is often overlooked but at this time of global crisis which also carries the seeds of a global transformation we need to reawaken to the spiritual power and potential of the feminine. Feminine qualities belong to both men and women and they draw us into the depths within us into the mysteries of the soul whose wisdom is called Sophia. Without the feminine nothing new can be born, nothing new can come into existence; we will remain caught in the materialistic images of life that are polluting our planet and desecrating our souls. We need to return to the core of our being to where the sacred comes into existence. And the mystical feminine holds the key to this work of redemption and transformation. Over the past two decades Llewellyn Vaughan Lee has given different teachings on the feminine and the anima mundi, the World Soul. They are compiled here for the first time. Llewellyn Vaughan Lee presents us with a clear picture of the Feminine which is now essential to building a new vision and value for our dear planet earth.

MARION WOODMAN Ph.D. Jungian Analyst and author. This book is the work of an alchemist, a vitally important contribution to the Great Work of rescuing the human soul from the darkness that currently shrouds it. In this dangerous transitional time where ignorance, confusion, and cruelty abound, its theme of the need for us to recover and comprehend the Feminine is of absolute and urgent relevance. Few people are able to define and evoke the Feminine in the way that Llewellyn Vaughan Lee does in poetic and beautiful prose; he speaks directly from his soul to ours, acting as advocate for the longing of the anima mundi, the World Soul, to be welcomed once again into our lives and our culture. He knows that this is the time of humanity's awakening; each one of us participates in the mystery of the light hidden within us and within all nature that is being awakened. For exploring this mystery so directly and deeply and with such insight, he deserves our deepest gratitude. Women and men alike will welcome and treasure this book.

ANNE BARING co-author. **The Myth of the Goddess: Evolution of an Image** and **The Dream of the Cosmos: A Quest for the Soul** **Traversing the Heart** Richard Kearney, Eileen Rizo-Patron, 2010-07-12. The key wager of **Traversing the Heart: Journeys of the Interreligious Imagination** is that a spiritual imaginary operating at the level of metaphor, narrative, symbol, and epiphany can traverse the borders of dogma and ideology and open genuine conversations between wisdom traditions. Like every hermeneutics of the heart, this journey begins to unfold in a concrete space and time: the interreligious conference at Bangalore in June 2007. While this collection does not claim to cover the religious traditions of all continents, its concluding essay on transculturation in Andean Christian art highlights the importance of the North-South dialogue as a necessary supplement to the East-West one largely addressed in the book. As a call to future journeys and dialogue, this volume aims to communicate the one seminal lesson learned during the India conference: that in our third millennium, religions will be interreligious or they will not be at peace.

The Rose and the Lotus Yousef Daoud, 2009-10-31. **The Rose and the Lotus** is a compendium of explorations of two of the world's largest wisdom traditions, Sufism and Buddhism, and what the practitioners of these two approaches have in common and may have to learn from each other. It includes chapters on important teaching texts, ancient and modern, and the clues they give for practice, interviews with esteemed teachers such as Shaikh Kabir

Helminski Roshi Bernie Glassman Tibetan philosopher Geshe Sonam Rinchen as well as memories and reflections on teachers such as Javad Nurbakhsh Idries Shah and Inayat Khan It includes a new look at the mystic works of Nobel Prize winner Doris Lessing and their usefulness in contemplation practice Yousef Daoud PhD also published as Joe Martin has been a practitioner of both Sufism and Buddhism The author of eight books he teaches meditation as well as spiritual performance practice Though Sufism and Buddhism have long been treated as religious manifestations in this fascinating book Yousef Daoud Joe Martin places them squarely among the great wisdom traditions and explores a wide variety of topics relating to both Sufism and Buddhism One of the most prolific authors for the journal SUFI he has done a real service for anyone concerned with spirituality and gnosis Professor Jeffrey Rothschild C U N Y Editor SUFI On Rumi s MATHNAVI A Stage Adaptation Absolutely remarkable and memorable It was as if I had gone to a party and had been offered an entire pot of gourmet food but with every new bite I felt even hungrier It was endowed with a complex simplicity or a simple complexity It was all very inspiring and enlightening It felt as if the actors analyzed Rumi s stories lifting the veils one after another Lida Saeedian Author and co translator of The Pocket Rumi On Parabola Shorter Fictions through the tightly structured geometry of this metaphorically rich work is recognition of the search we undertake to fix a place for ourselves and try to make sense of a confusing alienating and often combative world Cheryl Pallant High Performance
