The Story of Christian Theology Roger E. Olson, 2009-08-20 In his book poised to become a standard historical theology textbook Roger Olson takes us on a journey of events ranging from the apostolic fathers to the Reformation to the The Secret Gospel of Mark Unveiled Peter Jeffery, 2007-01-01 In this needed and highly anticipated new present translation of the Theban plays of Sophocles David Slavitt presents a fluid accessible and modern version for both newcomers to the plays and established admirers Unpretentious and direct Slavitt's translation preserves the innate verve and energy of the dramas engaging the reader or audience member directly with Sophocles great texts Slavitt chooses to present the plays not in narrative sequence but in the order in which they were composed Antigone Oedipus Tyrannos Oedipus at Colonus he thereby underscores the fact that the story of Oedipus is one to which Sophocles returned over the course of his lifetime This arrangement also lays bare the record of Sophocles intellectual and artistic development Renowned as a poet and translator Slavitt has translated Ovid Virgil Aeschylus Aristophanes Ausonius Prudentius Valerius Flaccus and Bacchylides as well as works in French Spanish Portuguese and Hebrew In this volume he avoids personal intrusion on the texts and relies upon the theatrical machinery of the plays themselves The result is a major contribution to the art of translation and a version of the Oedipus plays that will appeal enormously to readers theatre directors and actors Flora Tells a Story Michael Kaler, 2008-11-05 In early Christianity many people were inspired to write gospels treatises letters and stories celebrating the new faith but not all of these writings are found in the New Testament One such story from an unknown author is the Coptic gnostic Apocalypse of Paul a tale of the apostle Paul s ascent to the heavens that was lost for millennia and rediscovered at Nag Hammadi in 1945 In Flora Tells a Story Michael Kaler discusses the Apocalypse of Paul and how it was shaped by its literary environment The book takes a behind the scenes look at early Christian literary production analyzing the ways in which various literary traditions such as apocalyptic writings gnostic thought and understandings of Paul influenced the author of the Apocalypse of Paul and helped to shape the text It also includes a new annotated English translation of the Apocalypse of Paul and a fictional account of how it might have come to be written This work is the most in depth study of the Apocalypse of Paul to date and the only full length discussion of it in English It provides a detailed but accessible account of the literary environment in which its author worked and integrates this little known work into the broader stream of early Christian writings This book will be of interest to specialists in Nag Hammadi and gnostic studies and early Christian literature but will also appeal to the general reader interested in Christianity mysticism and gnosticism The Story of Faith Ancient Christian Worship Andrew B.
