Stockwell Day:

Missile Defence: Round One Steven Staples, 2006-10-03 An insider's account of how and why Canada said no to George W Bush and why the missile defence issue won't go away In the wake of the terrorist attacks of September 11 2001 the United States embarked on a mission to resurrect the ballistic missile defence program once envisioned by Ronald Reagan known as Star Wars But when Bush turned to Canada to support the program he touched off a political firestorm This book is an account of how this issue emerged in Canada based on interviews on and off the record with cabinet ministers MPs generals and protestors It explains how an unlikely coalition of parliamentarians peace activists former diplomats experts and ordinary citizens were able to stop Canadian participation Steven Staples one of the key organizers of the opposition to missile defence explores the public positions and private motivations that led Paul Martin to reverse his original decision to participate With round two of the missile defence debate likely to take place soon led by a Conservative defence minister who wants to reopen the issue this book is timely as well as readable [Decennial Record of the Class of 1896, Yale College](#) Yale University. Class of 1896, 1907 *Anatomy of a Liberal Victory* Andre Blais, Elisabeth Gidengil, Richard Nadeau, Neil Nevitte, 2002-08-20 *Anatomy of a Liberal Victory* Making Sense of the Vote in the 2000 Canadian Election provides a compressive account of the factors that led Canadians to vote the way they did in the Fall 2000 Canadian election which resulted in a third consecutive Liberal majority government The book explains the overall impact that these factors had on how well or poorly each of the parties did in the election The authors address in particular the following questions Why was turnout so low What were Canadians' perceptions of the economy and how much impact did these perceptions have on vote choice What were voters' opinions on the major issues of the day and did these opinions affect their decision on election day What did voters think of the leaders and how much weight did these evaluations have on their choice EOL The study is based on mass surveys involving more than 3 000 respondents conducted both during the campaign and after the election It also draws on a detailed content analysis of the parties' messages and nightly news broadcasts throughout the campaign and its aftermath Academics please note that this is a title classified as having a restricted allocation of complimentary copies complimentary copies remain readily available to adopters and to academics very likely to adopt this title in the coming academic year When adoption possibilities are less strong and/or further in the future academics are requested to purchase the title at an academic discount with the provision that University of Toronto Press will happily refund the purchase price with or without a receipt if the book is indeed adopted **The War Room** Warren Kinsella, 2007-10-04 Using personal anecdotes practical wisdom historical examples and humour Kinsella reveals what it takes to survive challenges not just in politics but in any kind of business **Social Register, New York**, 1904 **Rescuing Canada's Right** Tasha Kheiriddin, Adam Daifallah, 2009-12-14 A provocative and timely call to action for civic minded Canadians yearning for a more competitive political system and better government Canadians everywhere are asking what's wrong with

the Conservative Party The Liberal Party of Canada has held power for 70 of the past 100 years a feat unrivaled by any other political party in the Western hemisphere This dominance has caused a great deal of frustration on all political fronts especially on the right In the past two years the long awaited merger of the Canadian Alliance and the Progressive Conservatives has not achieved the results many were expecting Despite the explosive revelations of the sponsorship scandal and attempts to improve his party's image Stephen Harper's Conservatives still trail in the polls In *Rescuing Canada's Right* the authors examine the problems facing the Conservative Party and the broader conservative movement and offer concrete solutions on how to fix them Some of the issues the book will address Why the Conservative Party and its predecessor parties have such a poor electoral record Why today's Conservative Party is not really conservative Why a new political vision is necessary to inspire Canadians and what it should be How the Liberals use public money to entrench an unhealthy reliance on the state and how the right has failed to challenge it What Canadian conservatives can learn from the American and British experiences How to build a Canadian Conservative counter culture in the media academia and the law How the right can break through to the young and to immigrants in Quebec An action plan to end Canada's democratic deficit and level the political playing field *Rescuing Canada's Right* will be a hard hitting and groundbreaking work that will introduce new ideas and a passionate call for change for 21st century Canada

Full Circle: Death and Resurrection In Canadian Conservative Politics Bob Plamondon, 2014-11-21 *Full Circle* tells the dramatic story of how the Canadian conservative movement was fractured in the 1990s and how it was restored to glory and was returned to power in 2006 It recounts the humiliating defeat of the Progressive Conservative Party the rise of the Reform Party and a decade long sojourn for conservatives in the political wilderness It lays out step by step the strokes and counterstrokes the promises made and broken the betrayals and defections within a movement riven by faction Based on meticulous background research and interviews with the key players *Full Circle* takes the reader behind the scenes in a high octane expos of political machination intrigue and the ultimate battle for survival and supremacy Sweeping in its breadth and scope captivating in its detail *Full Circle* is the definitive account of this unprecedented period in Canadian political history Even those involved in conservative politics will be shocked by the startling revelations and debunking of popular myths The death and resurrection of Canada's conservative political movement over the past two decades is a story that has never been told from beginning to end until now

"I Could Not Speak My Heart" University of Regina. Canadian Plains Research Center, 2004 This anthology of 19 articles documents the pain misunderstanding that lesbian gay bisexual transgendered people have experienced in the very recent past and demonstrates the real progress both in theory in practice that has been made in the struggle for equity social justice The articles include autobiography testament fiction poetry and traditional personal analytic essays from authors with different intellectual perspectives human rights social reform human justice feminist liberationist and queer theory

The Canadian General Election of 2000 Christopher Dornan, Jon H. Pammett, 2001-05-01 Many saw it as a gamble for Jean Chretien against the

advice of party members he called an early election But the gamble paid off and the Liberal Party cruised to their third straight majority government The Canadian General Election of 2000 is the authoritative study of the campaign and election As with previous volumes in the Canadian General Election series the 2000 edition includes analyses of the campaigns of all five major parties the roles of the print and electronic media including the internet the pre election polls voting behaviour across the country Articles are contributed by some of the most recognizable political writers commentators and pollsters including Edward Greenspon Stephen Clarkson Faron Ellis Alan Whitehorn Peter Woolstencroft Andre Bernard Paul Attallah Mary McGuire Janice Neil Michael Marzolini and Andre Turcotte *Campaign Confessions* John Laschinger, 2016-09-10 John Laschinger Canada's only full time campaign manager opens up about the fifty campaigns he has worked on around the world From smoke filled backrooms to social media Laschinger gives unflinching detail on everything in a campaign manager's arsenal *Social Register, Summer*, 1925 Include Dilatory domiciles **The Rise of the New West** John F. Conway, 2014-05-30 This one volume history chronicles a 150 year history of dramatic changes in fortune and attitudes in western Canada From the Riel Rebellions and the Winnipeg General Strike to the founding of the CCF Social Credit and Reform parties Canada's West has always been a hotbed of political social and economic change In the early twentieth century those calls for change emanated from the left as farmers and workers fought for social and economic justice In the past two decades the protests and calls for change emanated from the right as the region gained a new role for itself in Canada This history chronicles the rise and fall of such figures as Grant Devine Bill Vander Zalm Glen Clark Roy Romanow Stockwell Day and Lorne Calvert and the emergence of Stephen Harper and the federal Conservatives It describes how the West the political wellspring of progressive changes over the years has been transformed into the bastion of the right culminating in the virtual annihilation of the NDP in Saskatchewan the cradle of social democracy in Canada This is the updated fourth edition of John Conway's classic book originally published under the title *The West* **Canada 2023-2024** P. T. Babie, Charles J. Russo, 2023-09-28 The World Today Series Canada is an annually updated presentation of Canada It provides the reader an in depth look at the country's culture geography people economy politics and future The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers practitioners in international development media professionals government officials potential investors and students **Through a Lens Darkly** David M. Haskell, 2009 Do journalists report more favourably on people that they like than on those they don't Canada's evangelicals think so For years they've accused the country's news personnel of being prejudiced against them both personally and in their coverage However up to now the evangelicals charge of media bias has never been empirically examined This book puts that charge to the test An in depth survey of national news personnel accompanied by an extensive multi year examination of news coverage reveals how Canada's journalists feel about evangelicals how they report on evangelicals and how and when their feelings influence their reporting In the end this book

concludes when the beliefs and actions of Canadian evangelicals directly clash with the heart felt convictions of Canadian national journalists the journalists are willing to abandon their professional objectivity and slant their stories against their ideological opponents In addition this book uses the media s treatment of evangelicals as a backdrop for the discussion of larger issues How the media construct the news how and why the media cover religion as they do whether journalistic objectivity exists at all and the affect media messages have on audiences is explored Also advice on how religious groups can overcome media bias is offered As the first book to apply the tools of quantitative research to the topic of religion and the news in Canada this book is groundbreaking However written with the lay reader in mind the theoretical underpinnings of the work and methodologies used are presented in accessible easy to understand terms This book will be of interest to all member of the evangelical community clergy and faith leaders and scholars of religion or mass communication This is response rather than reaction Intelligent balanced incisive and instructive At last such a book about such a subject from someone who understands evangelical Christianity as well as media Essential reading for everyone interested in both

Michael Coren Author columnist and broadcaster David M Haskell Ph D is associate professor of journalism and contemporary studies at the Brantford campus of Wilfrid Laurier University *Canada 2022-2023* P. T. Babie, Charles J. Russo, James Kent Donlevy, 2022-09-29 The World Today Series Canada is an annually updated presentation of Canada It provides the reader an in depth look at the country s culture geography people economy politics and future The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers practitioners in international development media professionals government officials potential investors and students

Fight the Right Warren Kinsella, 2012-10-02 Everywhere you look these days Conservatives are winning elections No matter where you look the story is the same white angry men on the Right are winning power The Left meanwhile is divided and dispirited and rapidly losing ground Fight the Right is a handbook on how to survive the nasty brutish and short sighted era in which we find ourselves and is designed to help progressives better understand their conservative adversary and ultimately defeat conservatives wherever the battle is taking shape It s a manual on how conservatives have appropriated language and values and how progressives can take both back Written in a fun accessible style Fight the Right will appeal to those about to launch an advocacy effort as well as those who are simply curious about how and if the Right thinks It is chock full of war stories and not so tall tales about winning progressive campaigns from everyone from Jean Chretien to Bobby Kennedy Jr and it will argue forcefully that a United Right can t be defeated until a United Left emerges Wherever conservative power brokers are hurting average citizens and hard working families Fight the Right will provide a tested road map on how to beat the bullies

Just Married Kevin Bourassa, Joe Varnell, 2002 Kevin Bourassa and Joe Varnell made international news headlines and human rights history in January 2001 when they became one of the first gay couples anywhere in the world to be issued a government marriage certificate The marriage would not

become fully legal however until the Ontario provincial government registered the marriage and it refused to do so Bourassa Varnell and their church have brought a lawsuit asking for legal registration but the case is still in the courts Just Married is an account by Bourassa and Varnell of how their church the Metropolitan Community Church of Toronto decided to test the Canadian marriage laws and how they and a lesbian couple agreed to be the ones to make the attempt Under the Ontario Marriage Act any adult couple can be granted a marriage license if a church following ancient tradition reads the marriage banns on the three Sundays prior to the wedding Joe and Kevin had long wished to be legally married in their church They expected controversy but little expected the massive scale of the international coverage that occurred as reporting on their intentions and their wedding of them shot across the Internet and their photographs appeared in newspapers not only across North America but also in Europe Asia and South America Despite the legal and political wrangling the opposition and support they received the disputes among religious denominations and organizations and the glare of the media lights this remains a story of two people who chose to make a life together and sought the support of both church and state for their marriage They believe they have taken part in an incredible event one that will change the world not just for Canadians but for citizens families and communities everywhere Copublished with Doubleday Canada The Wisconsin edition is for sale only in the United States

Political Marketing Darren G. Lilleker, Jennifer Lees-Marshment, 2005-08-06 Political marketing has become a global phenomenon as parties try to copy the market oriented approach employed by Tony Blair to win power for New Labour in 1997 It raises fresh perspectives on the more established political marketing practices in the UK and US such as how to incorporate political leadership within the market oriented framework and the democratic implications when faced with the actual business of governing This book also highlights how the market oriented party approach has spread around the world including Europe and the new democracies of Brazil and Peru The collection also introduces the debate on whether such practices enhance or undermine democracy raising important questions on the future of political marketing U.S.
