Sudden Moves:

Rogue Mark Sullivan, 2025-10-16 From the best selling author of *Beneath a Scarlet Sky* comes *A true juggernaut of a thriller pure adrenaline in print* James Rollins Mark Sullivan's propulsive compelling thriller *Rogue* is one part *Bourne Identity* and one part *Mission Impossible* Robin Monarch was a top level CIA operative perhaps the best they had Then one day in the middle of an operation with his team around him in the field Monarch walked away leaving his old life and friends behind without a word of explanation Now this ex soldier ex operative and orphan with a murky past is a thief stealing from the super rich But when a complicated high profile jewel heist goes wrong Monarch is led into a carefully woven trap designed to force him to complete the very same mission he walked away from years ago It will take all of his skills as well as those of the team he burned and all of his cunning if Monarch is to thwart the violent and deadly goals of the very powerful cabal who will do whatever it takes to bring the very dangerous Green Fields technology under their control **Family**

Micol Ostow, 2011-01-01 I have always been broken I could have died And maybe it would have been better if i had It is a day like any other when seventeen year old Melinda hits the road for San Francisco leaving behind her fractured home life and a constant assault on her self esteem Henry is the handsome charismatic man who comes upon her collapsed on a park bench and offers love a bright new consciousness and best of all a family One that will embrace her and give her love Because family is what Mel has never really had And this new family Henry's family shares everything They share the chores their bodies and their beliefs And if Mel truly wants to belong she will share in everything they do No matter what the family does or how far they go Told in episodic verse *Family* is a fictionalized exploration of cult dynamics loosely based on the Manson Family murders of 1969 It is an unflinching look at people who are born broken and the lengths they'll go to to make themselves whole again **A Beginner's Guide to Acting Methods** Kimberly Shire, 2025-05-29 Wanting to understand the

Intrepid Gord Francis, 2011-11-23 Lieutenant Don Fields is a genius with a PhD in math but like many such credentialed academics he also struggles with a limited understanding of people When he finds himself recruited into an exclusive international military unit populated by other brilliant and accomplished people he thinks he may have just found a home Soon he begins to make friends among these geniuses who like him were recruited from all over the world To his surprise he finds that not only can he make friends but he can also fall in love Its not long however before he deduces that the unit has enemies powerful enemies who are willing to do anything

they can to harm him And because of these people what should have been the happiest day of his life quickly becomes the saddest At their hands his greatest joy turns to ash Through his grief Don is forced to continue his work on the units goals Even though it may seem impossible the newly shaped soldier in him knows that he must put his suffering aside because the units goal is bigger than anything hes ever dreamed of
