Michael Moore, 2002 Remember when everything was looking up When the government was running at a surplus pollution was disappearing peace was breaking out in the middle East and Northern Ireland and the Bridge to the Twenty First century was strung with Internet cable and paved with 401 k gold Well so much for the future Michael Moore the award winning povocateur behind Roger Me and the best seller Downsize This now returns to size up the new century and that big ugly special interest group that s laying waste to the world as we know it stupid white men Among the targets of Mike s Manifesto on Malfeasance and mediocrity are the Bush family Junta Bll Clinton the Idiot Nation and Corporate American *Stupid White Men: And Other Sorry Excuses for the State of the Nation!* M. Moore, 2004-05-01 Stupid White Men Michael Moore, 2004-05-11 In the winter of 2002 Stupid White Men took America and the world by storm Tired and skeptical of George W Bush s high approval ating frightened by the implications of the Enron scandal and generally just looking for a voice of honest dissent in the thick atmosphere of jingoism that followed 9 11 book buyers from coast to coast swiftly embraced Michael Moore s in your face anti Bush era manifesto making it one of the bestselling nonfiction books of the year With an unerring eye for greed hypocrisy and corruption Michael Moore takes on the whole ugly mess of America at the dawn of the twenty first century Whether he s demanding U N action to overthrow the Bush Family Junta or calling on African Americans to place whites only signs over the entrances of unfriendly businesses Stupid White Men is a pitch perfect skewering of our culture of Malfeasance and Mediocrity **No BS (Bad Stats)** Ivory A. Toldson, 2019-04-09 A Brill Sense Bestseller What if everything you thought you knew about Black people generally and educating Black children specifically was based on BS bad stats We often hear things like Black boys are a dying breed There are more Black men in prison than college Black children fail because single mothers raise them and Black students don t read In No BS Ivory A Toldson uses data analysis anecdotes and powerful commentary to dispel common myths and challenge conventional beliefs about educating Black children With provocative engaging and at times humorous prose Toldson teaches educators parents advocates and students how to avoid BS raise expectations and create an educational agenda for Black children that is based on good data thoughtful analysis and compassion No BS helps people understand why Black people need people who believe in Black people enough not to believe every bad thing they hear about Black people **A Reader of Modern Urdu Poetry** Peter Swirski, 2010-08-10 As partisan attacks have become increasingly bitter in American politics contemporary culture has found ways to channel this outrage into the outrageous responding with comedy and satire from both sides of the political spectrum *Ars Americana Ars Politica* cross examines American politics culture and history by examining Irving Wallace s *The Man* Richard Condon s *Death of a Politician* P J O Rourke s *Parliament of Whores* Warren Beatty s film *Bulworth* and Michael Moore s *Stupid White Men* to show how these popular artists have used soap box partisanship and box office arertainment to affect history Erasing Racism Molefi Kete

Asante,2010-10-05 Did the election of Barack Obama to be President of the United States signal real progress in bridging America's longstanding racial divide In this profound study of systemic racism Molefi Kete Asante one of our leading scholars of African American history and culture discusses the greatest source of frustration and anger among African Americans in recent decades what he calls the wall of ignorance that attempts to hide the long history of racial injustice from public consciousness This is most evident in each race's differing perspectives on racial matters Though most whites view racism as a thing of the past a social problem largely solved by the civil rights movement blacks continue to experience racism in many areas of social life encounters with the police the practice of red lining in housing difficulties in getting bank loans mortgages and insurance policies and glaring disparities in health care educational opportunities unemployment levels and incarceration rates Though such problems are not expressions of the overt racism of legal segregation and lynch mobs what most whites probably think of when they hear the word racism their negative effect on black Americans is almost as pernicious Such daily experiences create a lingering feeling of resentment that percolates in a slow boil till some event triggers an outburst of rage Asante argues that America cannot long continue as a cohesive society under these conditions As we embark upon new leadership under America's first African American president he urges more public focus on redressing the wrongs of the past and their continuing legacy Above all he thinks that Americans must seriously consider some system of reparations to deal with both past and present injustices an apology and our own truth and reconciliation committee that addresses both the history of slavery and present day racism Only in this way he feels can we ever hope to heal the racial divide that never seems to be erased This is a powerful deeply perceptive analysis of a crucial social problem by one of America's leading thinkers on race

The Corporation Joel Bakan,2019-09-03 The inspiration for the film that won the 2004 Sundance Film Festival Audience Award for Best Documentary The Corporation contends that the corporation is created by law to function much like a psychopathic

personality whose destructive behavior if unchecked leads to scandal and ruin Over the last 150 years the corporation has risen from relative obscurity to become the world's dominant economic institution Eminent Canadian law professor and legal theorist Joel Bakan contends that today's corporation is a pathological institution a dangerous possessor of the great power it wields over people and societies In this revolutionary assessment of the history character and globalization of the modern business corporation Bakan backs his premise with the following observations The corporation's legally defined mandate is to pursue relentlessly and without exception its own economic self interest regardless of the harmful consequences it might cause to others The corporation's unbridled self interest victimizes individuals society and when it goes awry even shareholders and can cause corporations to self destruct as recent Wall Street scandals reveal Governments have freed the corporation despite its flawed character from legal constraints through deregulation and granted it ever greater authority over society through privatization But Bakan believes change is possible and he outlines a far reaching program of achievable reforms through legal regulation and democratic control Featuring in depth interviews with such wide ranging figures as Nobel Prize winner Milton Friedman business guru Peter Drucker and cultural critic Noam Chomsky The Corporation is an extraordinary work that will educate and enlighten students CEOs whistle blowers power brokers pawns pundits and politicians alike
