Stories Seldom Told:

Stories Seldom Told Lois Wilson, 1997 Are you bothered by the roles accorded to girls and women in Bible stories If so Lois Miriam Wilson's *Stories Seldom Told* is for you Her collection features more than 40 stories of women in the Bible Though the stories are sometimes difficult to hear Wilson tells them in new ways affirming the struggles and perspectives of contemporary women

Never told stories Aditi Vats ,2023-08-28 Life is uncertain We do not know when love comes into life and makes it splendid because destiny isn't in our hands Life decides for us It always decides better and gives chance to grow always Life is a journey that goes on and on forever Take a journey of life stories with never told stories

Vietnam Stories I Never Told Herbert G. Jansen, 2025-03-13 This memoir of the author's tour of duty in Vietnam in 1968 is a true account of a 19 year old's journey from a quiet civilian life in Connecticut to an Army infantryman in Vietnam first as a private and a point man later as platoon sergeant He describes the many face to face encounters he had with the Viet Cong and North Vietnamese Army experiences that required him to remain calm and focused and the hardships he encountered and friendships he developed along the way The author was assigned to the U S Army's 25th Infantry Division Tropic Lightning 9th Infantry Regiment Manchus Fourth Battalion The Manchus operated primarily between Saigon and the Cambodian border a key entry point into South Vietnam for North Vietnamese troops and supply caravans traveling along the Ho Chi Minh Trail The author uses the letters he wrote to his parents during his tour of duty to frame his memoir but his letters purposely omitted the details of the war he was experiencing His letters were meant to calm his parent's fears as he didn't want them to worry Years later when he discovered a box full of his letters in his parents' attic the memories came flooding back and he started to write These are the stories he left out of his letters the stories he did not tell

The Greatest Story Never Told Audrey Carr, 2013-12 The story of Jesus is well known worldwide But have you ever wondered if it is the true and complete story of the Savior Could there be more to the Son of God Author Audrey Carr addresses those questions in *The Greatest Story Never Told* An Advanced Understanding of Christianity She not only presents the real story of Jesus in which he did not die on the cross but also includes his unitary gospel of oneness with God that traditional Christianity has missed Quoting from highly documented scholarly works this story of Jesus incorporates Judaism Christianity Hinduism Buddhism and Taoism With details and maps of his many years in India Carr provides a photograph of his real tomb in Kashmir Carr also offers information about meditation techniques he practiced for Jesus was not a Christian but a Hindu Buddha The Kingdom of Heaven was his term for Enlightened Consciousness Unlike other scholarly books *The Greatest Story Never Told* is intended for the everyday person Readers will come away with a new meaningful life changing understanding of Jesus and his teachings Carr seeks to destroy what is false and resuscitate the real truth beyond all myths and she reveals the connections between major religions Spiritually uplifting and challenging *The Greatest Story Never Told* is for anyone who is ready for an advanced understanding of Jesus and all the other God men of the ages who have realized their divine identity

The Life Story Never Told Fidelia Iwegbu, 2016-02-04 This book is intended to be a movie of a life story that is unusuawl and different from many life stories that you have ever seen It is knowledgable humurous and enticing that one would wants to read the book daily and watch the

movie often **The Greatest Story Never Told** Dan Sandler,2019-09-25 Sometimes the greatest story ever told never really gets told Believers and unbelievers alike see God and his Word through our own lenses unintentionally filtering truth and seeking out teachers and communities whose image of God resembles our own As a result we have had conflict between religions denominations and those with opposing views for two millennia about the same story Comprised of layers of thought The Greatest Story Never Told invites students of the Bible to lay down what they think they know about God s Word and begin an adventure into the unknown by reading observing and looking at what might be to become like children again and experience the great story of the gospel with new eyes Taking this posture toward Scripture Daniel gives specific tools on how to read and reread the Bible through the lens of shifting cultural values language characteristics elements of story patterns of thought and driving national narratives of the biblical authors Christ followers will be challenged to rethink long held suppositions and to better understand the unfolding revelation God offers bringing us to intellectually honest theological positions *The Greatest Story Never Told Through My Eyes 'Eden'* Melodie J. Dobbins,2007-11-08 Science Fiction Romance Before the Devinci Code Before Jesus was the story of Adam Eve In the beginning God created the Heavens and the Earth This may be true but did God first create man on Earth I don t think so Earth was colonized by a group of explorers Through the eyes of an old man the story is told A more plausible story that explains everything including how man evolved on Earth how religion really got started and how we all came to be Many of the situations and sub stories are based on actually fact Could this be how we really started **The Greatest Story NEVER Told** Elvis Newman,2015-06-04 What we call imagination is actually the universal library of what s real You couldn t imagine it if it weren t real somewhere sometime Terence Mckenna Scientific theories that were once considered right and mighty were later proven wrong This is the case even with the best and most thorough scrutiny and investigation There is no knowing when a better scientific theory will come to replace the old It is clear that the study of Sumerian clay tablets will continue to interest areas of science history archaeology cosmology and more due to its continued effect of encompassing studies from unrelated fields The Sumerians were the most extraordinary people who ever lived on the face of the earth They seemed to come from out of nowhere and they single handedly invented civilization when most of the rest of the world was still living in the Stone Age What s more they did it thousands of years before anyone else The Sumerian civilization was already ancient when it ended in 2004 B C twenty centuries before Julius Caesar sixteen centuries before Socrates and seven centuries before Tutankhamen The highest form of ignorance is when you reject something you don t know about Wayne Dyer **The Greatest Love Story Never Told** Richard Orion,2015-10-30 This story is based on a true love story that spanned almost two decades The names and places have been changed to protect the privacy of the individuals involved in this affair The chronological sequence of events has been maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and perhaps shouldve remained a secret The first book related to this love story was a book

of poems entitled Somewhere Sometime Somehow Love Poems and Short Stories published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our love relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other
