Stories Of New England Then And Now:

True Stories Of History And Biography Nathaniel Hawthorne,2023-11-09 Grandfather had been sitting in his old arm chair all that pleasant afternoon while the children were pursuing their various sports far off or near at hand Sometimes you would have said Grandfather is asleep but still even when his eyes were closed his thoughts were with the young people playing among the flowers and shrubbery of the garden He heard the voice of Laurence who had taken possession of a heap of decayed branches which the gardener had lopped from the fruit trees and was building a little hut for his cousin Clara and himself He heard Clara s gladsome voice too as she weeded and watered the flower bed which had been given her for her own He could have counted every footstep that Charley took as he trundled his wheelbarrow along the gravel walk And though Grandfather was old and gray haired yet his heart leaped with joy whenever little Alice came fluttering like a butterfly into the room She had made each of the children her playmate in turn and now made Grandfather her playmate too and thought him the merriest of them all [The Story of the American Revolution](#) Lambert Lilly,1842 **THE COMPLETE**
