Coming Out of Egypt K.C. Stricker, 2008-03-15 Coming Out of Egypt is an exodus out of idolatry the idolatry of ancient Egypt and the idolatry that permeates the church today Its goal is to make the exodus come alive for the reader not to just read about the exodus but to experience the exodus not to just read about the Passover but to experience the Passover to catapult the reader back through time like a time traveler entering a time portal The goal of Coming Out of Egypt is to experience redemption not just to read about redemption to experience redemption from Pharaoh at the Reed Sea and witness Yeshua s resurrection *Learning Messiah* Edjan Westerman, 2018-09-27 Israel s election calling and history make up a big part of Scripture It could be said that they belong to the DNA of the Bible But why is it then that the Christian narrative about the Messiah Israel and the nations often seemed to have and sometimes even still has a different genetic structure Does Israel together with its election and promises leave God s stage through a side door when Jesus appears on stage Does a changing of roles take place within a different story Does the Messiah function within it as some kind of black hole in which the eternal election and calling of Israel disappear How do we read God s way The Holocaust made us realize that our de Jew ized reading and preaching of Scripture contributed in various ways to this catastrophe And we find ourselves confronted by the question How does the narrative of the Bible then look when the whole of Scripture plays a decisive role and the faithfulness of God toward Israel stays in the center This book presents an answer to these questions calling us to learn to read God s way anew and to walk in it **Catalog of the Hebrew collection of the Harvard College Library: Author** Harvard College Library, 1995 *Judaism A-Z* Jacob Newman, Gabriel Sivan, 1980 **Catalog of the Hebrew collection of the Harvard College Library: Imprint index** Harvard College Library, 1995
