The Ministry Of Reconciliation:

Joining Lives Andrew Odle, 2017-01-06 We live in precarious times and are seeking to make a lasting impact through immediate solutions But in our haste we often make decisions to fix problems and persons forgetting that we are not called to fix but rather to reconcile In this wide ranging collection of essays we explore what it might look like if we were to live in the world first with the purpose of reconciling and then allow that vision to guide our actions Each essay engages with reconciliation in different contexts providing meaningful and potentially transformative insights that will lead the reader to more faithful lives and activities The essays are not filled with theoretical reflections but with hard earned wisdom from proven thinkers practitioners and innovators
