Faith Dwain R. Leavy,2023-08-23 A recent survey found that a large majority of people who describe themselves as Christians struggle with faith and often succumb to fear and unbelief The enemy has used our lack of understanding along with fear and unbelief to rob us of our inherited blessings through Christ For many faith has become a social media hashtag or some positive force that everyone can access to facilitate a better life However faith is not a social media hashtag nor is it some positive force flowing throughout the universe that we tap into like a Star Wars Jedi The faith of the Bible also known as kingdom faith is the key to experiencing the manifestation of what God has freely given to every believer Everything that our Lord and Savior provided through His death burial and resurrection is available and accessible by faith Throughout the pages of this book we explore what I call the process of kingdom faith Webster defines a process as a series of actions or steps taken to achieve a particular end Just as there is a process to installing software on a computer or baking a cake there is also a process to receiving what God promised in His Word The process of kingdom faith incorporates various faith principles to move us from an expectation of the promises being fulfilled to experiencing the manifestation of those promises It is my prayer that this book will lead you to a more intimate relationship with the Lord and will allow you to take full advantage of the benefits that God has given you through faith Feasting on the Word: Year A, Volume 2 David L.
