[Sherlock Holmes - a Scandal in Bohemia](#) Arthur Conan Doyle, 2017-05-22 *A Scandal in Bohemia* is the first short story and the third overall work featuring Arthur Conan Doyle's fictional detective Sherlock Holmes. It is the first of the 56 Holmes short stories written by Doyle and the first of 38 Sherlock Holmes works illustrated by Sidney Paget. The story is notable for introducing the character of Irene Adler, often used as a romantic interest for Holmes in later derivative works. Doyle ranked *A Scandal in Bohemia* fifth in his list of his twelve favourite Holmes stories. *A Scandal in Bohemia* was first published on 25 June 1891 in the July issue of *The Strand Magazine* and was the first of the stories collected in *The Adventures of Sherlock Holmes* in 1892. [The Adventures of Sherlock Holmes: a Scandal in Bohemia](#) Arthur Conan Doyle, 2015-04-15 A mysterious masked figure appears outside 221B Baker Street to ask Sherlock Holmes for help in recovering a scandalous photograph. It is an easy enough task at first for the cleverest man in England, but he soon realizes his opponent is much more cunning than expected. In Arthur Conan Doyle's first Sherlock Holmes short story, Holmes and Watson encounter the brilliant and beautiful Irene Adler, who is threatening to ruin a royal family. Will Holmes recover the controversial photograph, or will Irene Adler outsmart the world's greatest detective in *A Scandal in Bohemia*? [A Scandal in Bohemia](#), 1976 **A Scandal in Bohemia** Arthur Conan Doyle, 2018-06-24 First appearing in print in 1887 in *A Study in Scarlet*, the character's popularity became widespread with the first series of short stories in *The Strand Magazine*, beginning with *A Scandal in Bohemia* in 1891. Additional tales appeared from then until 1927, eventually totalling four novels and 56 short stories. All but one are set in the Victorian or Edwardian eras, between about 1880 and 1914. Most are narrated by the character of Holmes's friend and biographer Dr. Watson, who usually accompanies Holmes during his investigations and often shares quarters with him at the address of 221B Baker Street, London, where many of the stories begin. Though not the first fictional detective, Sherlock Holmes is arguably the best known, with Guinness World Records listing him as the most portrayed movie character in history. Holmes's popularity and fame are such that many have believed him to be not a fictional character but a real individual. Numerous literary and fan societies have been founded that pretend to operate on this

principle Widely considered a British cultural icon the character and stories have had a profound and lasting effect on mystery writing and popular culture as a whole with the original tales as well as thousands written by authors other than Conan Doyle being adapted into stage and radio plays television films video games and other media for over one hundred years

Large Print Arthur Conan Doyle, Sir,2013-12 To Sherlock Holmes she is always the woman I have seldom heard him mention her under any other name In his eyes she eclipses and predominates the whole of her sex It was not that he felt any emotion akin to love for Irene Adler All emotions and that one particularly were abhorrent to his cold precise but admirably balanced mind He was I take it the most perfect reasoning and observing machine that the world has seen but as a lover he would have placed himself in a false position He never spoke of the softer passions save with a gibe and a sneer They were admirable things for the observer excellent for drawing the veil from men s motives and actions But for the trained reasoner to admit such intrusions into his own delicate and finely adjusted temperament was to introduce a distracting factor which might throw a doubt upon all his mental results Grit in a sensitive instrument or a crack in one of his own high power lenses would not be more disturbing than a strong emotion in a nature such as his And yet there was but one woman to him and that woman was the late Irene Adler of dubious and questionable memory I had seen little of Holmes lately My marriage had drifted us away from each other My own complete happiness and the home centred interests which rise up around the man who first finds himself master of his own establishment were sufficient to absorb all my attention while Holmes who loathed every form of society with his whole Bohemian soul remained in our lodgings in Baker Street buried among his old books and alternating from week to week between cocaine and ambition the drowsiness of the drug and the fierce energy of his own keen nature He was still as ever deeply attracted by the study of crime and occupied his immense faculties and extraordinary powers of observation in following out those clues and clearing up those mysteries which had been abandoned as hopeless by the official police From time to time I heard some vague account of his doings of his summons to Odessa in the case of the Trepoff murder of his clearing up of the singular tragedy of the Atkinson brothers at Trincomalee and finally of the mission which he had accomplished so delicately and successfully for the reigning family of Holland Beyond these signs of his activity however which I merely shared with all the readers of the daily press I knew little of my former friend and companion

Sherlock & Irene Chris Chan,2020-08-18 To Sherlock Holmes Irene Adler is the woman In A Scandal in Bohemia she defeated him in his attempt to retrieve an incriminating photograph of the King of Bohemia Or did she In the tradition of The Great Game this book will explore the unanswered questions in A Scandal in Bohemia illustrating that there is much more to the case than is generally suspected Why did Holmes make so many elementary mistakes Was Holmes really a cocaine user Was the King of Bohemia hiding a dark secret Why was the photograph so dangerous Why was Irene Adler in such a hurry to get married Was Irene Adler really a blackmailer These and more questions will be answered by studying the clues and contradictions in the original story which lead to a shocking conclusion **The Adventures of Sherlock Holmes - A**
