Stories Of King Arthur:

The Story of King Arthur and His Knights Howard Pyle, 2016-03-03 I believe that King Arthur was the most honorable gentle Knight who ever lived in all the world And those who were his fellows of the Round Table taking him as their looking glass of chivalry made altogether such a company of noble knights that it is hardly to be supposed that their like will ever be seen again in this world Wherefore it is that I have had such extraordinary pleasure in beholding how those famous knights behaved whenever circumstances called upon them to perform their endeavor **The Knights of The Round Table:**

Arthur and His Knights U. Waldo Cutler, 2016-03-10 The material for the Arthur stories came from many countries and from many different periods of history Much of it is wholly fanciful but the writers connected all the incidents directly or indirectly with the old Briton king of the fifth century who was the model of knighthood without fear and without reproach Perhaps there was a real King Arthur who led the Britons against the Saxon invaders of their land who was killed by his traitor nephew and who was buried at Glastonbury the valley of Avilion of the legends perhaps there was a slight historical nucleus around which all the romantic material was crystallising through the centuries but the Arthur of romance came largely from the imagination of the early writers And yet though our own ideal knight may never have trod the soil of Britain or Roman or Saxon England his chivalrous character and the knightly deeds of his followers are real to us if we read them rightly for the poet's ideal was the truest truth *Stories of King Arthur and His Knights* THOMAS. MALORY, U Waldo (Uriel Waldo) Cutler, 2025-03-28 Embark on an unforgettable journey to Camelot with *Stories of King Arthur and His Knights* a
