Stories We Could Tell David Sanjek, 2018-10-03 How has the history of rock n roll been told Has it become formulaic Or remained like the music itself open to outside influences Who have been the genre s primary historians What common frameworks or sets of assumptions have music history narratives shared And most importantly what is the cost of failing to question such assumptions **Stories We Could Tell** Putting Words to American Popular Music identifies eight typical strategies used when critics and historians write about American popular music and subjects each to forensic analysis This posthumous book is a unique work of cultural historiography that analyses catalogues and contextualizes music writing in order to afford the reader new perspectives on the field of cultural production and offer new ways of thinking about and writing about popular music

Nothing's Bad Luck C. M. Kushins, 2019-05-07 Biography of legendary singer songwriter Warren Zevon spanning his nomadic youth and early recording career to his substance abuse final album and posthumous Grammy Awards As is the case with so many musicians the life of Warren Zevon was blessed with talent and opportunity yet also beset by tragedy and setbacks Raised mostly by his mother with an occasional cameo from his gangster father Warren had an affinity and talent for music at an early age Taking to the piano and guitar almost instantly he began imitating and soon creating songs at every opportunity After an impromptu performance in the right place at the right time a record deal landed on the lap of a teenager who was eager to set out on his own and make a name for himself But of course where fame is concerned things are never quite so simple Drawing on original interviews with those closest to Zevon including Crystal Zevon Jackson Browne Mitch Albom Danny Goldberg Barney Hoskyns and Merle Ginsberg **Nothing's Bad Luck** tells the story of one of rock s greatest talents Journalist C M Kushins not only examines Zevon s troubled personal life and sophisticated ever changing musical style but emphasizes the moments in which the two are inseparable and ultimately paints Zevon as a hot headed literary compelling musical genius worthy of the same tier as that of Bob Dylan and Neil Young In **Nothing's Bad Luck** Kushins at last gives Warren Zevon the serious in depth biographical treatment he deserves making the life of this complex subject accessible to fans old and new for the very first time *Downloaded: A Lifetime of Collecting Music* ,

was an irresistible mix of rock blues R B country jazz soul and funk Fronted by the charismatic but doomed vocalist and brilliant slide guitarist Lowell George the band recorded such classic studio albums as Sailin Shoes and Dixie Chicken as well as Waiting for Columbus which many consider to be one of the best live albums of all time Acclaimed journalist Ben Fong Torres working with Little Feat s surviving members their friends and associates wrote Willin based on hours of brand new interviews with the key players The result The first definitive biography of this beloved rock n roll institution Jimmy Buffett Ryan White,2017-05-09 A candid compelling and rollicking portrait of the pirate captain of Margaritaville Jimmy Buffett In Jimmy Buffett A Good Life All the Way acclaimed music critic Ryan White has crafted the first definitive account of Buffett s rise from singing songs for beer to his emergence as a tropical icon and CEO behind the Margaritaville industrial complex a vast network of merchandise chain restaurants resorts and lifestyle products all inspired by his sunny but disillusioned hit Margaritaville Filled with interviews from friends musicians Coral Reefer Band members past and present and business partners who were there this book is a top down joyride with plenty of side trips and meanderings from Mobile and Pascagoula to New Orleans Key West down into the islands aboard the Euphoria and the Euphoria II and into the studios and onto the stages where the foundation of Buffett s reputation was laid Buffett wasn t always the pied piper of beaches bars and laid back living Born on the Gulf Coast the son of a son of a sailing ship captain Buffett scuffed around New Orleans in the late sixties flunked out of Nashville and a marriage in 1971 and found refuge among the artists dopers shrimpers and genuine characters who d collected at the end of the road in Key West And it was there in those waning outlaw days at the last American exit where Buffett like Hemingway before him found his voice and eventually brought to life the song that would launch Parrot Head nation And just where is Margaritaville It s wherever it s five o clock it s wherever there s a breeze and salt in the air and it s wherever Buffett sets his bare feet smiles and sings his songs *25 OFFBEAT CAREER OPTIONS* Annapurna Murthy,2022-12-05 Education enables every human to live their best life and to handle different situations that life may present to them Every individual has the right to get educated Every person has special skills and abilities One only needs to identify and tap into that potential Some gifted driven students plan and join courses of their choice Most students are confused with the number of courses available to them They are not confident if they are making the right choices or whether they will do well in the course they choose This book is an attempt to highlight course options for those students who do not take the formal education route like graduation post graduation doctoral programmes or correspondence or open university courses Such students still have many options open to them One may have a good voice love for animals passion for cooking an eye to capture the beauty of nature ability to dance skills in music etc They can all get trained and take up lucrative careers of their choice based on their aptitude Self confidence perseverance grit motivation to achieve and passion are absolutely needed for a student to be successful Make your choices based on your aptitude and interest Once you put in the effort from your side success will follow **Hearts of Darkness** Dave Thompson,2012-02-01 Book Hearts of Darkness is

the story of a generation's coming of age through the experiences of its three most atypical pop stars James Taylor Jackson Browne and Cat Stevens could never have been considered your typical late sixties songwriters self absorbed and self composed all three eschewed the traditional means of delivering their songs instead turning its process inward The result was a body of work that stands among the most profoundly personal art ever to translate into an international language and a sequence of songs from Sweet Baby James and Carolina in My Mind to Jamaica Say You Will and These Days to Peace Train and Wild World that remain archetypes not only of what the critics called the singer songwriter movement but of the human condition itself Author Dave Thompson himself a legend among rock biographers takes on his subjects with his usual brio and candor leaving no stone unturned in his quest to shine a light on the dark side of this profoundly earnest era in popular music Penetrating pointed and laced with vivid insight and detail Hearts of Darkness is the story of rock when it no longer felt the need to roll
