Subway Love Nora Raleigh Baskin, 2014-05-13 What if destiny leads you to your soul mate but the laws of time conspire to keep you apart If her parents had never divorced Laura wouldn't have to live in the shadow of Bruce her mom's unpredictable boyfriend Her mom wouldn't say things like Be groovy and Laura wouldn't panic every weekend on the way to Dad's Manhattan apartment But when Laura spots a boy on a facing platform lifting a camera to his face looking right at her Laura feels anything but afraid and she can't forget him Jonas meanwhile thinks nonstop about the pretty hippie girl he glimpsed on the platform trying to comprehend how she vanished but mostly wondering whether he will see her again in a city of millions and whether if he searches he would have any chance of finding her In a lyrical meditation on love Nora Raleigh Baskin explores the soul's ability to connect and heal outside the bounds of time and reason **I Love Japan** Craig Briggs, 2004-12 Japan is an intriguing country and culture that both delights and confounds the visitor In I Love Japan Craig Briggs gives you uncommonly insightful yet amusing insights into living working and playing in Japan In this collection of short and witty essays Briggs brings you Japanese culture real and unfiltered through the eyes of a keenly observant sensitive and often times smart assed foreigner About traditional Japanese cuisine Part of the enjoyment of eating soba is the slurping taking air in rapidly over the soba and enhancing the dining experience Choking on soba however does not enhance the dining experience And losing your lunch in such a traditional setting will also make you lose face Experience the tradition of sumo wrestling and cherry blossom viewing Understand the danger of climbing Mt Fuji or of just taking a commuter train at rush hour Learn and laugh about quirky Japanese refinements to common often unsightly acts like public drunkenness and trash recycling And visit some of the countries surrounding Japan and be thankful you live in Japan instead Part travel guide and part survival kit I Love Japan is the only book with the courage to tell you just what really is happening in Japan
