

# The Stoics on Ambiguity

R. BLAIR EDLOW

IN SPITE OF A REVIVAL of interest in the Stoic theory of language and logic that followed the publication of Benson Mates' *Stoic Logic*,<sup>1</sup> there has been no systematic study devoted to the ancient Stoic teaching on ambiguity (*ἀσπελόλια*). One major obstacle has been the scarcity of testimony in the extant tradition. Another has been textual corruption of the most informative doxographical account<sup>2</sup> of the early Stoic (or Chrysippean) theory.<sup>3</sup> This last problem is overcome, however, by a long neglected 1903 dissertation<sup>4</sup> containing an edition of Galen's *De Captionibus*, which includes this significant account.

Much of my interpretation of the Stoic doctrine will be speculative. The documents that would provide a foundation for a more detailed study have not survived. Nevertheless, my hope is that by making this doctrine (based on present evidence) accessible to historians of philosophy and philosophers of language, some further ground may be gained in determining the nature of this Stoic teaching.

The philosopher may be interested in studying ambiguity on both theoretical and practical grounds. On the one hand, theoretical reflection on ambiguity attempts to systematize and explain for its own sake this pervasive feature of language. Such work on ambiguity is justified simply by the increase in knowledge and insight it yields. On the other hand, there is considerable practical value in reflecting on the notion of ambiguity. It may aid the philosopher not only to recognize and avoid its occurrence in his own reasoning, but also to detect ambiguity in the discourse of others. Ambiguity, of course, is a main cause of argument invalidity.<sup>5</sup>

<sup>1</sup> Earlier in the century, Jan Łukasiewicz explored the Stoic theory of propositional logic in "Philosophische Bemerkungen zu mehrwertigen Systemen des Aussagenkalküls," in *Comptes Rendus des Séances de la Société des Sciences et des Lettres de Varsovie*, XXIII (1930), Classe III, 51-77.

<sup>2</sup> This text is most accessible to scholars as fragment 153 in H. von Arnim, ed., *Stoicorum Veterum Fragmenta* (Stuttgart: Teubner, 1964), II, 43-46 (hereafter SVF). Von Arnim's text is based on the C. O. Kühn edition of *De Captionibus penes Dictionem*, in Galen, *Opera Omnia*, XIV (Leipzig, 1827), 582-598.

<sup>3</sup> It is assumed here that the Stoic doctrine is wholly or at least primarily that of Chrysippus (c. 280-207 B.C.), who is reputed to have written seven treatises (in seventeen books) on the subject of ambiguity (*ἀσπελόλια*). For the list of titles, see SVF II, #14 (which is the same as Diogenes Laertius, *Vita Philosophorum* 7, 193). Von Arnim suggests that the entire discussion of the Stoic teaching that appears in Galen's *De Captionibus* is probably drawn from Chrysippus' "σπελ ἀσπελόλιον" (SVF II, 46n.).

<sup>4</sup> Carl Gahlor, ed., *Libellus de Captionibus quae per Dictionem Fiunt* (Rostock, 1903). I am indebted to Professor Philip DeLacy of the University of Pennsylvania who drew my attention to this work. William and Martha Kneale cursorily discuss *De Captionibus* as a "little tract on fallacies" in *The Development of Logic* (Oxford: Clarendon Press, 1962), p. 182; and C. I. Hamblin in *Fallacies*, University Paperbacks (London: Methuen, 1972), p. 98, in a footnote, without argument questions the status of *De Captionibus* as a genuine work of Galen.

<sup>5</sup> A famous example of a fallacy arising from ambiguity appears in J. S. Mill, *Utilitarianism*, ed. by O. Fiest, 2nd rev. ed. (New York: Library of Liberal Arts Press, 1957), p. 44: "The only

## **Stoics On Ambiguity:**

The Stoics on Ambiguity Catherine Atherton,1993-10-21 Examines Stoic work on ambiguity *The Stoics on Ambiguity* C. Atherton,University of Cambridge,1986 *Deleuze, A Stoic* Ryan J. Johnson,2020-03-02 Ryan Johnson reveals that Deleuze s provocative reading of ancient Stoicism produced many of his most singular and powerful ideas Including previously untranslated French Stoic scholarship Johnson unearths new possibilities for bridging contemporary and ancient philosophy **The Socratic Method** Rebecca Bensen Cain,2007-04-26 Explains how Plato s Socrates uses fallacy irony ambiguity and other rhetorical strategies to advance the Greek maxim to know thyself as a means of caring for the soul

The Unity of Stoic Metaphysics Vanessa de Harven,2024-11-26 The Unity of Stoic Metaphysics argues that the Stoics were sophisticated metaphysical thinkers responding to Plato s Sophist and forging a bold new path between materialism and idealism with a one world metaphysics best characterized as non reductive physicalism The book is divided into five sections Section I Something develops the suggestion that the Stoics arrived at the genus Something and their two ontological criteria for being Something by careful reflection on Plato s Sophist finding new depth to Plato s challenges as well as to the Stoic response Section II Bodies offers an account of Stoic corporealism that takes us from the ontology of what exists to the metaphysics of body explaining how body can be the fundamental grounds of the cosmos and how qualities can be corporeal Section III Incorporeals takes us beyond corporealism to physicalism It argues that the Stoic incorporeals space time and the lekta or sayables are all dependent on body for their subsistence inheriting their spatial temporal and semantic properties from underlying body without being nothing but the body Section IV Neither Corporeal nor Incorporeal argues in support of a tripartite ontology that includes a third class of entities that are neither corporeal nor incorporeal limits of the continuum geometrical limits and creatures of fiction Section V Everything returns to the Stoic ontology arguing that concepts are not Something thus no reason remains to posit a further class of entities Not Somethings outina in metaphysical limbo between Something and nothing at all The genus Something is complete and comprehensive as it stands Everything is Something **The Cambridge Companion to the Stoics** Brad Inwood,2003-05-05 This unique volume offers an odyssey through the ideas of the Stoics in three particular ways first through the historical trajectory of the school itself and its influence second through the recovery of the history of Stoic thought third through the ongoing confrontation with Stoicism showing how it refines philosophical traditions challenges the imagination and ultimately defines the kind of life one chooses to lead A distinguished roster of specialists have written an authoritative guide to the entire philosophical tradition The first two chapters chart the history of the school in the ancient world and are followed by chapters on the core themes of the Stoic system epistemology logic natural philosophy theology determinism and metaphysics There are two chapters on what might be thought of as the heart and soul of the Stoics system ethics Revelation and Concealment of Christ Saeed Hamid-Khani,2021-03-16 The elusive disposition of John s language has been noted by biblical scholars throughout the

history of New Testament studies The Fourth Gospel is seen as so simple to grasp and yet often pointing beyond itself and beckoning the reader to read deeper Various socio linguistic studies have explained this feature as the reflection of the sectarian tendencies in the Johannine Christianity In his study Saeed Hamid Khani questions these approaches as inadequate In turn he examines John s language within an exegetical and theological framework He argues that the Sitz im Leben of Johannine language was an environment in which the Hebrew Scriptures were the dominant conceptual force for both the Jews and the Christians In this context he argues that the essential function of John s enigmatic language is wedded to the Evangelist s purpose in writing the Gospel namely a steadfast focus upon setting forth that Jesus is the Christ according to the witness of Israel s Scriptures It is here in these echoes and thematic allusions to the Scriptures that we find the answer to the function and significance of John s unique language i e Jesus is the Messiah the Saviour of the world and he is the visible image of the invisible God the embodiment of the self revelation of God according to the Scriptures However these truths are concealed from the undiscerning and are only revealed by the spirit of God to those who are born of God

Commentators and Commentaries on Aristotle's Sophistici Elenchi Sten Ebbesen,1981      **Commentators and commentaries on Aristotle's Sophistici Elenchi** Ebbesen,2023-03-27 The print edition is available as a set of two volumes 9789004064225      *The Corinthian Dissenters and the Stoics* Albert V. Garcilazo,2007 This book focuses on the controversy recorded in 1 Corinthians 15 regarding the denial of the resurrection of the dead Many attempts and proposals have been made to understand the background of Paul s opponents By focusing on the possible impact of Stoicism Albert V Garcilazo argues that the internal evidence of the letter indicates that some of the Corinthians had adopted a realized eschatology as well as an antisomatic view of the resurrection which in turn prompted them to reject the future resurrection of the dead Garcilazo suggests that the higher status members of the congregation were influenced by the cosmological anthropological and ethical teachings of the Stoa especially the tenets of the Roman Stoics He demonstrates this possibility by first considering the similarities between the doctrines of the Corinthian dissenters and the teachings of the Stoic philosophers particularly the teachings of Seneca Following a brief overview of Stoicism the author concentrates on some of the theological issues revealed in the letter and examines how other scholars have interpreted 1 Corinthians 15 Finally he provides a detailed analysis of 1 Corinthians 15 12-49 In short Garcilazo argues that the philosophy of the Stoics seemingly contributed to the resurrection controversy recorded in 1 Corinthians 15      **Proletarian Imagination** Mark D. Steinberg,2018-05-31 In fin de si cle and early revolutionary Russia a group of self educated workers produced a large body of poetry and prose in which they attempted to comprehend their rapidly changing world Witnesses to wars and revolution these men and women grappled on paper with the nature of civilization and the imperatives of ethical truth In a strikingly original approach to Russian culture Mark D Steinberg listens to their words which are little known today The results of their literary creativity he finds were frequently not what the new Soviet order was expecting from its workers despite its

celebration of the notion of a proletarian art Through insightful readings of a vast fund of lower class writings Steinberg shows that the authors focused above all on the uncertain nature and place of the self the promise and dangers of modernity and the qualities of the sacred in both their lives and their imaginations Like their counterparts in the intelligentsia these worker writers were ambivalent about Marxist ideology s celebration of the city and the factory and even about modern progress itself Drawing on vast research Steinberg demonstrates the texts significance for an understanding of Russian popular mentalities indeed for the very meaning philosophically and morally of these years of crisis and possibility at the end of the old order and the early years of the Soviet regime *The Silent Masters* Peter Godman,2012-01-06 In the tension between competing ideas of authority and the urge to literary experiment writers of the High Middle Ages produced some of their most distinctive achievements This book examines these themes in the high culture of Western Europe during the eleventh and twelfth centuries showing how the intimate links between the writer and the censor the inquisitor and the intellectual developed from metaphors at the beginning of the period to institutions at its end All Latin texts from Peter Abelard to Bernard of Clairvaux from the Archpoet to John of Salisbury and Alan of Lille are translated into English and discussed both in terms of their literary qualities and in relation to the cultural history of the High Middle Ages Not a proto Renaissance but part of a continuity that reached into the Reformation the eleventh and twelfth centuries witnessed a transformation of the writer s role With a combination of literary philological and historical methods Peter Godman sets the work of major intellectuals during this period in a new light **Jewish Paideia** Jason Zurawski,2023 Jewish Paideia examines the diverse and complex views on education in the Hellenistic and early Roman Diaspora and how these understandings of education were inextricably bound to continually evolving constructions and reshapings of self and communal identity Metaphysics, Soul, and Ethics in Ancient Thought Ricardo Salles,2005-02-03 Leading figures in ancient philosophy present new essays on themes from the work of Richard Sorabji paying tribute to his great achievements and leading his ideas in fresh directions Sorabji himself contributes to the volume with a fascinating intellectual autobiography Contributors Sylvia Berryman Marcelo D Boeri Robert Bolton Sarah Broadie Myles Burnyeat Gabriela Roxana Carone V Caston Christopher Gill Frans A J de Haas Brad Inwood Charles H Kahn A A Long Mary Margaret McCabe Alexander P D Mourelatos A W Price Ricardo Salles David Sedley Bob Sharples Richard Sorabji **Birth of the Symbol** Peter T. Struck,2009-02-09 A rich and fascinating account of how symbolism and allegorical reading developed over the course of classical antiquity Literary Imagination Nearly all of us have studied poetry and been taught to look for the symbolic as well as literal meaning of the text Is this the way the ancients saw poetry In Birth of the Symbol Peter Struck explores the ancient Greek literary critics and theorists who invented the idea of the poetic symbol The book notes that Aristotle and his followers did not discuss the use of poetic symbolism Rather a different group of Greek thinkers the allegorists were the first to develop the notion Struck extensively revisits the work of the great allegorists which has been

underappreciated He links their interest in symbolism to the importance of divination and magic in ancient times and he demonstrates how important symbolism became when they thought about religion and philosophy They see the whole of great poetic language as deeply figurative he writes with the potential always even in the most mundane details to be freighted with hidden messages Birth of the Symbol offers a new understanding of the role of poetry in the life of ideas in ancient Greece Moreover it demonstrates a connection between the way we understand poetry and the way it was understood by important thinkers in ancient times This book offers a remarkably comprehensive study of ancient symbolic interpretation from the Pre Socratics to the later Neoplatonists and beyond Classical World A challenging yet rewarding journey through a millennium of texts thoughts and interpretations Walter Burkert author of Creation of the Sacred and Greek Religion

**Oxford Studies in Ancient Philosophy** David Sedley, 1999-09-15 Oxford Studies in Ancient Philosophy is an annual volume of original articles on all aspects of ancient philosophy Aristotle and the Stoics are particularly prominent in this volume

*The Hellenistic Philosophers: Volume 2, Greek and Latin Texts with Notes and Bibliography* A. A. Long, D. N. Sedley, 1987 Presents the same texts with additional passages as Volume 1 Includes detailed notes on the more difficult texts and a large annotated bibliography

Anthony Vidler Susan Wolfson Robert J C Young and many more Contains extensive cross references and bibliographies An invaluable resource for students and scholars across the humanities *Language and Learning* Dorothea Frede,Brad Inwood,2005-06-23 The philosophers and scholars of the Hellenistic world laid the foundations upon which the Western tradition based analytical grammar linguistics philosophy of language and other disciplines probing the nature and origin of human communication Building on the pioneering work of Plato and Aristotle these thinkers developed a wide range of theories about the nature and origin of language which reflected broader philosophical commitments In this collection of nine essays a team of distinguished scholars examines the philosophies of language developed by among others Plato Aristotle Epicurus the Stoics and Lucretius They probe the early thinkers philosophical adequacy and their impact on later theorists With discussions ranging from the Stoics on the origin of language to the theories of language in the twelfth and thirteenth centuries the collection will be of interest to students of philosophy and of language in the classical period and beyond

**Feeling History** Francesca D'Alessandro Behr,2007 Feeling History is a study of apostrophe i e the rhetorical device in which the narrator talks directly to his characters in Lucan s *Bellum Civile* Through the narrator s direct addresses irony and grotesque imagery Lucan appears not as a nihilist but as a character deeply concerned about ethics The purpose of this book is to demonstrate how Lucan s style represents a criticism of the Roman approach to history epic ethics and aesthetics The book s chief interest lies in the ethical and moral stance that the poet narrator takes toward his characters and his audience To this end Francesca D Alessandro Behr studies the ways in which the narrator communicates ethical and moral judgments Lucan s retelling of this central historical epic triggers in the mind of the reader questions about the validity of the Roman imperial project as a whole An analysis of selected apostrophes from the *Bellum Civile* allows us to confront issues that are behind Lucan s disquieting imagery how can we square the poet s Stoic perspectives with his poetically conveyed emotional urgency Lucan s approach seems inspired by Aristotle especially his *Poetics* as much as by Stoic philosophy In Lucan s aesthetic project participation and alienation work as phases through which the narrator leads the reader to a desired understanding of his work of art At the same time the reader is confronted with the ends and limits of the aesthetic enterprise in general Lucan s long acknowledged political engagement must therefore be connected to his philosophical and aesthetic stance In the same way that Lucan is unable to break free from the Virgilian model neither can he develop a defense of morality outside of the Stoic mold His philosophy is not a crystal ball to read the future or a numbing drug imposing acceptance The philosophical vision that Lucan finds intellectually and aesthetically compelling does not insulate his characters and readers from suffering nor does it excuse them from wrongdoing Rather it obligates them to confront the responsibilities and limits of acting morally in a chaotic world

## **Stoics On Ambiguity** Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the energy of words has be more evident than ever. They have the capacity to inspire, provoke, and ignite change. Such could be the essence of the book **Stoics On Ambiguity**, a literary masterpiece that delves deep to the significance of words and their affect our lives. Compiled by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book is key themes, examine its writing style, and analyze its overall impact on readers.

### **Stoics On Ambiguity Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Stoics On Ambiguity has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Stoics On Ambiguity has opened up a world of possibilities. Downloading Stoics On Ambiguity provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Stoics On Ambiguity has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Stoics On Ambiguity. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Stoics On Ambiguity. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Stoics On Ambiguity, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Stoics On Ambiguity has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers.

worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Stoics On Ambiguity Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Stoics On Ambiguity is one of the best book in our library for free trial. We provide copy of Stoics On Ambiguity in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Stoics On Ambiguity. Where to download Stoics On Ambiguity online for free? Are you looking for Stoics On Ambiguity PDF? This is definitely going to save you time and cash in something you should think about.
