## **Stories From Our Living Past:**

**Stories of Our Living Ephemera** Emily Legg, 2023-12-15 *Stories of Our Living Ephemera* recovers the history of the Cherokee National Seminaries from scattered archives and colonized research practices by critically weaving together pedagogy and archival artifacts with Cherokee traditional stories and Indigenous worldviews This unique text adds these voices to writing studies history and presents these stories as models of active rhetorical practices of assimilation resistance in colonized spaces Emily Legg turns to the Cherokee medicine wheel and cardinal directions as a Cherokee rhetorical discipline of knowledge making in the archives an embodied and material practice that steers knowledge through the four cardinal directions around all relations Going beyond historiography Legg delineates educational practices that are intertwined with multiple strands of traditional Cherokee stories that privilege Indigenous and matriarchal theoretical lenses *Stories of Our Living Ephemera* synthesizes the connections between contemporary and nineteenth century academic experiences to articulate the ways that colonial institutions and research can be Indigenized by centering Native American sovereignty By undoing the erasure of Cherokee literacy and educational practices *Stories of Our Living Ephemera* celebrates the importance of storytelling especially for those who are learning about Indigenous histories and rhetorics This book is of cultural importance and value to academics interested in composition and pedagogy the Cherokee Nation and a general audience seeking to learn about Indigenous rhetorical devices and Cherokee history [Our Living Past](#) F. Landa Jocano, 1963 [The Living Past](#) Francis Sydney Marvin, 1913 **The Jewish Story Finder** Sharon Barcan Elswit, 2012-08-10 Storytelling as oral tradition and in writing has long played a central role in Jewish society Family educators and clergy employ stories to transmit Jewish culture traditions and values This comprehensive bibliography identifies 668 Jewish folktales by title and subject summarizing plot lines for easy access to the right story for any occasion Some centuries old and others freshly imagined the tales include animal fables supernatural yarns and anecdotes for festivals and holidays Themes include justice community cause and effect and mitzvahs or good deeds This second edition nearly doubles the number of stories and expands the guide's global reach with new pieces from Turkey Morocco Libya Tunisia and Chile Subject cross references and a glossary complete the volume a living tool for understanding the ever evolving world of Jewish folklore **Unified Jewish Religious Education Curriculum: Kindergarten-8th grade**, 1983 [Making the Bible Modern](#) Penny Schine Gold, 2018-10-18 The Bible has played a critical role in the story of Judaism modernity and identity Penny Schine Gold examines the arena of children's education and the role of the Bible in the reshaping of Jewish identity especially in the United States in the 1920s and 1930s when a second generation of Eastern European Jews engaged the task of Americanizing Jewish culture religion and institutions Professional Jewish educators based in the Reform movement undertook a multifaceted agenda for the Bible in America to modernize it harmonize it with American values and move it to the center of the religious school curriculum Through public schooling the children of Jewish immigrants brought

America home it was up to the adults to fashion a Judaism that their children could take back out into America Because of its historic role in the development of Judaism and its cultural significance in American life Gold finds the Bible provided Jews with vital links to both the past and the present The ancient sacred text of the Bible transformed into highly abridged and amended Bible tales was brought into service as a bridge between tradition and modernity Gold analyzes these American developments with reference to the intellectual history of eighteenth and nineteenth century Europe innovations in public schooling and social theory Protestant religious education and later versions of children s Bibles in the United States and Israel She shows that these seemingly simple children s books are complex markers of the pressing concerns of Jews in the modern world *Standard Catalog for High School Libraries* ,1928 The 1st ed accompanied by a list of Library of Congress card numbers for books except fiction pamphlets etc which are included in the 1st ed and its supplement 1926-29 The ^AVoice of the Past Paul Thompson,2017-02-24 Oral history and life stories through recording the experiences of people of all kinds invigorate both past and present broadening life s base with unique testimony from hidden spheres of experience such as family relationships the informal culture of work or the lives of migrants This fully revised fourth edition of Paul Thompson s classic *The Voice of the Past* offers an invaluable tool for anyone using this approach **Children, Identity and the Past** Liv Helga Dommasnes,Melanie Wrigglesworth,2021-02-03 In this volume fourteen authors representing different academic fields and traditions present their work on children in past societies how to recognise children in the archaeological record the conditions of their lives and deaths and how they may have been perceived by their contemporaries The case studies from a number of European sites cover a time span from the Palaeolithic to the Middle Ages A central theme in many of the contributions is socialisation and education as part of identity forming processes What was it like to be a child in Palaeolithic times How did the Early Medieval Church approach the teaching of children Socialisation is a theme echoed also in the two papers dealing with teaching children of today about the past as the authors discuss how the past can be used in present identity forming processes During the last c 20 years the archaeology of children has been enriching our understandings of the past The papers in this volume make us realise that the study of children will have a profound impact on the study of past societies in general challenging us to reconsider established notions of prehistoric community life The past will never be the same after its children have entered the scene *The Living Age* ,1883 The Tact of Teaching Max van Manen,2016-06-16 In *The Tact of Teaching* bestselling author Max van Manen offers teachers at every stage an original and inspiring interpretation of the notion of pedagogy one that searches for its roots in the experience of in loco parentis Using dozens of anecdotes and scenes taken directly from life in classrooms including many from the often neglected domain of high school *The Tact of Teaching* explicates the meaning of pedagogical moments the conditions of pedagogy the relation between pedagogy and politics the nature of pedagogical experience and the practical forms of pedagogical understanding The author Presents experiential analysis of the relation between pedagogical reflection and action Explores how

pedagogical tact manifests itself what tact accomplishes and how tact does what it does Speaks of hope and humane practice in an era of schooling often given over to mindless technocracy or fashionable despair

**The Crucial Voice of the People, Past and Present** Victoria M. Young, 2012-10-01 Here is a fresh common sense take on education reform not by an educator or administrator or politico but by a concerned mother and citizen who dares to proclaim that America is NOT offering a quality education to ALL its children Young sees an effective public education system as a fundamental function of a strong republic Yet opposing political agendas are directing federal state and local lawmakers toward failed programs wasted dollars and poor results for American public education In *The Crucial Voice of the People Past and Present* Young presents important insights into what can be done to fix America's public education system Her research and observations are eye opening and provide all readers with a galvanizing focus on what needs to be done and how to get there But most importantly the book energizes parents with new ideas and tools to improve the schools in their own communities *The Crucial Voice of the People Past and Present* is a call to the public education system to openly listen and to communities to make themselves heard

**Chasing the Wind** Neil H. Williams, 2021-11-12 *Chasing the Wind* covers a variety of ideas from Christianity science philosophy ethics and psychology It starts with Socrates's statement an unexamined life is not worth living and asks how we might go about discovering what is a worthwhile life and what might motivate us to live such a life It is a vast topic that is narrowed down to two principal areas 1 a focus on relationships which are central to providing fulfillment worth and purpose to our lives and 2 an interaction with Christianity which claims to have answers as to what is a worthwhile life In summary this book is a dialog between these two questions What is a good life and how does Christianity help or hinder such a life

**Narrative Power** Ken Plummer, 2019-05-29 Narratives are the wealth of nations they animate life sustain culture and cultivate humanity They regulate and empower us bringing both joy and discontent And they are always embedded in ubiquitous power stories shape power and power shapes story In this provocative and original study Ken Plummer takes us on a journey to explore some of the key dimensions of this narrative power His main focus is on what he calls narratives of suffering and how these change through transformative narrative actions across an array of media forms The modern world is in crisis and long standing narratives are being challenged in five major directions through deep inequalities global state complexities digital risks the perpetual puzzle of truth and the ever emerging contingencies of time Asking how we can build sustainable stories for a better future the book advocates the cultivation of a narrative hope a narrative wisdom and a politics of narrative humanity *Narrative Power* suggests novel directions for enquiry discusses a raft of innovative ideas and concepts and sets a striking new agenda for research and action

**Tending to the Past** Karen Michele Chandler, 2024-01-18 In many popular depictions of Black resistance to slavery stereotypes around victimization and the heroic efforts of a small number of individuals abound These ideas ignore the powers of ordinary families and obscure the systematic working of racism *Tending to the Past Selfhood and Culture in Children's Narratives about Slavery and Freedom*

examines Black authored historical novels and films for children that counter this distortion and depict creative means by which ordinary African Americans survived slavery and racism in early America Tending to the Past argues that this important understudied historical writing freedom narratives calls on young readers to be active critical thinkers about the past and its legacies within the present The book examines how narratives by children s book authors such as Joyce Hansen Julius Lester Marilyn Nelson and Patricia McKissack and the filmmakers Charles Burnett and Zeinabu irene Davis were influenced by Black cultural imperatives such as the Black Arts Movement to foster an engaged culturally aware public Through careful analysis of this rich body of work Tending to the Past thus contributes to ongoing efforts to construct a history of Black children s literature and film attuned to its range specificity and depths Tending to the Past provides illuminating interpretations that will help scholars and educators see the significance of the freedom narratives reconstructions in a neoliberal era a time of shrinking opportunities for many African Americans It offers models for understanding the powers and continuing relevance of the Black child s creative agency and the Black cultural practices that have fostered it

**Time as a Factor in Groupwork** Albert S. Alissi, 1985 This informative book provides the helping professional with valuable information on the benefits and drawbacks of time limited social groupwork

*Living with the Living Dead* Greg Garrett, 2017 In *Living with the Living Dead* Greg Garrett shows that the zombie apocalypse has become an archetypal narrative for the contemporary world in part because zombies can represent a variety of global threats from terrorism to Ebola from economic uncertainty to mental illness But paradoxically this narrative also offers human beings a chance to find emotional and spiritual comfort these apocalyptic stories about individuals facing the imminent prospect of grisly death also offer us wisdom about living in community present us with real world ethical problems and invite us into a conversation about what it means to survive

**Authoring the Past** Alun Munslow, 2012 Please explain why you think about and write history as you do Collecting together the responses to this question from 15 of the world s foremost historians and theorists *Authoring the Past* represents a powerful reflection on and intervention in the historiographical field Edited by Alun Munslow and presented in concise digestible essays the collection covers a broad range of contemporary interests and ideas and offers a rich set of reasoned alternative thoughts on our cultural engagement with times gone by Emerging from an intensely fertile period of historical thought and practice *Authoring the Past* examines the variety of approaches to the discipline that have taken shape during this time and suggests possible future ways of thinking about and interacting with the past It provides a

unique insight into recent debates on the nature and purpose of history and demonstrates that when diverse metaphysical and aesthetic choices are made the nature of the representation of the past becomes a matter of legitimate dispute Students scholars and practitioners of history will find it a stimulating and invaluable resource

**Tropes for the Past** Kuisma Korhonen, 2006 In the last decades there has been an intense debate on the relationship between literature and historiography often linked to the debate between empiricists and postmodernists The aim of this collective work is to address this debate and to search for new ways of thinking and encountering the past The key note for the book comes from Hayden White one of the leading academic figures whose role in launching the contemporary history literature debate has been crucial It is followed by three critical readings of his work all suggesting new ways to apply or challenge his views In other chapters of the book history literature question is then addressed from three points of view narrativity history as literature and literature as history Tropes for the Past is an ideal introduction to the literature historiography debate and Hayden White s role in it It will be of use for all students and scholars in the philosophy of history and in historically oriented literary cultural and social studies
