Measuring the Success of Sales Training Patricia Pulliam Phillips, Jack J. Phillips, Rachel Robinson, 2013-02-28 It has never been more important to show examples of sales skills at work The process to evaluate these skills is sometimes perceived as straightforward and routine simply a matter of tracking the sales gains after the program has been conducted But credibly Measuring the Success of Sales Training programs is a bit more involved than that Experts in the practice of ROI measurement Jack and Patricia Phillips have collected a new book of ROI case studies with a focus on sales training programs The case studies presented in this book demonstrate how to use of the ROI Methodology to properly measure the results of sales programs These studies come from all over the world in many different disciplines and concentrations from financial services to the public sector The use of the ROI Methodology addresses issues that are sometimes omitted from other casebooks First since many other factors influence sales there must always be a step to isolate the effects of the sales training program on the sales each study features this step Second when converting to monetary value only the profit margins of increased sales must be used not the sales themselves a mistake made by many Third the stream of monetary benefits for the increased profits must be conservative usually representing only one year Sponsors need a credible conservative approach to measuring ROI one that meets these challenges All of the case studies in this book will address these issues providing examples and benchmarks for others to use to evaluate these important types of programs

Action Plan For Sales Management Success-Not just what to do but how to do it! Susan A. Enns, 2010-11-05 Fact 25% of sales representatives produce 90 to 95% of all sales Clearly most of the members on your sales team are not selling up to their potential and therefore not generating the revenues they could That means neither of you are making the incomes you could Why is this case It s not that the job can t be done because 25 percent are doing it and doing it well It s because the other 75 percent either are not in the right sales position or they truly don t know how to sell Until now most sales managers have not had access to effective affordable sales training Action Plan For Sales Management Success is a proven turn key program that will become the foundation of your sales management process Action Plan For Sales Success will improve your sales management skills so that you and your team can achieve your true sales potential What You Will Learn 1 The B2B Sales Process The Sales Manager s Role Before you can lead you must know the right direction 2 Eagles or Turkeys Recruiting and Hiring The Right Sales Professional Hiring the wrong sales person will cost you 3 to 5 times their annual compensation plan We ll show you how to recruit and hire right 3 It All Starts Here Your 90 Day Sales Rep Success Plan Welcome to the company here s your price book now go and sell will not make your sales team successful We ll show you what will 4 You Are
