Stores of the Year Martin M. Pegler,2000 Store Presentation & Design Martin M. Pegler,2004 Store Presentation Design showcases the very best in store visual merchandising demonstrating how the creative use of design architecture lighting fixturing and merchandise presentation and display can turn selling space into sales This book illustrates how store design visual merchandising and display have become closely inter related and keeps you abreast of the latest trends in new materials fixturing lighting interior design store layout props and signage Learn why the store itself is the most influential salesperson it s the store s design and displays that showcase the merchandise project the store s image entice the customer to buy and create a customer s most lasting impression **Designing the Department Store** Emily M. Orr,2019-11-28 The book builds an original argument for the department store as a significant site of design production and therefore offers an alternative interpretation to the mainstream focus on consumption within retail history Emily M Orr presents a fresh perspective on the rise of modern urban consumer culture of which the department store was a key feature By investigating the production processes of display as well as fascinating information about display making s tools and technologies the skills of the displayman and the meaning and context of design decisions which shaped the final visual effect are revealed In addition the book identifies and isolates display as a distinct moment in the life of the commodity and understands it as an influential channel of mediation in the shopping experience The assembly and interpretation of a diverse range of previously unexplored primary resources and archives yields fascinating new evidence showing how display achieved an agency which transformed everyday objects into commodities and made consumers out of passersby **Display World** ,1962
