of the Golden Circle a Civil War era secret society that had buried gold coins and other treasure in various remote locations across the South and Southwest in hopes of someday funding a second War Between the States These secret caches were guarded by sentinels men whose responsibility it was to watch and protect these sites To his astonishment Bob discovered that both his uncle and his great uncle had been twentieth century sentinels and that he had grown up near an important KGC treasure site In Shadow of the Sentinel Bob Brewer and investigative journalist Warren Getler tell the fascinating story of the Knights of the Golden Circle and the hidden caches the KGC established across the country Brewer reveals how with agonizing effort he eventually deciphered the fiendishly complicated KGC codes and ciphers which drew heavily on images associated with Freemasonry Many of the key KGC post Civil War leaders were Scottish Rite Masons who used the cover of that secret fraternity to conduct their activities Using his knowledge of KGC symbolism to crack coded maps Brewer has located several KGC caches and has recovered gold coins guns and other treasure from some of them Shadow of the Sentinel is the most comprehensive account yet of the activities of the KGC after the Civil War and indeed into the 1900s Getler and Brewer suggest that the clandestine network of KGC operatives was far wider than previously thought and that it included Jesse James the former Confederate guerrilla whose stage and bank robberies helped to fill KGC treasure chests This is a rousing and provocative adventure that weaves together one man's personal quest with an intriguing little known chapter in America's hidden history **The Kentucky Anthology** Wade Hall, 2010-09-12 Long before the official establishment of the Commonwealth intrepid pioneers ventured west of the Allegheny Mountains into an expansive alluring wilderness that they began to call Kentucky After blazing trails clearing plots and surviving innumerable challenges a few adventurers found time to pen celebratory tributes to their new homeland In the two centuries that followed many of the world's finest writers both native Kentuckians and visitors have paid homage to the Bluegrass State with the written word In The Kentucky Anthology acclaimed author and literary historian Wade Hall has assembled an unprecedented and comprehensive compilation of writings pertaining to Kentucky and its land people and culture Hall's introductions to each author frame both popular and lesser known selections in a historical context He examines the major cultural and political developments in the history of the Commonwealth finding both parallels and marked distinctions between Kentucky and the rest of the United States While honoring the heritage of Kentucky in all its glory Hall does not blithely turn away from the state's most troubling episodes and institutions such as racism slavery and war Hall also builds the argument bolstered by the strength and significance of

the collected writings that Kentucky's best writers compare favorably with the finest in the world. Many of the authors presented here remain universally renowned and beloved while others have faded into the tides of time waiting for rediscovery. Together they guide the reader on a literary tour of Kentucky from the mines to the rivers and from the deepest hollows to the highest peaks. The Kentucky Anthology traces the interests and aspirations, the achievements and failures and the comedies and tragedies that have filled the lives of generations of Kentuckians. These diaries, letters, speeches, essays, poems and stories bring history brilliantly to life. Jesse Stuart once wrote, "If these United States can be called a body, Kentucky can be called its heart." The Kentucky Anthology captures the rhythm and spirit of that heart in the words of its most remarkable chroniclers.

LIFE, 1967-08-18 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest most amazing collection of professional photography on the internet. Users can browse, search and view photos of today's people and events. Engineer's Office, 1908 Draft Resource Management Plan/environmental Impact Statement for the Platte River Resource Area, Casper, Wyoming United States. Bureau of Land Management. Platte River Resource Area, 1984 **Platte River Resource Area Resource(s) Management Plan (RMP)**, 1984 Resource Management Plan/environmental Impact Statement for the Platte River Resource Area, Casper, Wyoming, 1984 The Kentucky Encyclopedia John E. Kleber, 2014-10-17 The Kentucky Encyclopedia's 2,000 plus entries are the work of more than five hundred writers. Their subjects reflect all areas of the commonwealth and span the time from prehistoric settlement to today's headlines recording Kentuckians' achievements in art, architecture, business, education, politics, religion, science and sports. Biographical sketches portray all of Kentucky's governors and U.S. senators as well as note congressmen and state and local politicians. Kentucky's impact on the national scene is registered in the lives of such figures as Carry Nation, Henry Clay, Louis Brandeis and Alben Barkley. The commonwealth's high range from writers Harriette Arnow and Jesse Stuart, reformers Laura Clay and Mary Breckinridge and civil rights leaders Whitney Young Jr and Georgia Powers to sports figures Muhammad Ali and Adolph Rupp and entertainers Loretta Lynn, Merle Travis and the Everly Brothers. Entries describe each county and county seat and each community with a population above 2,500. Broad overview articles examine such topics as agriculture, segregation, transportation, literature and folklife. Frequently misunderstood aspects of Kentucky's history and culture are clarified and popular misconceptions corrected. The facts on such subjects as mint juleps, Fort Knox, Boone's coonskin cap, the

Kentucky hot brown and Morgan s Raiders will settle many an argument For both the researcher and the more casual reader this collection of facts and fancies about Kentucky and Kentuckians will be an invaluable resource **U.S. Geological**
Survey Water-supply Paper ,1982 **Geological Survey Water-supply Paper** ,1964
