

## **A Story That Could Be True**

If you were exchanged in the cradle and  
your real mother died  
without ever telling the story  
then no one knows your name,  
and somewhere in the world  
your father is lost and needs you  
but you are far away.

He can never find  
how true you are, how ready.  
When the great wind comes  
and the robberies of the rain  
you stand on the corner shivering.  
The people who go by —  
you wonder at their calm.

They miss the whisper that runs  
any day in your mind,  
“Who are you really, wanderer?”  
and the answer you have to give  
no matter how dark and cold  
the world around you is:  
“Maybe I’m a king.”

*Power of Scandal* P. Johannes Ehrat, SJ,2011-03-05 Are there events that are inherently scandalous *Power of Scandal* finds that the very idea of scandal is derived not from an event but from public opinion which in turn is construed by media narratives Scandal is powerful because of its ability to challenge institutions by destabilizing their legitimacy The media plays an integral role in the creation of scandal because it interprets real events as purposeful actions for the public Examining the ubiquity of scandals in today s mass media Johannes Ehrat s conclusions are fresh and surprising Ehrat applies classic semiotic and pragmatic thought to contemporary media issues mainly moralist discourse from sex abuse cases to the phenomenon of televangelism Arguing that sociological and communications studies of scandal have ignored the media s constructed nature Ehrat focuses on how meaningful public narrative is produced By examining the parallel worlds of media and public opinion *Power of Scandal* uses an alternative heuristic for understanding mass communication that is both rigorous and sophisticated      **Campfire Stories** Joseph Cubbage,2022-07-26 *Campfire Stories* is a collection of short stories as told by a group of friends while they sit around a campfire These friends The Chosen Family have turned story time into a game They must decide if each story is true fiction or embellished Can a killer get right with his God before going to prison Can true love survive a pandemic lock down Will a book found in the floor boards reveal a traumatic past Will a family s dog lead a detective to a town s secret Can a missing camper a broken leg or a pretty redhead bring an end to life long friendships Throughout the camping trip and story hours there is something stalking them in the woods just outside of camp At first the campers brush it off as other campers fooling around But one of them believes it is something far more dangerous and unbelievable By day the campers and their families play in the water eat drink and relax Each night however is creepier than the one before By the end of the weekend they cannot wait to get out of those woods and never go back      **Story Dash** David Hutchens,2021-08-24 Storytelling is humanity s oldest way of connecting to others But for businesses and managers it can also be a powerful tool to help organizations grow and thrive A leader s role is to create engagement and belief so that people will act And there s no more powerful way to grab attention be remembered and engage action than by telling stories about who you are what you do and why you do it Today storytelling is a hot topic in organizations but most leaders still struggle to act upon it How do we find and tell our stories quickly in an environment of urgency where we can hardly pause to catch our breath For more than a decade Hutchens has tested his method of rapid and strategic story development with innovation teams in Silicon Valley across global Fortune 100 leadership teams and more Hutchens has honed a unique process that is active potent and strategically focused and also a lot of fun In *Story Dash*
