**The Stone Harp** John Haines, 1971-01-01      **Placing John Haines** James Perrin Warren, 2017-02-15 John Haines arrived in Alaska fresh out of the Navy in 1947 and established a homestead seventy miles southeast of Fairbanks. He stayed there nearly twenty-five years, learning to live off the country hunting, trapping, fishing, gathering berries, and growing vegetables. Those years formed him as a writer, the interior of Alaska and especially its boreal forest marking his poetry and prose, and helping him find his unique voice. **Placing John Haines**, the first book-length study of his work, tells the story of those years but also of his later itinerant life as his success as a writer led him to hold fellowships and teach at universities across the country. James Perrin Warren draws out the contradictions inherent in that biography: that this poet so indelibly associated with place and authentic belonging spent decades in motion and also sets Haines's work in the context of contemporaries like Robert Bly, Donald Hall, and his close friend Wendell Berry. The resulting portrait shows us a poet who was regularly reinventing himself and thereby generating creative tension that fueled his unforgettable work. A major study of a sadly neglected master, **Placing John Haines** puts his achievement in compelling context.

**The Oxford Companion to Modern Poetry in English** Jeremy Noel-Tod, Ian Hamilton, 2013-05-23 This impressive volume provides over 1,700 biographical entries on poets writing in English from 1910 to the present day, including T.S. Eliot, Dylan Thomas, and Carol Ann Duffy. Authoritative and accessible, it is a must-have for students of English and creative writing, as well as for anyone with an interest in poetry.

**Updating the Literary West**, 1997 Western writers, says Thomas J. Lyon in his epilogue to **Updating the Literary West**, have grown up with the frontier myth but now find themselves in the early stages of creating a new western myth. The editors of the *Literary History of the American West* (TCU Press, 1987) hoped that the first volume would begin, not conclude, their exploration of the West's literary heritage. Out of this hope comes **Updating the Literary West**, a comprehensive reference anthology including essays by over one hundred scholars. A selected bibliography is included with each piece. In the ten years since publication of *LHAW*, western writing has developed a significantly larger presence in the national literary stream. A variety of cultural viewpoints have developed along with new tactics for literary study. New authors have risen to prominence, and the range of subjects has changed and widened. **Updating the Literary West** looks at topics ranging from western classics to cowboys and Cadillacs and considers children's literature, ethnicity, environmental writing, gender issues, and other topics in which change has been rapid since publication of *LHAW*. This volume again affirms the West's literary legitimacy, status hard-earned by the Western Literary Association, and the lasting place of popular western writing as part of the growing and changing literary and American experience. An excellent reference for a wide range of readers and an invaluable resource for scholars and libraries. Selected list of contributors: James Maguire, Fred Erisman, Susan J. Rosowski, Gerald Haslam, Tom Pilkington, A. Carl Bredahl, Richard Slotkin, John G. Cawelti, Robert F. Gish, Ann Ronald, Mick McAllister.
