transformational speaker author and junior league amateur bowler I've experienced many times how chasing money is not an effective way to create an abundant and fulfilling life. The most alive I've ever felt was after I left my comedy career at its peak to become a transformational speaker. I left tons of guaranteed money and so-called security for a complete unknown. It was terrifying, but what was on the other side of that terror was a completely different life that is not only more abundant financially but has more freedom, more ease, more passion, more impact, and more joy. Kyle Cease **The Illusion of Control**

Wolfgang Linden, 2024-07-16 Recommended for readers interested in gaining tools to improve their behavior and the tendency to want control of everything and everyone. Library Journal Describes how people grossly overestimate the power they have over others while simultaneously missing opportunities to enjoy and use the power they have over themselves. Based on scientific evidence and lots of real life experience, *The Illusion of Control: A Practical Guide to Avoid Futile Struggles* makes a well-justified case that people grossly overestimate how much power they have over others and simultaneously miss out on opportunities to enjoy and exploit the power they have over themselves. Readers learn how to reduce stress and improve quality of life by giving up ineffective habits and attempts at controlling the uncontrollable. The book intentionally begins by challenging readers to analyze where and when they are objectively not in control and how much failed control costs. In a second block of chapters, broad strategies are suggested in order to bring about change, and multiple psychological theories are offered as tools for gaining control. Next, these tools are applied to changes within the individual to target sleep, drug use, weight control, and negative mood states. Finally, applications will demonstrate how to gain partial control but still less than they wish with respect to strangers, children, spouses, friends, workplaces, and broad political questions. The Power of Illusion

Maya Vidhyadharan, 2008-04-21 *The Power of Illusion* will help the reader see through illusion with clarity, connect to the truth within, and release self-sabotaging programs, thereby enabling the reader to own creative power, live in joy, and manifest desires by mastering reality. *Jesus' Love* ,
