Subordinated Sex Histof Attitudes:

The Subordinated Sex Vern L. Bullough, Sarah Slavin, 1988 *The Subordinated Sex* traces the enduring powerful legacy of male attitudes toward women their sexuality and their roles as wives and mothers Acclaimed as a pioneering study when first published in 1973 Vern Bullough s work has since established itself as a standard in historical literature on women Updated and revised with Sarah Slavin and Brenda Shelton *The Subordinated Sex* is a vast survey ranging from prehistoric to contemporary times examining a diversity of cultures and taking into account writings from a great variety of sources From a consideration of Babylonian legal codes to Victorian prescriptive medical pamphlets medieval clerical treatises to Islamic erotic poetry Bullough and his coauthors recount not only how men have portrayed women but also how they have justified their subordination of the opposite sex Book jacket

The Subordinated Sex Vern L. Bullough, Brenda Shelton, Sarah Slavin, 1988-10-01 *The Subordinated Sex* traces the enduring powerful legacy of male attitudes toward women their sexuality and their roles as wives and mothers Traditionally the creators and chroniclers of opinion men have until recently written a history that reflects only their own convictions and impressions a history rarely punctuated by a female voice and founded on an almost universal belief in women s inferiority Acclaimed as a pioneering study when first published in 1973 Vern Bullough s work has since established itself as a standard in historical literature on women Updated and revised with Sarah Slavin and Brenda Shelton *The Subordinated Sex* is a vast survey ranging from prehistoric to contemporary times examining a diversity of cultures and taking into account writings from a great variety of sources From a consideration of Babylonian legal codes to Victorian prescriptive medical pamphlets medieval clerical treatises to Islamic erotic poetry Bullough and his coauthors recount not only how men have portrayed women but also how they have justified their subordination of the opposite sex In recent years women have successfully challenged males self designated role as gatekeepers of written records and have found within the past a more complete view of how women lived what they thought and what they achieved By focusing however not on women s history but on the history of men s attitudes toward their female companions *The Subordinated Sex* reveals more than any other single work the conditions that sparked the feminist movement and the reasons it must inspire a change in the lives of men as well as women

Amatory Pleasures Julie Peakman, 2016-10-06 Encompassing the long 18th century *Amatory Pleasures* examines a broad and enticing variety of topics in the history of sexuality in Georgian times It includes discussion of sexual perversion criminal conversation erotic gardens gentlemen s homosocial societies flagellation pornography writings of courtesans and the world of female friendship revealing the secret or hidden meanings circulating between mainstream and covert activities of the 18th century Julie Peakman draws connections between these pieces and situates them within current debates and examines how Georgian sexual activity was integrated from low life and high places from brothels to palaces Aimed at anyone interested in gender history of sexuality sex literature and 18th century history *Amatory Pleasures* is an invaluable collection of the work of a key scholar in the field

Women's Secrets Helen Rodnite

Lemay, Albertus, 1992-10-14 *Women's Secrets* provides the first modern translation of the notorious treatise *De secretis mulierum* popular throughout the late middle ages and into modern times. The *Secrets* deals with human reproduction and was written to instruct celibate medieval monks on the facts of life and some of the ways of the universe. However, the book had a much more far-reaching influence. Lemay shows how its message that women were evil, lascivious creatures built on the misogyny of the works of Aristotelian sources and laid the groundwork for serious persecution of women. Both the content of the treatise and the reputation of its author, erroneously believed to be Albertus Magnus, inspired a few medieval scholars to compose lengthy commentaries on the text. Substantial selections from which are included, providing further evidence of how medieval men interpreted science and viewed the female body. [Women and Learning: Oxford Bibliographies Online Research Guide](#) Oxford University Press, 2010-06-01. This ebook is a selective guide designed to help scholars and students of Islamic studies find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear, from books, chapters, and journal articles to online archives, electronic data sets, and blogs. Written by a leading international authority on the subject, the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated. This ebook is a static version of an article from *Oxford Bibliographies Online*. Renaissance and Reformation, a dynamic, continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study of European history and culture between the 14th and 17th centuries. *Oxford Bibliographies Online* covers most subject disciplines within the social science and humanities. For more information, visit www.oxfordbibliographies.com. **Perilous Chastity** Laurinda S. Dixon, 2019-01-24. Bearing such titles as *The Doctor's Visit* or *The Lovesick Maiden*, certain seventeenth-century Dutch paintings are familiar to museum browsers: an attractive young woman, well-dressed but pale and listless, reclines in a chair; languishes in bed; or falls to the floor in a faint. Weathered crones or impish boys leer suggestively in the background. These paintings traditionally have been viewed as commentary on quack doctors or unmarried pregnant women. The first book to examine images of women and illness in the light of medical history, *Perilous Chastity* reveals a surprising new interpretation. In an engaging analysis enhanced by abundant illustrations, including eight pages of color plates, Laurinda S. Dixon shows how paintings reflect changing medical theories concerning women. While she illuminates a tradition stretching from antiquity to the present, she concentrates on art from the thirteenth through the eighteenth centuries and particularly on paintings from seventeenth-century Leiden. Dixon suggests how the assumptions of a predominantly male medical establishment have influenced prevailing notions of women's social place. She traces the evolution of the belief that women's illnesses were caused by hysteria, so named in ancient Greece after the notion that the uterus had a tendency to wander in the body. All women were considered prone to hysteria; strong emotions, idleness, intellectual activity, or unladylike pursuits could cause it, but it was most commonly diagnosed among celibates. Analyzing

paintings of women's sickrooms by Jan Steen, Dirck Hals, Gabriel Metsu, Jacob Ochtervelt, Godfried Schalcken, Samuel van Hoogstraten, and Franz van Mieris. Dixon perceives metaphoric identifications of the womb as the source of illness. She also documents changing fashions in cures for hysteria and discusses allusions to the debilitating effects of women's passions not only in paintings but also in madrigals by John Dowland and Henry Purcell. In conclusion, Dixon argues that her study has strong ramifications of attitudes towards women and illness today. She takes up images in twentieth-century culture as well and calls attention to a resurgence of female hysteria after World War II.

Sex and the Ancient City Andreas Serafim, George Kazantzidis, Kyriakos Demetriou, 2022-05-09 This volume aims to revisit further explore and tease out the textual but also non-textual sources in an attempt to reconstruct a clearer picture of a particular aspect of sexuality, i.e. sexual practices in Greco-Roman antiquity. Sexual practices refers to a part of the overarching notion of sexuality, specifically the acts of sexual intercourse, the erogenous capacities and genital functions of male and female body and any other physical or biological actions that define one's sexual identity or orientation. This volume aims to approach not simply the acts of sexual intercourse themselves but also their legal, social, political, religious, medical, cultural, moral and interdisciplinary, e.g. emotional, performative perspectives as manifested in a range of both textual and non-textual evidence, i.e. architecture, iconography, epigraphy, etc. The insights taken from the contributions to this volume would enable researchers across a range of disciplines, e.g. sex, gender studies, comparative literature, psychology and cognitive neuroscience to use theoretical perspectives, methodologies and conceptual tools to frame the sprawling examination of aspects of sexuality in broad terms or sexual practices in particular.

Advancing Sexual Health for the Christian Client Beverly Dale, Rachel Keller, 2019-03-04 Advancing Sexual Health for the Christian Client is an essential toolkit for professionals working at the intersection of Christian belief and sexual health. In this book, Beverly Dale and Rachel Keller deconstruct potentially harmful Christian beliefs around sexuality to support clients stuck in sexual guilt, shame and fear. Combining the experience of an ordained Christian clergy with a certified sexologist, this guide promotes a new approach to sex and faith for therapists which will help their clients to reconcile a belief in God's love with sexual knowledge and fulfillment. Grounded in historical and cultural contexts and drawing from both academic research and scriptural exegesis, the authors offer practical clinical applications and interventions to enable clients to re-examine their sexual beliefs in a way that encourages sexual healing. By understanding the goals of a sex-positive, body-positive Christianity, professionals can find a common language with the person of faith and build an effective therapeutic relationship. This book will be a key point of reference for any sex therapist, educator or student looking to integrate faith-based concepts into their approach.

The Cambridge World History: Volume 7, Production, Destruction and Connection, 1750-Present, Part 2, Shared Transformations? J. R. McNeill, Kenneth Pomeranz, 2015-04-16 Since 1750, the world has become ever more connected with processes of production and destruction no longer limited by land or water-based modes of transport and communication. Volume 7 of the Cambridge

World History series divided into two books offers a variety of angles of vision on the increasingly interconnected history of humankind The second book questions the extent to which the transformations of the modern world have been shared focusing on social developments such as urbanization migration and changes in family and sexuality cultural connections through religion science music and sport ligaments of globalization including rubber drugs and the automobile and moments of particular importance from the Atlantic Revolutions to 1989

The Handbook of Media and Mass Communication

Subordinated Sex Histof Attitudes Introduction

In the digital age, access to information has become easier than ever before. The ability to download Subordinated Sex Histof Attitudes has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Subordinated Sex Histof Attitudes has opened up a world of possibilities. Downloading Subordinated Sex Histof Attitudes provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Subordinated Sex Histof Attitudes has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Subordinated Sex Histof Attitudes. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Subordinated Sex Histof Attitudes. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Subordinated Sex Histof Attitudes, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to

distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Subordinated Sex Histof Attitudes has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Subordinated Sex Histof Attitudes Books

1. Where can I buy Subordinated Sex Histof Attitudes books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
