Copyright Office,1973 Deadworld Archives: Book Four Gary Reed,2021-05-01 Long before there was The Walking Dead there was Deadworld Here is one of

comics longest running independents as Deadworld has had over 100 issues and graphic novels published and over one million copies sold over the years And it all starts here A supernatural plague has been unleashed on the world The dead return to walk the earth but this is no standard zombie story The dead are just soldiers for those who have crossed the Gateway The lead zombies are intelligent sadistic and in addition to having a hankering for flesh enjoy the tortuous ordeals they put the surviving humans through Now seven wayward teens on a school bus scramble to escape the zombie apocalypse Little did they know that there were also intelligent zombies and they had a plan and they had a leader King Zombie Death becomes very real to the teens as they lose some of their members and their hope that an abandoned riverboat will provide sanctuary proves futile The Deadworld Archives series collects all of the original Deadworld series published by Arrow and Caliber Comics from the 1980 90s into a series of ten graphic novels BOOK FOUR Collecting the original Volume One series of Deadworld issues 15 18 plus the Deadtales features that introduced the Amy character In this book Dan and Joey find themselves in a small town that seemingly is isolated from the zombie menace They adapt to a life of normalcy and the global horror seems to ignore this haven But of course that won't last for long amongst the most essential horror titles of the last twenty years Peter Normanton From the Tomb magazine The best in my humble opinion of the zombie comics Tom Snigoski Buffy the Vampire Slayer This is the original zombie comic and it's easy to see why it's lasted so long World's Heavyweight Comics I can't rave enough about this series Kenneth Gallant Broken Frontier A Caliber Comics release
