## **Suchitra Sen:**

*Suchitra Sen* Shoma Chatterji, 2015-12-10 The definitive biography of one of Indian cinema's biggest icons. Arguably the greatest star of Bengali cinema, Suchitra Sen mesmerized audiences for years before withdrawing from the public gaze and refusing to emerge in the limelight in the last decade of her life. In this nuanced biography, Shoma Chatterji unveils the two different dimensions of the Suchitra Sen persona as a legendary romantic star with an audience pull spanning over two decades and her slow but steady metamorphosis into a powerful performing artist through films like *Deep Jale*, *Jai Hospital*, *Mamta* and *Aandhi*, who could seamlessly and effortlessly essay completely different characters without the on-screen partnership of Uttam Kumar. Award-winning author and film critic Shoma Chatterji presents a fascinating portrait of an icon of Indian cinema addressing two significant elements that have not been touched by other writers: Suchitra Sen as a working woman in films and her wilful social seclusion.

**Bengali Cinema: An Other Nation** Sharmistha Gooptu, 2018-05-31

Sharmistha Gooptu is a founder and managing trustee of the South Asia Research Foundation (SARF), a not-for-profit research body based in India. SARF's current project, SAG (South Asian Gateway), is in partnership with Taylor and Francis and involves the creation of what will be the largest South Asian digital database of historical materials. She is also the joint editor of the journal *South Asian History and Culture* (Routledge) and the Routledge South Asian History and Culture book series.

**Bengali Culture Over a Thousand Years** Ghulam Murshid, 2018-01-25 Art, literature, music, and other intellectual expressions of a particular society are together regarded as the culture of that society. Ideas, customs, and social behaviour of a particular people or society are also its culture. Contrary to what we think, it is not easy to describe culture, nor is it easy to write the cultural history. Writing the history of Bengali culture is even more difficult because Bengali society is truly plural in its nature, made even more so by its political division. The two main religious communities that share this culture are often more aware of the differences between them than the similarities. Nonetheless, the people remain bound by history and a shared language and literature. Ghulam Murshid's *Bengali Culture over a Thousand Years* is the first non-partisan and holistic discussion of Bengali culture. Written for the general reader, the language is simple and the style lucid. It shows how the individual ingredients of Bengali culture have evolved and found expression in the context of political developments and how certain individuals have moulded culture. Above all, the book presents the identity and special qualities of Bengali culture. The book was originally published in Bengali in Dhaka in 2006. This is the first English translation.

**Suchitra Sen** Shoma A. Chatterji, 2002

*Suchitra Sen* b. 1934 Bengali and Hindi motion picture actress. *Women and Resistance in Contemporary Bengali Cinema* Srimati Mukherjee, 2016-01-13 Historically, Indian cinema has positioned women at the intersection of tradition and a more evolving culture, portraying contradictory attitudes which affect women's roles in public and private spheres. Examining the work of three directors from West Bengal, this book addresses the juxtaposition of tradition and culture regarding women in Bengali cinema. It argues the antithesis of women's roles, particularly in terms of ideas of

resistance revolution change and autonomy by suggesting they convey resistance to hegemonic structures encouraging a re envisioning of women s positions within the familial social matrix Along with presenting a perception of culture as dynamic and evolving the book discusses how some directors show that with this rupturing of the traditionally prohibitive and a notion of unmaking and making in women a traditional inclination is exposed to align women with ideas of absence substitution and disposability The author goes on to show how selected auteurs in contemporary Bengali cinema break with certain traditional representations of women gesturing towards a culture that is more liberating for women Presenting the first full length study of women s changing roles over the last twenty years of Bengali cinema this book will be a useful contribution for students and scholars of South Asian Culture Film Studies and Gender Studies      Popular Cinema in Bengal Madhuja

Mukherjee,Kaustav Bakshi,2020-06-09 Popular Cinema in Bengal marks a decisive turn in studies of Bengali language cinema by shifting the focus from auteur and text based studies to exhaustive readings of the film industry The book covers a wide range of themes and issues including generic tropes like comedy and action iconic figurations of the detective and the city female stars such as Kanan Bala Sadhana Bose and Aparna Sen intensities of public debates subjects of high and low cultures taste viewership gender and sexuality print cultures including posters magazines and song booklets cinematic spaces and trans media and trans cultural traffic By locating cinema within the crosscurrents of geo political transformations the book highlights the new and persuasive research that has materialised over the last decade The authors raise pertinent questions regarding regional cinema as a category in relation to national cinema models and trace the non linear journey of the popular via multiple media trajectories They address subjects of physicality sexuality and its representations industrial change spaces of consumption and cinema s meandering directions through global circuits and low end networks

Highlighting the ever changing contours of cinema in Bengal in all its popular forms and proposing a new historiography Popular Cinema in Bengal will be of great interest to scholars of film studies and South Asian popular culture The chapters were originally published in the journal South Asian History and Culture      **Houseful The Golden Years of Hindi Cinema**
