The Monsters Know What They're Doing Keith Ammann, 2019-10-29 From the creator of the popular blog The Monsters Know What They're Doing comes a compilation of villainous battle plans for Dungeons & Dragons. In the course of a Dungeons & Dragons game a Dungeon Master has to make one decision after another in response to player behavior and the better the players the more unpredictable their behavior. It's easy for even an experienced DM to get bogged down in on-the-spot decision making or to let combat devolve into a boring slugfest with enemies running directly at the player characters and biting, bashing and slashing away. In The Monsters Know What They're Doing Keith Ammann lightens the DM's burden by helping you understand your monsters' abilities and develop battle plans before your fifth edition D & D game session begins. Just as soldiers don't whip out their field manuals for the first time when they're already under fire a DM shouldn't wait until the PCs have just encountered a dozen bullywugs to figure out how they advance, fight and retreat. Easy to read and apply, The Monsters Know What They're Doing is essential reading for every DM. *Stone; an Illustrated Magazine*, 1899

Inspired by these wondrous tales, Anthony Wonderley explores their significance to Iroquois and Algonquian religions and worldviews. Mostly recorded around 1900, these oral narratives preserve the voice and something of the outlook of autochthonous Americans from a bygone age when storytelling was an important facet of daily life. Grouping the stories around shared themes and motifs, Wonderley analyzes topics ranging from cannibal giants to cultural heroes and from legends of local places to myths of human origin. Approached comparatively and historically, these stories can enrich our understanding of archaeological remains, ethnic boundaries and past cultural interchanges among Iroquois and Algonquian peoples. I Want to Be an Exclusive King Fang Fan, 2020-06-09 Jiuquan Town was located to the north of the Great Wu Dynasty, less than a hundred miles away from the capital. It was bustling with life.
