Successful Living Through Biblical Principles Tom Mentis, 1999

Biblical Principles for Achieving Personal Success Rich Brott, 2008 You were created with great potential You have God given giftings and talents Sometimes potential is never realized Realizing your full potential is an ever continuing process of growth This involves a willingness to try new things new ways new ideas Dreams worth pursuing do not have to be big or unrealistic The important thing is living a dream that is really yours Those who are most fulfilled know what they want and go after it You have great God given capacity to succeed in life Your life can be full and rewarding People who never achieve their full potential live an empty life If you think you can't you won't Search for something that can't be done and do it This insightful book starts by asking you some thought provoking questions What is it that you are called to do What is the vision you have for your life What dreams do you have that are still ahead of you What were you born to do What is your purpose How will you achieve that calling in your lifetime Author Rich Brott helps you to understand the 8 Critical Insights You Must Discover in order to Achieve Personal Success in life The content is thorough the season is timely and you will be motivated and challenged to achieve your highest potential

Biblical Principles That Create Success Through Productivity Rich Brott, 2008 According to author Rich Brott it is human nature to want something for nothing or at least to receive a maximum amount of return for a minimum amount of effort The old adage notes that we should work smarter not harder There is no doubt that the industrial revolution changed society forever But is there ever a legitimate excuse to not continue working hard But the bottom line is this For you to be successful with consistency you will have to give up the ever present desire to live a life of leisure fulfilling every personal whim and want and choose to remain productive for a good part if not all of your life God honors hard work He honors productivity It is the author's belief that God's method for success is to bless the good productive work ethics of ordinary people 7

Spiritual Principles to Successful Living Joseph Whyte, 2003-12-01 Exploring the cause of failure in the lives of so many and identifying the spiritual principles that will ensure success in life Excerpt There are many financially secured individuals who are absolute failures at everything in life Many have earned or inherited wealth and have languished in the dungeons of unhappiness because of their wealth They have never known love happiness or freedom It is true that many wealthy persons covet the happiness and successful lifestyle of people with a small fraction of their financial net worth True success cannot be limited to the acquiring of physical assets and be based on bank records and balance sheets
