artistic calling and defined her work. A woman alone after the storm had passed, she found that her life after the war was indelibly marked by the experience. Undeterred by a rejection from the Canadian War Memorials Fund, who nominated only male war artists abroad, in 1919 Hamilton received a commission from the Amputation Club of British Columbia, now the War Amps, to commemorate those lost at war. She travelled from Victoria to the pre-reconstruction battlefields and towns of the Somme, Vimy Ridge, and the Ypres Salient, where amid harsh conditions, inadequate shelter, and food, surroundings littered with unexploded shells, she recorded with determination, pride, and grace the ruins of war. Based on intensive archival research in Canada, France, and Belgium, and using many previously unpublished letters, *I Can Only Paint* offers an insider's view of the artist's vast underexplored body of war work and the conditions in which she created it. It places this period central, though it was in the context of a full understanding of her life, and restores the work she created there to its proper place in the canon of war art in Canada and abroad. Irene Gammel argues that Hamilton's work encoded a female perspective that distinguishes her paintings from the work of official Canadian war artists. The first reliable account of Hamilton's impressions of Canada's most haunting sites of conflict, *I Can Only Paint* captures with detail and sensitivity an experience that defined her life and recovers a body of work that stands as a unique and enduring portrait of the effects of the Great War.

Jackson's Wars Douglas Hunter, 2022-05-15 A captivating account of the formative years of one of Canada's best-known artists, Jackson's Wars follows A.Y. Jackson's education and progress as a painter before he was a well-known artist and his time on the battlefield in Europe before he cast his lot in with a group of like-minded Toronto artists. Jackson fought many battles; he was a feisty and opinionated combatant when he crossed swords with critics, collectors, museums, galleries, and fellow painters as an emerging artist. Moving from Montreal to Toronto in 1913, he became a key figure in a landscape movement that was determined to depict Canada in a bold new way, only to have a war dash the group's collective ambitions. Alone among his close associates, Jackson enlisted to fight with the 60th Infantry Battalion. Wounded at Sanctuary Wood in 1916, he returned to the field of combat as an official war artist, the first Canadian artist appointed the only infantryman in the program and militated for other Canadian appointments to what is now a storied moment of creation for such artists as F.H. Varley and Arthur Lismer. Jackson produced some of Canada's most memorable depictions of the world's first industrial-scale conflict, even as he reckoned with the anguish caused by the mysterious death of his close friend Tom Thomson. A life-changing event for soldiers, families, and nations alike, the First World War has been understood as a moment of stasis in the visual arts in Canada, the dead ground from which the Group of Seven emerged in the early 1920s. Douglas Hunter shows how Jackson's war was a moment of intense transformation and artistic development on the canvas, as well as an experience that tempered a young man into a constructive elder statesman for Canadian art. On his return home, he was not only instrumental in the formation of the Group of Seven in Toronto but a key figure for the Beaver Hall Group in Montreal. Jackson's Wars is a story of brotherhoods of painters and soldiers, shot through with inspiration, ambition, trauma, and loss on the home front, as

well as on the battlefield Hunter widens and deepens A Y Jackson s world of friends family and colleagues to capture the life of a complex man and the crucial events and relationships behind the creation of Canada s best known art collective *A History of Canadian Culture* Jonathan Franklin William Vance,2009 From Dorset sculpture to the Barenaked Ladies award winning historian Jonathan F Vance reveals a storyteller s ear for narrative In a country this diverse culture has different meanings Vance tells a story from the wind swept Arctic where a stranded Innu woman fighting to survive took the time to decorate her clothing with rich designs A British explorer was amazed at her efforts but Vance reminds us of the inseparable connection between life and art in Inuit culture the Innu word for breathe also means to make poetry and both derive from the word for the soul No surprise that Aboriginal culture began to change irrevocably with the arrival of more Europeans who brought their own ideas about culture But that is another tale in Vance s fascinating *History* Vance considers a range of key topics Where for example is the divide between culture and mass entertainment He also considers how the hot button issues of Canadian culture government funding for the arts the cultural brain drain the drive to preserve distinctly Canadian forms of expression concerns over copyright protection the economic impact of cultural industries can be traced back to previous centuries And he shines new light on other key areas such as the unique culture of Quebec and the CBC R sum de l diteur **Inspirational** ,2009 Artists in the Exhibition Georges Braque Paul mile Borduas Emily Carr Gustave Courbet Henri Fantin Latour Lillian Freiman Lawren Harris Prudence Heward A Y Jackson Arthur Lismer J E H MacDonald Pegi Niol MacLeod Henri Masson Louis Muhlstock Newton Liliias Torrance Goodridge Roberts Sarah Robertson Anne Savage Tom Thomson Jacques de Tonnancour Maurice Utrillo F H Varley *Current Contents.
