Stop Your Nailbiting Permanently Paperback:

Stop Your Nailbiting! Permanently Gilbreth Brown, 2004-04-05 This book provides the definitive cure for adult problem nail biting The information and the technique supplied in this book offer effective well documented and permanent relief from this frustrating habit By reading this book habitual nail biters can finally and permanently free themselves from the habit It is the goal of this book to spread the message that life can be free from the pain and embarrassment caused by unsightly and unattractive finger nails and hands This book starts by carefully describing and defining the habit There is more to this than many realize and nail biters will benefit greatly by the information contained here The knowledge and insight in this section form the foundation for beginning the journey to long healthy and gorgeous nails For example many habit owners do not realize that nail biting is actually a two step habit Both steps must be recognized and treated for the habit to be completely eradicated The habit frequently also rears up unconsciously and so the book also provides an effective tool for recognizing and altering unconscious behavior Many questions are answered here and misconceptions about nail biting are discussed in detail and debunked After carefully defining the habit the book then delves into why habitual nail biters pursue their habit Incidentally stress is rarely the cause of problem nail biting Nail biting patterns that are frequently seen are then also discussed in detail Reading about themselves in print will reassure nail biters that they are not alone in the world Incidentally research data indicates that the habit is wide spread across nationalities age groups and demographics All of this information results in a powerful understanding of the habit Many readers state that this understanding alone helps them to significantly reduce or even eliminate their nail biting problem However sometimes information alone is not enough So then contained in the book is an ingenious and almost perfect cure to the habit Described in the book is a simple to perform but highly effective technique for stopping nail biting Many people who have tried the approach mention that they simply cannot believe how effective the cure is at permanently and efficiently treating their nail biting Internalizing the information in the book and applying the technique described results in a very powerful therapeutic combination Even long term habitual nail biters need just several weeks to completely and permanently break their habit Some readers have even reported success just after several days Once cured the habit rarely resurfaces Curing the habit increases self confidence and self esteem considerably After detailing the cure the book provides documented and real case stories of notable successes with the treatment method Case histories pictures and testimonials are posted frequently on the book s accompanying web site <http://www.stopyournailbiting.com> Readers are invited to browse there at will and watch the anonymous and free forum discussion board to learn more To complete the loop the book details why other methods of nail biting habit control are not as effective or easy as the cure discussed Many nail biters have tried various approaches to curing the habit Such attempts often end in disappointment and frustration The use of spicy creams and foul tasting lotions as a treatment option is addressed Readers will learn that bad tasting lotions are not effective for nail pickers for obvious

reasons Finally the book discusses children and provides tips and tricks for working with children nail biters The cure s application to other similar ailments cheek biting hair pulling and joint cracking is discussed and readers are welcome to post tips onto the free web site forum for the benefit and well being of others **Stop Your Nail Biting!** Gilbreth Brown,2004 If you are a habitual nail biter this book may change your life I also was a habitual nail biter until my early thirties I have developed and refined a permanent cure for this habit This book carefully documents the condition and provides a very effective and permanent cure Publisher description **Don't Read This Book Before Dinner** Anna Claybourne,2019 Surprsing and disgusting facts and stories about animals nature and the world around us **This Book Is Terrible** Pasquale De Marco,2025-03-08 Welcome to the literary phenomenon that will change the way you perceive the world This Book Is Terrible Prepare yourself for a wild and wacky ride through the realm of the dreadful the deplorable and the downright awful This book is not for the faint of heart nor is it intended for those who seek solace and comfort in the written word Rather it is a clarion call to those who revel in the macabre who find beauty in the grotesque and who embrace the darkness that lurks within the human psyche Within these pages you will encounter a diverse tapestry of topics each more appalling than the last guaranteed to leave you cringing in horror recoiling in disgust and questioning the very fabric of reality From the quotidian annoyances of everyday life to the unfathomable tragedies that plague our world no stone will be left unturned in our quest to uncover the boundless depths of human misery Prepare to be shocked horrified and perhaps even amused as we traverse the treacherous terrain of human misery Encounter tales of woe and despair of suffering and sorrow that will challenge your perceptions of reality and leave an indelible mark upon your soul But fear not dear reader for amidst the darkness there glimmers a flicker of hope a beacon of light that pierces through the gloom By acknowledging the depths of human suffering we gain a profound appreciation for the joys and wonders that life has to offer By confronting the worst that humanity has to offer we can steel ourselves against adversity and emerge from the abyss with a renewed sense of purpose and resilience So dear reader I implore you to embark on this literary expedition with an open mind and a stout heart Prepare to be shocked horrified and perhaps even amused as we traverse the treacherous terrain of human misery For within these pages you will find a reflection of our collective experiences a testament to the indomitable spirit that resides within us all If you like this book write a review *Be Mine Forever* D.K.
