My Greenwich Village Terri Thal,2023-09-27 Terri Thal was very much a part of the folk music world in 1960s Greenwich Village New York Few people know that she was 21 year old Bob Dylan s first manager prior to his contract with Albert Grossman and Columbia Records She also managed musician Dave Van Ronk who was her husband and others to include the Roche sisters Paul Geremia and The Holy Modal Rounders She booked performances at coffee houses clubs and basket houses On 6 September 1961 she recorded a set from a young Bob at The Gaslight Caf it is the first known live recording of his original songs known to Dylan fans as the First Gaslight Tape Terri took this audition tape to clubs to try to get him gigs and she still owns the original reel to reel tape She had many friends in Greenwich Village including Suze Rotolo and a number of seminal 1960s folk musicians When Dave Van Ronk first saw young Bob performing in a club in Greenwich Village he said I just heard this kid who s a fucking genius You ve got to hear him Within a few days I heard him play and agreed with Dave Bob Dylan asked me Would you get me gigs Terri Thal has two passions folk music and social justice This is a personal story of the world of folk music in 1960s New York written by a Jewish woman from Brooklyn who although not a musician was an intrinsic part of this scene Terri describes Greenwich Village as a community that was supportive musically exciting and one in which people had fun Terri tells us what it was like to hang out in the Village coffee houses to host folk singers like Tom Paxton and Phil Ochs who hung out at her apartment and to be a manager We hear her view and involvement of the 1960s socialist organizations and how she later merged her professional work in not for profit agencies

In Search of Sympathy Sarah Chaney,2022-02-01 In 1939 the British journal Nursing Mirror launched a competition to find the typical nurse Over the following weeks hundreds of nurses submitted a portrait photograph to try and meet the journal s criteria This is not a beauty competition in the ordinary sense of the word The editor stressed It is to find the typical nurse the nurse whose features suggest not merely beauty of line but professional capacity and human sympathy Was it even possible to show these things in one simple photograph The Nursing Mirror judges certainly thought so The competition winners and other entries published regularly during 1939 provide an interesting lens through which to explore inter war

stereotypes of nursing in Britain From this starting point on the eve of the Second World War this work looks back through the complex and often conflicting representations of British nursing in the inter war era from the impact of the Nursing Registration Act of 1919 to the romanticized figure of Edith Cavell and the lingering specter of the angelic Nightingale nurse It examines how attitudes to gender and class influenced representations of nursing and how those attitudes themselves changed during this period It considers why the visual image of the nurse was so prominent in portrayals of nursing and perhaps most importantly of all what impact those stereotypes of nursing had for those at the vanguard of a fledgling profession This e single originally appeared as a chapter in *The Nurse in Popular Media Critical Essays* edited by Marcus K Harmes Barbara Harmes and Meredith A Harmes The electronic version of this book chapter is an open access work licensed under the Creative Commons Attribution NonCommercial NoDerivatives 4.0 International License CC BY NC ND 4.0 Users are allowed to share with proper attribution the unaltered chapter for non commercial purposes All other rights are reserved

Young Adult Novels Melissa Gross,Annette Y. Goldsmith,Debi Carruth,2010-10-11 Not long after becoming public health concerns in the 1980s HIV and AIDS were featured in a number of works of fiction though such titles were written primarily for adult readers Mirroring the disease's indiscriminate nature however the subject would soon be incorporated into novels aimed at young adults Despite a need for accessible information on the subject it is difficult to identify fiction that contains material about HIV/AIDS as these books are seldom catalogued for this content nor is this content consistently acknowledged in published reviews In *HIV/AIDS in Young Adult Novels An Annotated Bibliography* the authors address this gap by identifying and assessing the full range of young adult novels that include HIV/AIDS content This resource is comprised of two major parts The first part summarizes findings from a content analysis performed on novels written for readers aged 11-19 published since 1981 and featuring at least one character with HIV/AIDS The second part is an annotated bibliography of the more than 90 novels identified for use in the study Each entry in the bibliography contains an annotation that summarizes the plot and how HIV/AIDS is depicted in the story an indication of the accuracy of the HIV/AIDS content a note on how central HIV/AIDS is to the story and an evaluation of the literary quality of the book This work will assist readers in collecting choosing evaluating and using these works to educate readers about HIV/AIDS
