 Humanity politics religion trauma Is this child accused of murder really the one plagued with obsession and control Susan  
 and Adrianna will discover the truth and motivation behind this murder      **Fireside Papers** Frederic Rowland Marvin,1915  
 These Fireside Papers are all the flying years have left me of many happy hours In them linger the thoughts hopes and  
 remembrances of evenings gladdened by the sweet fellowship of friends that age not with the failing strength of those who  
 have loved them and who will always love them The ancients called all good books a Treasury of Remedies for the Mind but  
 they are more than that for in them gather what is best in every age and land The philosophers poets and teachers of all time  
 are with us still When they were on earth as we are at the present moment they were called living men and women and now  
 that we see them no more with the natural eye we think of them as dead Nevertheless they are not dead but live and breathe  
 and have their being in many books of priceless value      Bumps on a Log Susan L. McElaney,2016-07-21 When Grammie  
 comes to babysit on a beautiful spring day shes in for a big disappointment No matter what she does to entice Karis Brynn  
 and Grady Wayne to play with her her two grandchildren refuse to participate They wont even change out of their pajamas  
 They just want to sit around like two bumps on a log They refuse to get dressed They refuse to silly dance They refuse to sing  
 They even refuse to go outside with Grammie to enjoy the beautiful glorious gorgeous spring day She has never seen her two  
 darling grandchildren behave like this before and shes not going to stand for itnot for another minute Luckily grandmothers  
 are very resourceful Youll be surprised to find out what happens when Grammie tells her darling grandchildren that they are  
 nothing but bumps on a log Youll be even more amazed to see what Karis Brynn and Grady Wayne do when Grammie turns  
 the tables and becomes the biggest bump on a log of all Will she shake them out of their blues or will the beautiful day be  
 ruined      The Devil's Crown Gary Towner,2012-09-01 Johnny Walker is asked by an old friend Karl Baumstark to come  
 rescue him from marauding rebels that have taken him and his granddaughter Heather hostage The rebel leader has learned  
 the archeological dig Baumstark was working on just might harbor a biblical relic a tiara called the Devil s Crown Legend has  
 it that the wearer will gain supernatural powers endowed by the devil himself With plans of universal domination the lizard  
 eyed Basil Crump believes Walker is the only hope he has of making Baumstark tell where to look for the find but he harbors  
 an unyielding grudge against Walker that makes him as dangerous as nitroglycerin left out in the sun When Walker arrives  
 on the scene he soon finds out Crump is the least of his problems Baumstark s flirtatious granddaughter is smitten with him  
 Walker must keep reminding himself she is only sixteen years old Worse yet when he finds the accursed Crown inside a cave  
 Walker is unable to resist trying it out Instantly he loses all self control and he tries to force Heather to submit to the  
 unthinkable Heather nearly brains Walker attempting to escape She later fears she killed him So ends Walker s last

Wilson, Paul Schlueter, June Schlueter, 2013-12-16. A valuable survey and reference resource. It is hard to imagine a more needed and more useful literary reference work than this one, which gives students and readers quick access to the lives and work of a wide range of notable female writers from England and the Continent, from Aphra Behn to Emily Brontë, from Simone de Beauvoir to Isak Dinesen, from Bridget of Sweden to Hannah Arendt. Writers in more than 30 languages are included: French, Czech, Greek, Italian, Swedish, Spanish, German, Russian, Portuguese, Serbian, Catalan, Arabic, Hebrew, Dutch, Bulgarian, Croatian, Slovak, and more. Covers 1,500 years and all major genres. Going back 15 centuries, the Encyclopedia covers the authors of novels, short stories, poetry, plays, criticism, social commentary, feminist manifestos, romances, mysteries, memoirs, children's literature, biography, and other genres. In signed entries, some of which are mini-essays, experts in the field examine writers' lives and achievements, comment on individual works, place artistic efforts in historical context, provide insights and analyses, and present more information than can be easily found elsewhere without undertaking more exhaustive research. Each entry is followed by a bibliography of primary works. Indexed by language, nationality, genre, and century. Spotlights the interesting lives of notable writers. In these pages, students and readers will meet hundreds of interesting women writers who made lasting contributions to the intellectual and popular culture of their countries, while often leading fascinating lives. Among them: AGATHA CHRISTIE, who wrote her first book in response to her sister's demand for a detective story that was harder to solve than the popular fiction of her day, and whose work has been translated in more languages than Shakespeare's; HILDEGARD VON BINGEN, the 12th-century German mystic who wrote profusely as a prophet, a poet, a dramatist, a physician, and a political moralist, often communicated with popes and princes, and exerted a tremendous influence on the Western Europe of her time; MARY WOLLSTONECRAFT SHELLEY, whose 1818 masterpiece *Frankenstein, or The Modern Prometheus* became a literary sensation around the world; ILSE BLUMENTHAL WEISS, one of the few concentration camp survivors to memorialize the victims of the Holocaust in German verse; LINA WERTMULLER, who, in addition to her work in films, has written plays for the stage and a novel, and who once was a member of a short-lived puppet theater that staged the works of Kafka. Special features: Ideal for quick reference and student research. Multicultural covers over 30 languages and 15 centuries. Includes many contemporary writers. Provides essential biographic data on each writer. Each entry is followed by a chronological listing of the writer's published book-length works. Offers critical evaluations of major works.
