**Gossiping Jesus** John W. Daniels Jr., 2013-09-10 Readers of the Gospels are typically attuned to the words of Jesus while paying comparatively little attention to what other characters in the narratives say about him This innovative study of John's Gospel looks at the text through the lens of a routinely misunderstood mode of speech namely gossip Focusing on talk about Jesus in John the author unpacks the intricate relationship between gossip and various social dynamics of Jesus' world demonstrating how they collude to construct Jesus' identity Ultimately it is suggested that John presents a Jesus whose identity is elusive to both outsiders like the Pharisees and insiders like his disciples and thus models the importance if not the sheer necessity of the ongoing public discourse around the question Who is Jesus

Gossip and Gender Marianne Bjelland Kartzow, 2009-12-15 This book suggests that gossip can be used as an interpretive key to understand more of early Christian identity and theology Insights from the multi disciplinary field of gossip studies help to interpret what role gossip plays especially in relation to how power and authority are distributed and promoted A presentation of various texts in Greek Hebrew and Latin shows that the relation between gossip and gender is complex to gossip was typical for all women and risky for elite men who constantly had to defend their masculinity Frequently the Pastoral Epistles connect gossip to false teaching as an expression of deviance On several occasions it is argued that various categories of women have to avoid gossip to be entrusted duties or responsibilities Old wives tales are associated with heresy contrasted to godliness in which one had to train one self Other passages clearly suggest that the false teaching resembles feminine gossip by use of metaphorical language profane words will spread fast and uncontrolled like cancer what the false teachers say is tickling in the ear and their mouth must be stopped or silenced The Pastoral Epistles employ terms drawn from the stereotype of gossip as rhetorical devices in order to undermine the masculinity and hence the authority of the opponents

Stubbs, 2009-05-01 Book Summary The mind is a very rich very fertile terrain in which anything can spring forth all natural and from even just one seed including sin Since anything can arise so organically we will not always realize that the thoughts we cultivate and convert into actions are wrong or against God's will This is very true with GOSSIP Through the subtlest suggestion or well placed hint we can be induced to engage in gossip talk about other people and their personal lives as if it had been our business in the first place Soon our reins will wag against our neighbors unmindful of the damage that we begin to inflict as soon as we open our mouths But who is the artful perpetrator who plants

these hints in our minds You will shudder to realize that it is none other than Lucifer himself It is his plan to attempt to destroy mankind and drive them away from God s grace a deviously understated tool to control and manipulate mankind and get back on God through thoughts Mia Stubbs dares to defy the Devil and brings forth an eye opening revelation to spare mankind from the Devil s devious plans In this book she shares what she knows about the effects of gossip what God thinks about it and tattles on the True Perpetrator of Gossip As well she informs the world on how to distinguish if one is gossiping against his fellow person and how to quit or avoid forming such a sinful habit In the process of enlightening the world Mia Stubbs tells her own experience of gossip and how it has shaped her life She now presents her tale and everything she knows to comfort and warn
