Style And Language:

Language and Style E. L. Epstein, 2013-10-08 We are living in a time of rapid radical social change In New Accents each volume in the series will seek to encourage rather than resist the process of change to stretch rather than reinforce the boundaries that currently define literature and its academic study This book offers a new focus on various connected topics in the treatment of style as a human phenomenon and especially the style of literary artefacts The subject of style is of intense and continuing interest and the bibliography in the field of literary style alone is enormous The essays that follow are therefore an attempt to contribute to the literature of a continuing study **Style in Language** Thomas Albert Sebeok, 1966

Style Nikolas Coupland, 2007-08-09 Style refers to ways of speaking how speakers use the resource of language variation to make meaning in social encounters This 2007 book develops a coherent theoretical approach to style in sociolinguistics illustrated with copious examples It explains how speakers project different social identities and create different social relationships through their style choices and how speech style and social context inter relate Style therefore refers to the wide range of strategic actions and performances that speakers engage in to construct themselves and their social lives Coupland draws on and integrates a wide variety of contemporary sociolinguistic research as well as his own extensive research in this field The emphasis is on how social meanings are made locally in specific relationships genres groups and cultures and on studying language variation as part of the analysis of spoken discourse *Essays on Style and Language* Roger Fowler, 1967 **Language and Style** Dan McIntyre, Beatrix Busse, 2020-09-03 Inspired by Exploring the Language of Poems Plays and Prose Mick Short's classic introduction to stylistics Language and Style represents the state of the art in literary stylistics and encompasses the full breadth of current research in the discipline Written by leading scholars in the field chapters cover a variety of methodological and analytical approaches from traditional qualitative analysis to more recent developments in cognitive and corpus stylistics Addressing the three key literary genres of poetry drama and narrative Language and Style is divided into carefully balanced sections Based on original research each chapter demonstrates a particular analytic technique and explains how this might be applied to a text from one of the literary genres Framed by helpful introductory material covering the foundational principles of stylistics the chapters act as practical exemplars of how to carry out stylistic analysis Comprehensive and engaging this invaluable resource is essential reading for anyone interested in stylistics Essays on Style and Language Roger Fowler, 2017-11-07 Cover Title Copyright Contributors Original Title Original Copyright Contents Preface 1 LINGUISTIC THEORY AND THE STUDY OF LITERATURE 2 THE NEW CRITICISM AND THE LANGUAGE OF POETRY 3 BY ALGEBRA TO AUGUSTANISM 4 TAKING A POEM TO PIECES 5 PROSE RHYTHM AND METRE 6 DISTICH AND SENTENCE IN CORNEILLE AND RACINE 7 LINGUISTIC READING TWO SUGGESTIONS OF THE QUALITY OF LITERATURE 8 LINGUISTICS AND THE FIGURES OF RHETORIC 9 CHAUCER'S EPISTOLARY STYLE 10 THE FORMULAIC THEORY AND ITS APPLICATION TO ENGLISH ALLITERATIVE POETRY Index Language and Style E.

L. Epstein,2013-10-08 We are living in a time of rapid radical social change In New Accents each volume in the series will seek to encourage rather than resist the process of change to stretch rather than reinforce the boundaries that currently define literature and its academic study This book offers a new focus on various connected topics in the treatment of style as a human phenomenon and especially the style of literary artefacts The subject of style is of intense and continuing interest and the bibliography in the field of literary style alone is enormous The essays that follow are therefore an attempt to contribute to the literature of a continuing study **Language, Literature and Style in Africa** Taiwo Abioye,Arua E.

Arua,Kehinde Ayoola,2014-11-24 This book brings together the seminal contributions of scholars interested in the study of language literature and style in Africa It marks a response to the longstanding neglect of stylistic analysis of canonical and emergent fictional and non fictional African prose and discourse As a reaction to this neglect of African literary artefacts the book provides a welcome and timely deviation from the norm The contributions to this volume include discussions that are both analytical and theoretical analyses of style at the levels of lexis and semantics newer and more innovative analyses that highlight the relationship between style pedagogy and technology mediated discourse and a final discussion that provides an appropriate background against which issues related to language literature and style can be understood In terms of the volumes representation of diverse geographical contexts the papers included here bridge the North South divide in Africa and there are contributions from Libya Nigeria South Africa and Zimbabwe As such the book is an interesting collection of papers that illuminate the study of literary style in Africa and highlight the need for a greater revival of it on a larger scale

Style in Language, Edited by Thomas A. Sebeok Indiana University Conference on Style,1964 Patterns in Language Joanna Thornborrow,Shân Wareing,1998 This student friendly textbook uses the principles of linguistic analysis to investigate the aesthetic use of language in literary and non literary texts

As recognized, adventure as competently as experience about lesson, amusement, as capably as understanding can be gotten by just checking out a ebook **Style And Language** after that it is not directly done, you could receive even more a propos this life, in the region of the world.

We give you this proper as competently as simple way to acquire those all. We give Style And Language and numerous books collections from fictions to scientific research in any way. in the midst of them is this Style And Language that can be your partner.
