## **Storm Weaver And The Sand:**

**The Storm Weaver & the Sand** Sean Williams, 2014-05-27 Sal and his friend Shilly have been joined by a third refugee Skendar by the time they make their way to the remote island that is the home of the famous feared Haunted City home of the Sky Wardens Sal's great aunt the Syndic is also there and she is determined to keep Sal under control even if she has to imprison him to do it But there are greater threats even than that The ghosts that live behind the ancient glass of the City are restless No one can say why they are stirred up and no one has any idea what they can do if they act The golem is determined to make Sal do its bidding and will not stop short of murder to obtain his obedience It appears that the Weavers have plans as well yet no one knows or will admit knowing whether the legendary Weavers even exist or what they are Beset on all sides by dangerous powers and controlling agendas Sal must find a way to choose his own path or submit to a fate not of his own making

**The Storm Weaver and the Sand** Sean Williams, 2017-08 When the three runaways Sal Shilly and Skender finally arrive at the remote island of the Haunted City home of the Sky Wardens Sal's great aunt the Syndic is determined to keep them under control And if that means imprisonment so be it But the Syndic isn't the least of Sal's worries The ghosts that live behind the ancient glass of the city are restless and no one knows why or what they can do The golem will force Sal to do its bidding by whatever means necessary even murder And it seems that the Weavers have their own plans for the three of them but what and who are they Few people believe they exist and those who do keep their knowledge close to their chests Whichever path Sal chooses it seems the price to pay is very high for those closest to him But he must decide or submit to a future not of his making
