Stoic Studies

Bernard Collette

Stoic Studies:

Stoic Studies A. A. Long, 1996-07-26 For the past three decades A A Long has been at the forefront of research in Hellenistic philosophy In this book he assembles a dozen articles on Stoicism previously published in journals and conference proceedings The collection is biased in favour of Professor Long s more recent studies of Stoicism and is focused on three themes the Stoics interpretation of their intellectual tradition their ethics and their psychology The contents of the book reflect the peculiarly holistic and systematic features of Stoicism The papers are printed here in their original form for the most part but the author has made some minor corrections and stylistic or bibliographical changes He has also added a postscript to three papers whose topics have been the subject of much discussion during the years since they first appeared

Stoic Studies A. A. Long, 2001-08-14 Long s discussions enjoy consistently thorough contextualization psychology cannot be understood without natural philosophy nor dialectic without ethics and Long s case studies show both that and how that is the case in persuasive detail and with enviable clarity The pieces fall into three subject areas intellectual and cultural inheritance ethics and psychology Catherine Atherton New College Oxford A A Long s *Stoic Studies* does far more than bring together a set of important papers on Stoicism Read together the papers in this collection paint two pictures One is of the author and his broad minded pursuit of an intellectual fascination a pursuit carried out with historical and literary rigour as well as considerable philosophical ingenuity The other is of the Stoic school itself emerging from a passion for Socratic arguments It is a long and remarkably rich philosophical history and Tony Long has done a very great deal to help others feel its fascination Brad Inwood University of Toronto Long writes in a lucid engaging way even when treating difficult subjects or referring to complex scholarly and philosophical debates He has a special gift for combining in thirty pages or so an illuminating survey of a topic with at least one sustained analysis of a key text or theory As a result this collection has a coherence and internal development that makes it comparable with a good monograph Christopher Gill University of Exeter

Studies in Stoicism P. A. Brunt, Michael Crawford, 2013-03-28 This important volume fulfills one of Peter Brunt s 1917 2005 last wishes a collection of his most important papers in the area of scholarship that had occupied him in his earliest years of research and which largely absorbed his attention after his retirement from the Camden Chair of Roman History at Oxford University in 1982 Brunt was interested primarily in Stoicism in the Roman period and his chief concern was the practical influence of its ethical teaching on political and social life Although his investigations were historical they required a complete mastery of the Stoic texts and doctrine Basing his work almost entirely on the ancient sources Brunt provides the most complete account and comparison available today not only of the ideas of the Roman Stoic moralists but also of the political philosophy of the Greek founders of the Stoa He believed that the ideas of the Stoics of the Roman period were essentially continuous with the thinking of the founders and he did not accept that the concern with practical everyday morality in later Stoicism was a new development *Studies in Stoicism* contains six unpublished and seven republished essays

the latter incorporating additions and changes which Brunt wished to be made The papers have been integrated and arranged in roughly chronological order and by subject matter with an accessible lecture to the Oxford Philological Society serving as Brunt's own introduction

From Epicurus to Epictetus A. A. Long, 2006-09-14 Also includes information on Academics the Academy animal life Aristotle astronomy belief bodies body causation cause excellence of character cosmology desire earth ethics fear friendship gods goodness happiness horoscopes identity justice knowledge logos matter mind nature necessity pain passion pleasure reason skepticism self signs soul sun teleology tranquility truth utilitarianism virtue wise man wealth Zeus zodiac etc

Stoic Warriors Nancy Sherman, 2005-07-01 Stoic Warriors explores the relationship between soldiers and Stoic philosophy exploring what Stoicism actually is the role it plays in the character of the military both ancient and modern and its powerful value as a philosophy of life Marshalling anecdotes from military history ranging from ancient Greek wars to World War II Vietnam and Iraq Sherman illuminates the military mind and uses it as a window on the virtues of the Stoic philosophy Indeed this is a perceptive investigation of what makes Stoicism so compelling not only as a guiding principle for the military but as a philosophy for anyone facing the hardships of life

The Stoic Doctrine of Providence Bernard Collette, 2021-08-26 The Stoic Doctrine of Providence attempts to reconstruct the Stoic doctrine of providence as argued for in ancient texts now lost and explain its many fascinating philosophical issues Examining issues such as the compatibility between good and evil and how a provident god can serve as model of political leadership this is the first monograph of its kind to focus on the question of Stoic providence It offers an in depth study of the meaning and importance of this topic in eight distinct generations of Stoics from Zeno of Citium fourth century B C to Panaetius of Rhodes second century B C to Marcus Aurelius second century A D The Stoic Doctrine of Providence is key reading for anyone interested in Ancient Stoicism or the study of divine providence in a philosophical setting

Stoicism John Sellars, 2006 Stoicism needs a new work of this kind Sellars not only takes good account of the last thirty years of research he also has much of his own to contribute I particularly applaud his focus on Epictetus and on Stoicism as an art of life A A Long author of Stoic Studies

Stoic Theory of Beauty Celkyte Aiste Celkyte, 2020-08-18 Highlights the important contribution Stoic philosophy made to aesthetics Shows that this is a largely unexplored area of interest to scholars of both ancient philosophy and aesthetics Analyses material to show that there is a coherent and substantial attempt at systematic enquiry into aesthetic phenomena Discusses how Stoic ideas could enhance our understanding of ancient aesthetics and even contribute to contemporary aesthetics Aiste Celkyte shows us that Stoic views about beauty were substantial and compelling She examines the ways in which the Stoics used aesthetic vocabulary in their arguments to demonstrate that aesthetic concepts played an important role in their philosophy Aiste Celkyte argues that understanding the Stoic's aesthetic views allows us to interpret their famous account of virtue more thoroughly She also explores the place that Stoic aesthetics has within the broader ancient Greek and Roman tradition highlighting the value of incorporating Stoic views in the discussions of aesthetic

properties and values **Stoicism** John Sellars,2025-07-10 This new edition of Stoicism provides an introduction to one of the most influential schools of philosophy in antiquity the influence of which has persisted to the present day Originating in Athens around 300 BCE Stoicism flourished for some five hundred years and has remained a constant presence throughout the history of Western philosophy This new revised edition takes into account the wealth of scholarship that has been published in the last 20 years and the explosion of interest in Stoicism as a practical guide for living today It begins with a complete introduction to the ancient Stoics their works and how they formulated their own philosophical system The chapters then thoroughly examine the three core branches of Stoic philosophical doctrine logic physics and ethics while the final chapter provides an account of the Stoic legacy from later antiquity to now The book also includes a chronology useful glossaries and a guide to further reading This accessible authoritative guide is an ideal introduction to the philosophy of Stoicism that stands behind much of the practical advice offered by Seneca Epictetus and Marcus Aurelius suitable for students and general readers **Studies in the Terminology of Early Stoic Ethics** Damianos Tsekourakis,1974 **Stoic Virtues** Christoph Jedan,2011-11-03 Like its ancient rivals Stoic ethics was a form of virtue ethics yet while the concept of virtue was clearly central to Stoic ethics the concept of Stoic virtue has not yet been fully explored Instead the existing literature tends to impose on the Stoic material philosophically quite alien non Aristotelian interpretations of virtue According to Christoph Jedan however a thorough examination of the Stoic concept of virtue leads to a reassessment of our understanding of Stoic ethics This book emphasises in particular the theological underpinning of Stoic ethics which Jedan contends has been underestimated in current accounts of Stoic ethics Jedan argues that the theological motifs in Stoic ethics are in fact pivotal to a complete understanding of Stoic ethics The book focuses on Chrysippus the most important of the early Stoic thinkers suggesting that his contribution and in particular its religious aspect remained a key point of reference for later Stoics This fascinating book makes a crucial contribution to the field of ancient ethics *Knowledge and virtue in early Stoicism* Håvard Løkke,2015-10-22 This book is about the epistemological views and arguments of the early Stoics It discusses such questions as How is knowledge possible and what is it How do we perceive things and acquire notions of them Should we rely on arguments How do we come to make so many mistakes The author tries to give a comprehensive and conservative account of Stoic epistemology as a whole as it was developed by Chrysippus He emphasizes how the epistemological views of the Stoics are interrelated among themselves and with views from Stoic physics and logic There are a number of Stoic views and arguments that we will never know about But there are passages on Stoic epistemology in Sextus Empiricus Galen Plutarch Cicero and a few others authors The book is like a big jigsaw puzzle of these scattered pieces of evidence **Moral Transformation in Greco-Roman Philosophy of Mind** Max J. Lee,2020-04-15 Max J Lee examines the philosophies of Platonism and Stoicism during the Greco Roman era and their rivals including Diaspora Judaism and Pauline Christianity on how to transform a person s character from vice to virtue He describes each philosophical school

s respective teachings on diverse moral topoi such as emotional control ethical action and habit character formation training mentorship and deity provided by publisher **Stoicism in Early Christianity** Tuomas Rasimus, Troels Engberg-Pedersen, Ismo Dunderberg, 2010-11-01 Highlighting the place of Stoic teaching in early Christian thought an international roster of scholars challenges the prevailing view that Platonism was the most important philosophical influence on early Christianity They suggest that early Christians were more often influenced by Stoicism than by Platonism an insight that sheds new light on the relationship between philosophy and religion at the birth of Christianity *The Stoics on Lekta* Ada Bronowski, 2019-07-11 After Plato's Forms and Aristotle's substances the Stoics posited the fundamental reality of lekta the meanings of sentences distinct from the sentences themselves This is the first time in the tradition of Western philosophy that what is signified is properly distinguished from signs and signifiers The Stoics on Lekta offers a synoptic treatment of the many implications of this distinction which grants an existential autonomy to lekta language can only ever express meanings but what happens to meanings which are there ready to be said but which are never actually expressed It analyses the deep shift in ontological paradigm required by the presence of lekta in reality and reveals a truly unique complex and consistent cosmic view in which lekta are the keystones of the structure of reality According to this view we cannot not speak or think in terms of lekta and for this reason they are in fact all there is to say The Stoics position ignited many fiery debates in antiquity and continues to do so in the modern era they were the first to be concerned with questions about language and grammar and the first to put the relation of language to reality at the heart of the enquiry into human understanding and the place of man in the cosmos Such questions remain central to life and philosophy to this day and by explicitly comparing and contrasting the themes and topics discussed to twentieth century treatments of the status of the proposition propositional structure speech act theory and the relation of attribution of the predicate to a subject term this volume seeks to demonstrate the enduring value of a direct Stoic contribution to the contemporary debate **A New Stoicism** Lawrence C. Becker, 2017-08-29 What would stoic ethics be like today if stoicism had survived as a systematic approach to ethical theory if it had coped successfully with the challenges of modern philosophy and experimental science A New Stoicism proposes an answer to that question offered from within the stoic tradition but without the metaphysical and psychological assumptions that modern philosophy and science have abandoned Lawrence Becker argues that a secular version of the stoic ethical project based on contemporary cosmology and developmental psychology provides the basis for a sophisticated form of ethical naturalism in which virtually all the hard doctrines of the ancient Stoics can be clearly restated and defended Becker argues in keeping with the ancients that virtue is one thing not many that it and not happiness is the proper end of all activity that it alone is good all other things being merely rank ordered relative to each other for the sake of the good and that virtue is sufficient for happiness Moreover he rejects the popular caricature of the stoic as a grave figure emotionally detached and capable mainly of endurance resignation and coping with pain To the contrary he holds that while stoic sages are able to

endure the extremes of human suffering they do not have to sacrifice joy to have that ability and he seeks to turn our attention from the familiar therapeutic part of stoic moral training to a reconsideration of its theoretical foundations **The Year's Work in Classical Studies** ,1913 **The Year's Work in Classical Studies ...** Classical Association (Great Britain),1913 **The Oxford Handbook of the History of Ethics** Roger Crisp,2013-01-31 This original and comprehensive volume explores the history of philosophical ethics in the western tradition from Homer until the present day Leading experts in the field use their expertise and specialist knowledge to illuminate key subjects and ideas in contemporary ethics and survey the history of the discipline **Later Stoicism 155 BC to AD 200** Brad Inwood,2022-05-19 The most comprehensive collection of passages from later Stoic thinkers providing fresh translations and up to date commentary

This is likewise one of the factors by obtaining the soft documents of this **Stoic Studies** by online. You might not require more period to spend to go to the book start as capably as search for them. In some cases, you likewise attain not discover the broadcast Stoic Studies that you are looking for. It will agreed squander the time.

However below, gone you visit this web page, it will be appropriately entirely simple to acquire as without difficulty as download lead Stoic Studies

It will not endure many grow old as we accustom before. You can reach it even if pretense something else at home and even in your workplace. thus easy! So, are you question? Just exercise just what we have enough money below as with ease as evaluation **Stoic Studies** what you afterward to read!

Stoic Studies Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Stoic Studies free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Stoic Studies free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to

filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Stoic Studies free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Stoic Studies. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Stoic Studies any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Stoic Studies Books

1. Where can I buy Stoic Studies books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Stoic Studies book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Stoic Studies books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Stoic Studies audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
