**The Emotional Politics of Racism** Paula Ioanide, 2015-05-20 With stop and frisk laws new immigration policies and cuts to social welfare programs majorities in the United States have increasingly supported intensified forms of punishment and marginalization against Black Latino Arab and Muslim people in the United States even as a majority of citizens claim to support colorblindness and racial equality With this book Paula Ioanide examines how emotion has prominently figured into these contemporary expressions of racial discrimination and violence How U S publics dominantly feel about crime terrorism welfare and immigration often seems to trump whatever facts and evidence say about these politicized matters Though four case studies the police brutality case of Abner Louima the exposure of torture at Abu Ghraib the demolition of New Orleans public housing units following Hurricane Katrina and a proposed municipal ordinance to deny housing to undocumented immigrants in Escondido CA Ioanide shows how racial fears are perpetuated and how these widespread fears have played a central role in justifying the expansion of our military and prison system and the ongoing divestment from social welfare But Ioanide also argues that within each of these cases there is opportunity for new mobilizations for ethical witnessing we must also popularize desires for justice and increase people s receptivity to the testimonies of the oppressed by reorganizing embodied and unconscious structures of feeling

**Witnessing Australian Stories** Kelly Jean Butler, 2017-07-28 This book is about how Australians have responded to stories about suffering and injustice in Australia presented in a range of public media including literature history films and television Those who have responded are both ordinary and prominent Australians politicians writers and scholars All have sought to come to terms with Australia s history by responding empathetically to stories of its marginalized citizens Drawing upon international scholarship on collective memory public history testimony and witnessing this book represents a cultural history of contemporary Australia It examines the forms of witnessing that dominated Australian public culture at the turn of the millennium Since the late 1980s witnessing has developed in Australia in response to the increasingly audible voices of indigenous peoples migrants and more recently asylum seekers As these voices became public they posed a challenge not only to scholars and politicians but also most importantly to ordinary citizens When former Prime Minister Kevin Rudd delivered his historic apology to Australia s indigenous peoples in February 2008 he performed an act of collective witnessing that affirmed the testimony and experiences of Aboriginal Australians The phenomenon of witnessing became crucial not only to the recognition and reparation of past injustices but to efforts to create a more cosmopolitan Australia in the present This is a vital addition to Transaction s critically acclaimed Memory and Narrative series

**Imperial Emotions** Jane Lydon, 2020 Examines the politicisation of empathy across the British empire during the nineteenth century and traces its legacies into the present

**Stolen Childhoods** Shari Botwin, 2024-05-07 Demonstrates that reclaiming life in adulthood is possible for survivors of childhood abuse Stolen Childhoods Thriving After Abuse focuses on how survivors of childhood abuse can finally break their

silence and begin the process of recovery by understanding the impact their abuse history has on their adulthood Filled with real life client conversations along with her own experiences as a patient this work helps readers stop reliving past abuse and thrive in their recovery It demonstrates the tremendous hope that can come from having a witness and feeling heard and believed Throughout the book the reader witnesses how adult survivors of childhood abuse can use relationships with therapists partners or supportive family members to combat their feelings of shame and guilt Botwin walks readers through ways survivors can develop trust with others and move through emotions of fear and grief She offers examples of learning how to manage traumatic responses in situations that trigger flashbacks feelings of unsafety or fears of being unprotected Offering actionable steps to healing throughout Botwin helps readers on their journeys to reclaiming their right to live safe happy full lives

**Women in Polish Cinema** Ewa Mazierska,Elzbieta Ostrowska,2006-03-01 Polish film has long enjoyed an outstanding reputation but its best known protagonists tend to be male This book points to the important role of women as key characters in Polish films such as the enduring female figure in Polish culture the Polish Mother female

characters in socialist realistic cinema women depicted in the films of the Polish School Solidarity heroines and women in the films from the postcommunist period Not less important for the success of Polish cinema are Polish women filmmakers four of whom are presented in this volume Wanda Jakubowska Agnieszka Holland Barbara Sass and Dorota K dzierzawska whose work is examined Are You Okay? Pete Wallis,2010 *Are You Okay* deals with these issues that many adults may face when trying to help a young person in their care in the aftermath of a crime It provides detailed information on the different types of crime from assault and hate crime to cyberbullying and sexual abuse and explores how they may affect the young person in different ways **Stolen Pride** Arlie Russell Hochschild,2024-09-10 In her first book since the widely acclaimed *Strangers in Their Own Land* National Book Award finalist and bestselling author Arlie Russell Hochschild now ventures to Appalachia uncovering the pride paradox that has given the right s appeals such resonance For all the attempts to understand the state of American politics and the blue red divide we ve ignored what economic and cultural loss can do to pride What happens Arlie Russell Hochschild asks when a proud people in a hard hit region suffer the deep loss of pride and are confronted with a powerful political appeal that makes it feel stolen Hochschild s research drew her to Pikeville Kentucky in the heart of Appalachia within the whitest and second poorest congressional district in the nation where the city was reeling coal jobs had left crushing poverty persisted and a deadly drug crisis struck the region Although Pikeville was in the political center thirty years ago by 2016 80 percent of the district s population voted for Donald Trump Her brilliant exploration of the town s response to a white nationalist march in 2017 a rehearsal for the deadly Unite the Right march that would soon take place in Charlottesville Virginia takes us deep inside a torn and suffering community Hochschild focuses on a group swept up in the shifting political landscape blue collar men In small churches hillside hollers roadside diners trailer parks and Narcotics Anonymous meetings Hochschild introduces us to unforgettable people and offers an original lens through which to see them and the wider world In *Stolen Pride* Hochschild incisively explores our dangerous times even as she also points a way forward A piercing impressive and nuanced assessment of a critical factor in American politics Publishers Weekly starred review Extending the National Stolen Property Act to Confiscated Property United States. Congress. House. Committee on the Judiciary,1939 *Looking for Lost* Randy Laist,2014-01-10 *Lost* has received widespread acclaim as one of the most innovative intelligent and influential dramatic series in television history Central to *Lost* s success has been its capacity to evoke audience interpretations of its mysteries undiminished even with the series definitive conclusion This collection of fifteen essays by critics academics and philosophers examines the complete series from a diverse but interconnected array of perspectives Complementary and occasionally conflicting interpretations of the show s major themes are presented including the role of time fate and determinism masculinity parenthood and the threat of environmental apocalypse You Make the Difference United States. Department of Labor. Manpower Administration,1972 The Lost Matriarch Jerry Rabow,2014-09-01 *The Lost Matriarch* offers a unique response to the sparse and puzzling

biblical treatment of the matriarch Leah Although Leah is a major figure in the book of Genesis the biblical text allows her only a single word of physical description and two lines of direct dialogue The Bible tells us little about the effects of her lifelong struggles in an apparently loveless marriage to Jacob the husband she shares with three other wives including her beautiful younger sister Rachel Fortunately two thousand years of traditional and modern commentators have produced many fascinating interpretations midrash that reveal the far richer story of Leah hidden within the text Through Jerry Rabow's weaving of biblical text and midrash readers learn the lessons of the remarkable Leah who triumphed over adversity and hardship by living a life of moral heroism The Lost Matriarch reveals Leah's full story and invites readers into the delightful provocative world of creative rabbinic and literary commentary By experiencing these midrashic insights and techniques for reading between the lines readers are introduced to what for many will be an exciting new method of personal Bible interpretation
