A Steep Climb J.M. Joseph,2015-12-22 This book shares the battles that a war torn veteran fought in order to regain his sanity and the life of his soul while in search of his higher power Little did he realize that his childhood friend was also going through the same struggles in life but in a different dimension that of the spiritual *The Blessed and The Damned* Ed Rhymer,2007 Surrounded by violence prostitution and alcoholic abuse the family s options were very limited The author explains their experiences with a philosophical view How he and his brothers faced their circumstances and their efforts in finding ways to get by With occasional concerns of others and the One upstairs they managed to survive and avoid becoming victims of the unfavorable influences that were all around them You will often hear of individual hardship situations Poverty and hunger mistreatment and abuse are evident in all walks of life The author makes the experiences of his family vivid to even the most unbelieving reader Battered by continual family hostilities from a father guilty of rampant sexual appetites and alcoholic abuse to a mother who sought any means to provide for the family in the early years they were ultimately abandoned by their parents Where No Fear Was: A Book About Fear Arthur Christopher Benson,2021-05-19 In Where No Fear Was A Book About Fear Arthur Christopher Benson delves deeply into the multifaceted nature of fear exploring its psychological emotional and societal implications Written in a reflective and accessible prose the book combines elements of personal anecdote philosophical inquiry and psychological analysis creating a rich tapestry that invites readers to confront their own fears Benson contextualizes fear within the broader framework of human experience drawing on historical and cultural references that illustrate its pervasive influence across time and place His exploration raises critical questions about the roots of fear its manifestations and the possibility of transcending it Arthur Christopher Benson a British author and essayist was not only a prominent figure in the literary world but also a deeply introspective thinker As a member of the Benson family known for their contributions to English literature Christopher was influenced by the intellectual environment of his upbringing His interests in psychology and spirituality coupled with his personal experiences of anxiety propelled him to write this insightful work aiming to offer both understanding and solace to those grappling with fear This book is highly recommended for readers who seek a deeper understanding of their own anxieties and the emotional landscapes of others Benson s nuanced approach provides valuable insights that resonate with both the individual and the collective human experience making it an essential read for anyone looking to confront and conquer their fears God the Worker Robert Banks,2008-12-24 Here is an invitation to embark on a journey of discovery that marshals our imagination and emotions our intellect and will God the Worker seeks to answer the ultimate questions What is God really like Can we know God intimately Where do we fit into the overall scheme of things In his quest for answers Robert Banks opens up the world of the Bible and everyday life as he explores dynamic images of God at work as composer and performer as metalworker and potter as

garmentmaker and dresser as gardener and orchardist as farmer and winemaker as shepherd and pastoralist as tentmaker and camper as builder and architect He shows how through the language and idea of work the divine hand is revealed This book offers us the opportunity to encounter God in a way that is mind expanding life changing work transforming taking us to the very edges of human understanding The author sees the Bible as a guidebook and source of insight that is completely fresh but paradoxically as old as the book itself

Held by God Lori Phillips, Lynn Willers, 2015-10-30 How can we find hope that carries us through the difficulties in life At some point all of us face times of hardship suffering and despair that can turn our lives upside down and break our hearts wide open During these trials we may feel alone overwhelmed by circumstances and afraid that God has abandoned us In the fog of adversity we hold our broken hearts in our hands and cry out to God Why How could you let this happen Where were you Catastrophe can shake the stability of our world leaving us to wonder about Gods love for us and raising even more questions Why am I suffering Will this trial ever end How will I get through this Does God even see me In *Held by God* the authors share their own struggle with these questions as the family travels an uncertain road through three serious medical challenges catamenial pneumothorax renal artery stenosis and cancer Written in a conversational style that weaves Biblical truths throughout the narrative the book intertwines the authors story with the accounts of Job Paul and King David among others to provide unique examples of Gods unchanging character Understanding Gods faithfulness and recognizing his provision allows us to find rest during times of turmoil and gives us a hope that endures

Called to War Art Hobba, 2010-04-15 The Christian radio talk show host asked the well known women s ministry leader the question So what do you think about the statement that men in the church have been feminized Her immediate response was I totally disagree Men in American have not been feminized at all they have been emasculated Men don t feel a need to be more like women they just have lost their identity as men This book begins with the true story told by a washed up minister whom God forgave healed restored and reenlisted in his service The real story lies however how a few men discontented with the detachment of men in their church and inspired by the Holy Spirit discovered a pathway to re engagement as God s man in this hour or maybe real engagement for the very first time Many of you who chose to read this book may have suffered through some potentially debilitating failures We have much in common my friend In fact I have learned to not trust a man until he has shown me his scars Welcome to Warrior Boot Camp The reader will take a journey through a season of breaking down and shredding of the things of this world that have insidiously crept like tendrils into our hearts and minds We will then explore the practical military view including strategies and tactics that is pervasive throughout scripture regarding our calling to engage and win the spiritual war against our three foes The world system The carnal human nature The demonic spiritual realm led by Satan The second half of the book builds up the reader with the understanding of how to dress for success in the Kingdom by putting on and effectively fighting in God s armor Ephesians 6 Warriors must be expert in weaponry and the invisible war of the Spirit is not the exception but the rule The real hero of this

Warrior saga is Gideon Judges 6-8 We will get into his shoes as he hides in the wine press and then into his head and finally his heart as he is transformed from fearful farmer to mighty warrior Together we will explore the common threads of manhood as lived out by the greatest warrior in Israel's history Called to War will most assuredly be compared with Wild at Heart and Raising a Modern Day Knight Art Hobbs's resourcefulness takes new ground earning inclusion in this unique fellowship of unabashed Servant Warriors Men of God saddle up you have been Called to War
