

Sudan In Crisis The Failure Of Democracy

Jairo de Oliveira

Sudan In Crisis The Failure Of Democracy:

Sudan in Crisis G. Norman Anderson, 1999 We badly need more writings of this genre The poor communication between diplomatic professionals and academic area scholars is deplorable This work has the potential to speak to both groups Scholars and practitioners should pay attention L Carl Brown Princeton University This is the story of how a promising North African democracy by failing to solve crucial problems both at home and abroad brought about its own overthrow by Islamic militants Since gaining independence in 1956 Sudan has repeatedly stumbled in attempts to establish a stable democratic government Sudan in Crisis tells the story of this failure and seeks to explain its causes G Norman Anderson former American ambassador provides a first hand account of Sudan s third try at democracy He analyzes the problems plaguing the democratically elected government of Prime Minister Sadiq al Mahdi civil war and related famine religious and ethnic antagonisms political instability economic deterioration the presence of Libyan terrorists and the ineffective efforts of the government to cope with them He also analyzes the policies of the United States and Sudan during this period and cites specific instances in which each helped to undermine Sudanese democracy including Washington s earlier strong support of Sudanese dictator Ja far Numayri and its relatively lukewarm support of democracy and Sadiq al Mahdi s foreign policy of nonalignment which favored the extremist regimes of Libya and Iran while antagonizing potential friends such as the United States Egypt and Saudi Arabia Sudan in Crisis also addresses the issue of Sudan s future after the current junta With many of the leaders who mismanaged democratic government now waiting again in the wings the question remains whether they have learned the lessons of the past G Norman Anderson is a former career diplomat specializing in Arab affairs and Eastern Europe He was the American ambassador to Sudan from 1986 to 1989 During the recent Yugoslav crisis he headed an international peace mission in the former Yugoslav Republic of Macedonia

Politics of Democratic Breakdown

Gangsheng Bao, 2022-05-30 Democratic breakdown as a political and historic event can impact the fate of millions if not hundreds of millions of people by changing the political complexion of a country This book attempts to systematically explain why democracies collapse The author s main theoretical argument is based on the examination of two factors One is political cleavages among voters These can cause serious political conflicts and may lead to fierce political confrontation and major upheaval at the society level The other revolves around the types of political and institutional arrangements under democratic regimes Centrifugal democratic regimes are likely to weaken government capacity or state capacity rendering governments incapable of effectively resolving political conflicts and when these two factors come together political conflicts are less likely to be controlled effectively These situations can evolve into serious political crises and eventually lead to the collapse of democratic regimes The empirical research of this book is based on a comparative historical analysis of Germany Nigeria Chile and India Examining democratic collapses from both theoretical and empirical perspectives this book will be of interest to those engaged in the study of democracy Political Science Comparative Politics and Political Theory

Sudan

Abdel Salam Sidahmed, Alsir Sidahmed, 2004-11-10 Stretching between the savannah and the equator Sudan is a microcosm of Africa with one leg in the Arab world and the other in Africa Sudan's development however has failed to address the differences within the country between its diverse ethnic communities This has resulted in political instability and a lack of national consensus ultimately leading to long term civil war This useful book provides a comprehensive introduction to contemporary Sudan outlining the evolution of the state with emphasis on its post independence experience It includes chapters on the history politics society international relations and economy of the country **The New Kings of Crude**

Luke A. Patey, 2014 A first look at how the world's rising powers began international oil empires amidst one of Africa's longest and deadliest civil war *Congressional Record* United States. Congress, 2006 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **International Bibliography of Political Science** Compiled by the British Library of Political and Economic Science, 2000-02 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge on the social sciences

Hope for the Afflicted Jairo de Oliveira, 2023-06-29 There is a humanitarian disaster unfolding before our eyes a global tragedy that affects men women and children We are referring to the largest humanitarian crisis of our generation which has shaped our world and produced over 100 million people forcibly displaced globally Amid such a challenging scenario the global church is called to consider some unavoidable questions such as How can Christians respond to the current migration crisis What are some resources available to Christians to help them transform this tragic reality What are some strategic approaches for bringing hope to asylum seekers and refugees In this book Jairo de Oliveira deals with these and many other related questions based on his interactions with the Fur a Muslim people group from Darfur Sudan living as asylum seekers and refugees in Jordan in the Middle East After providing a thorough historical background and cultural analysis of Fur the author commends a contextualization model and fruitful practices that emerged from his study of the people Hope for the Afflicted serves as a manual and practical guide for those who feel called to engage the current migration crisis by proclaiming the hope of the gospel and discipling asylum seekers and refugees worldwide **US**

Foreign Policy and the Horn of Africa Peter Woodward, 2016-02-11 Examining US involvement in the Horn of Africa this volume addresses the relationship between the US and the Islamic movement in this region Peter Woodward explores the interests of the United States in the region through two cases Sudan and Somalia He also discusses the effects of the Eritrean Ethiopian war on US policy and posture in the region along with the effects of other regional wars The book looks at the relationship between US perceptions of Islamism and brings a unique perspective to the ongoing debate over US policy in

the Islamic world It will be of interest to those working in or researching foreign policy as well as peace security and conflict issues

War and Statehood in South Sudan Manfred Öhm, 2015-03-26 This study provides empirically based insights into the relationship between war statehood and peaceful conflict resolution during the second Sudanese civil war and following the independence of South Sudan 2011 Several influencing factors have been identified the dynamics of political and ethnic conflict the authoritarian character of the former rebel movement SPLM the role of the church and of traditional leaders in local peace processes and how the enormous presence of international aid organizations has affected both war and statehood The empirical findings suggest that South Sudan is not an example of state failure but rather part of a broader process of state formation As such this collection argues that state building is indeed possible during war The analysis of the independent South Sudan post 2011 illustrates that the country is still struck by strong political and ethnic conflicts and continued violence This is a book that is relevant and full of insights for social scientists and practitioners of development co operation

The Crisis of Democratization in the Greater Horn of Africa Kidane Mengisteab, 2020 Analyses the structural and institutional obstacles to democratization in transitional societies fractured societies fragmented economies and institutions of governance weak or deformed state structures and how to overcome these
