Suddenly Sixty Judith Viorst, 2001-02-21 Judith Viorst is known and loved by readers of all ages for children's books such as *Alexander and the Terrible Horrible No Good Very Bad Day* nonfiction titles including the bestseller *Necessary Losses* and her collections of humorous poetry in her decade series which make perfect gifts for birthdays Mother's Day graduation Christmas Chanukah or at any time of year *Suddenly Sixty* is a funny and touching book that speaks directly to the sixtyish woman inviting her to laugh about sigh over and come to hopeful terms with the complex issues of this decade of life Among the poems in this charmingly illustrated collection are those exploring the joys and strains of children and grandchildren and the intimacy of old friends who've known each other so long We knew each other back when we were virgins There are poems that tip their hat to mortality wrestle with a husband's retirement He's coming with me when I shop at the supermarket So I won't have to shop alone I like alone and acknowledge the fact that at this stage of life we'd give up a night of wild rapture with Denzel Washington for a nice report on my next bone density test Offering plenty of laughs a few tears and cover to cover truths these are poems for everyone who would rather say never say die than enough is enough Every woman who has reached this decade will rueful and smiling find herself in the pages of this book **Sensational After 60**

Shirley Mitchell, 2013-06-19 Your career is nearing its end Your grandchildren are leaving home Health challenges are affecting some of your closest relationships It's the aging thing the dreaded A word If you find yourself dreading any more candles on your birthday cake take some tips from Shirley Mitchell Teaching people how to live sensational lives after 60 is her passion She's succeeded at it and so can you Shirley addresses a host of important issues from medical concerns to coping with the loss of a spouse Learn how to embrace challenges like Grandparenting Nutrition and health choices Unexpected opportunities and challenges The end of a marriage Finances Most of all you will learn that your future is immeasurably bright Your best years may still be ahead of you Angelesis John VanOrsdell, 2015-04-18 The world of

VanOrsdell's immensely enjoyable fiction debut is completely normal sports weather international tensions billions of people going about their daily lives when everything suddenly receives a gigantic fundamental disruption A large alien spacecraft announces its imminent arrival in Earth's orbit and seeks to open communications with the United States claiming to come in peace Kirkus Reviews *But Not for Love* Edwin Shrake, 2000 This Texas Traditions Series reprint takes us back to the Lone Star State during the Cold War at the beginning of the 1960s The postwar generation is in a frenzy of high living and profligate spending Big Texas oil is still subsidized by a federal depletion allowance and cattle still account for much of the state's wealth But these longtime mainstays of Texas finance are giving way to transistors and computers A new millionaire class is growing up around business mergers and electronic technology The characters in Shrake's novel are caught in this brave new world in one way or another Some are the princes of prosperity others are victims of it This is a world of lobbyists merger lawyers small time politicians sons of oil money and the women who cheer them on or worry about their souls In the

opening section of the novel we visit the Texas Gulf Coast and see the machinations of Sam Guthrie and Waddy Morris Jr as they attempt to take over a rival technology company Back in Dallas idealistic attorney Ben Carpenter moves to thwart the Guthrie Morris takeover Then we move to Fort Worth and attend the drunken party given in honor of Ben Carpenter s thirtieth birthday The party moved to Mexico on Cadmus Wilkins s bus where everyone has to confront his or her inner self And some are found wanting The several vignettes of the novel paint an accurate picture of Texas as it moves into the urban era and as its middle class began deserting the old verities and tasting what were once forbidden pleasures Shrake is a first rate stylist who knows how the upper half lives *Gigolo* Edna Ferber,1922 [Forward From Here](#) Reeve

Karasu,T. Byram Karasu,2005-06-09 Given the fact that 50% of marriages end in divorce you would think marriage wouldn t be so popular but getting married is one of the most popular of all life events In fact many new couples are willing to face considerable debt for the wedding ceremony alone It seems that many people spend more time on planning the wedding than on thinking about marriage and what it entails The Art of Marriage Maintenance is about marital life after the wedding It is about psychological and biological difficulties between men and women that make marriage so challenging It is about why passion is in danger of fading within marriage how hormones exacerbate behavior and how the brain confounds us It is about how pregnancy and having young children and adolescents often catapult a marriage to its breaking point and how the stresses of mid life contribute to marital discord It is in effect how to ensure a happy enduring marriage It is the art of marriage maintenance
