Master the bow with precision and accuracy. *Archery: Steps to Success*, Fifth Edition, offers progressive step-by-step instructions to help you learn the styles, techniques, and equipment needed to shoot accurately, consistently, and safely. This updated edition offers full-color photos and graphics alongside complete coverage of all aspects of archery: selecting, fitting, tuning, and upgrading equipment; assessing, refining, and perfecting shooting form; compensating for common weather conditions such as rain and wind; preparing, practicing, and planning for competition; expanded information on judging distance and shooting on uneven terrain. New section: Bowfishing. For archers using recurve or compound bows, you can practice the 92 exercises for each phase of the shot: stance, draw, aim, release, and follow-through, to develop consistent technique. Then use the popular Steps to Success scoring system to track your progress. The Score Your Success exercises throughout the chapter and the Success Summary at the end of each chapter let you know whether you are ready to move ahead to the next step. New sidebars for each step show how scientific research informs shooting technique and equipment. Whether you are an
