Gresham, Stories of Our Past Gresham Historical Society (Gresham, Or.),1996      Gresham, Stories of Our Past W. R. Chilton,Gresham Historical Society (Gresham, Or.),1993 A writing project of students of W R Chilton at Mt Hood Community College      Gresham George R. Miller,2011 The history of Gresham Oregon is rooted in the pioneers who trekked along the Oregon Trail in the 1800s Traveling down the Columbia River or over the precipitous route by scenic Mount Hood they arrived in what was then called Powell Valley so named by the first settlers They found trees that were unparalleled tall and straight which they used to build their first communities The rich fertile land was cleared to grow an array of crops that would eventually make the area well known for its agriculture      **Eccentric Tales of Boring, Oregon** Bruce Haney,2021-04-19 The town of Boring has seen more than its fair share of interesting events since its founding in 1903 From secretly hiring an up and coming boxer to fight the town bully to the time firecrackers were blamed for burning down half the town memorable moments abound Discover the story of the wild man who lived in the woods and the attempts of Prohibition era moonshiners to evade the law Uncover the true identity of the Wild West Gang and the real story of a runaway train loaded with potatoes Join author Bruce Haney as he explores the peculiar tales of an exciting town      **Oregon 1859** Janice Marschner,2008-07-15 The essential Oregon guide for time travelers of all ages Oregon became the 33rd state in the Union on February 14 1859 Portland had wooden sidewalks and tamped dirt streets unlit by gaslight until a year later To the south gold glittered in streams towns with names like Echo Lookingglass and Quartzville were springing up all over It is a time to remember and revisit today 150 years later with this detailed and lively guide Janice Marschner provides all you need to travel through each of Oregon s 19 original counties at the moment of statehood a map showing each county s 1859 place names and current reference points the history of native peoples and settlers early roads and bridges the first homes schools stores hotels and churches biographical sketches of notable individuals throughout the state Historical photographs show the determined faces of natives and settlers their oxen and wagons on wide rough roads their rafts and ferries on the rivers and their towns under development An inspiring close up portrait at the moment of statehood Oregon 1859 will light the way back for anyone who wants to see Oregon today as it was then      *Ray Stanford Strong, West Coast Landscape Artist* Mark Humpal,2017-12-14 Throughout his long and prolific career Ray Stanford Strong 1905 2006 strove to capture the essence of the western American landscape An accomplished painter who achieved national fame during the New Deal era Strong is best known for his depiction of landscapes in California and Oregon rendered in his signature plein air style This beautiful volume featuring more than 100 color and black and white illustrations is the first comprehensive exploration of Strong s life and artistry Through family papers archives photographs and a two year series of interviews conducted with the artist personally Mark Humpal traces Strong s journey from his childhood on an Oregon berry farm to his artistically formative years in New York and San Francisco After moving back to the West Coast Strong produced important works for the WPA

executed major diorama projects for two world expositions helped organize the Santa Barbara Art Institute and served as teacher and mentor for a new generation of plein air artists But as Humpal emphasizes Strong distinguished himself by resisting the drumbeat of the avant garde During an era when many artists were experimenting with abstract expressionism Strong never relinquished his personal vision and adherence to a more traditional style With his outgoing personality he forged friendships and associations with such prominent artists as Frank Vincent DuMond Maynard Dixon Ansel Adams Frank Lloyd Wright and John Steinbeck Ultimately Strong had little concern for his place in the sweep of art history The proficiency he achieved through years of formal and informal study allowed him to craft a personal style difficult to categorize but unique and engaging By expanding our understanding and appreciation of Strong s artistic contributions this book offers a fitting tribute to one of America s finest landscape artists Camping out; or, Stories of peril and adventure in East Africa William Yates (novelist.),1887 *The Detective Josie Quinn Series: Books 7-9* Lisa Regan,2021-05-17 Three pulse pounding crime thrillers from million copy selling Amazon USA Today and Wall Street Journal bestselling author Lisa Regan Haunted by a devastating past Detective Josie Quinn is an unstoppable and absolutely unforgettable lead Be warned this series is your next binge worthy obsession Cold Heart Creek In the stark light of dawn the young couple are laid out on their backs by a dying campfire Their eyes are open but their hearts are cold When two bodies are discovered by a creek in the small town of Denton Pennsylvania Josie needs to make sense of the crudely carved pendant necklace jammed down one of their throats She must catch this twisted killer before other innocent lives are taken But is she already too late Find Her Alive Josie treads gently careful not to disturb the pile of perfect white bones laid out in the grass by her feet Her voice is little more than a whisper No Not my sister Josie hasn t heard from her sister Trinity since she made contact with a dangerous serial killer known for creating sculptures with his victim s bones Josie knows Trinity won t stop until she finds him even if it means becoming his next masterpiece Can Josie s team trust her instincts in a case that is so deeply personal Save Her Soul Josie flinches as she takes in the faded blue sports jacket wrapped around the girl they just pulled from the water Josie knew someone who d once owned that jacket He had died in her arms five years ago The body of a young girl floats quietly to the surface of a local river wearing a jacket that once belonged to Josie s dead ex husband Ray It looks like a tragic accident until the autopsy reveals a bullet in this beautiful schoolgirl s head and the heartbreaking secret she was keeping Digging deep into memories of her own past is the only advantage Josie has on this twisted killer but at what cost These absolutely unputdownable crime thrillers will have you biting your nails and sleeping with the light on Perfect for fans of Angela Marsons Robert Dugoni and Rachel Caine Prepare to be TOTALLY hooked Readers adore the Detective Josie Quinn Series What the blinking frick what a blinding book Gosh what else is there to say My heart is pumping so fast from the adrenaline IT DID NOT STOP Wow her writing has blown me away I read it in about 3 hours as the book did not let go and I had to know how it ended Zooloo s Book Diary 5 stars AMAZING Love this author Love this series Love this book I was on the
